I. PURPOSE:

The purpose of this policy and administrative procedure is to establish a process through which offenders may receive visits from persons outside the Department of Correction in order to maintain contact and relationships in the community.

II. POLICY STATEMENT:

The Department of Correction shall encourage offender communication and contact with family and friends. The Department recognizes that the majority of offenders will be released into the community and that the offender’s eventual reintegration will be more effective if a visitation program permits the maintenance of social relationships. In addition to traditional forms of visitation (contact and non-contact), alternative methods of visitation may be made available to help facilitate persons unable to travel to facilities.

The Department recognizes that in some cases, the visitation privilege can be abused or used for inappropriate purposes and for this reason the Department shall establish visitation guidelines. These guidelines may include the imposition of restrictions ranging from non-contact visits, including video visits, to not allowing certain persons to visit. Restrictions on the visitation privilege shall be made based upon the safety, security, good order and administrative manageability of the facility and those persons involved. The offenders shall have the opportunity to appeal the decision to restrict visitation privileges through the Offender Grievance Process.

The Department shall provide as much uniformity and consistency in visiting as possible, while considering the physical limitations and security needs of each facility. The Department shall include provisions for visits by attorneys, clergy,

All facilities may designate areas for contact visitation and video visitation; however, an area shall also be designated for non-contact visitation where applicable. Maximum-security facilities may designate the entire visiting areas as “non-contact” visitation. “Non-contact” visits shall only be used in those cases where it is determined to be in the best interests of the safety and security of the facility and those persons involved in accordance with Procedure XIX.

Facilities shall take into consideration the impact that visits with parents or grandparents in a correctional facility may have on young children, especially pre-school age children. When possible and taking into consideration the physical environment and space capabilities, the facilities shall make special accommodations to entertain and occupy the minds of these children. These accommodations may include a separate room adjoining the main visiting area which is a bright, inviting and comfortable area or a similar space within the main visiting room. Appropriate age books, games and toys may be available in these areas. All children must be supervised by the offender who is being visited or the adult visitor who brought the children at all times, whether in this area or in the main visiting area. The use of this type of area shall be accomplished without the need for additional staff to supervise the area.

Operational procedures shall designate the location(s) for offender visitation and whether the areas shall permit “contact” or “non-contact” visits.

V. APPLICATION FOR VISITATION:

In order for family members and friends to visit offenders, they must complete an application for visitation. Facilities shall use State Form 14387 APPLICATION FOR VISITING PRIVILEGES, to provide visitors with the necessary information regarding visitation. Offenders shall be responsible for sending applications to family members and friends that they want to visit. Each Facility Head shall designate a staff person to receive these applications and process them. The facility’s operational procedures shall address how these applications will be received and processed, including the addition or deletion of persons from the offender’s visitors list.

All visitors must complete the application and mail it to the facility the visitor wants to visit. Parents/Legal Guardians shall complete an application for minors under the age of 18 years and shall sign the application on behalf of the minor child. Faxes of the application are not acceptable. It is important that the application is completed fully and all questions are answered honestly. Failure to provide all necessary information may result in a delay in the processing of the application or a denial of visitation privileges. Falsifying an application shall result in the applicant being banned from all correctional facilities for a period of one (1) year.

Visitors shall be permitted to visit only one (1) offender within the Department unless the visitor has other immediate family members incarcerated in a Department facility. Therefore, unless the visitor has other immediate family members in different facilities, the visitor shall not be allowed to visit other offenders in other Department facilities. Visitors may request that they be removed from one (1) offender's Visitor's List and be placed on another offender's list in accordance with these administrative procedures.

This application, once approved, shall allow access to the facility to visit the designated offender. The signature of the visitor acknowledges agreement to all rules and regulations included in this policy and administrative procedures, including criminal background checks through IDACS.

Children less than 18 years of age must have their application completed by their parent/legal guardian. An adult visitor who has the notarized permission of the child's parent or legal guardian who has custody of the child (not the offender) may be allowed to bring the child to the facility for the visit; however, both the child and the adult visitor must have an application on file to visit the offender. State Form 48965, AUTHORIZATION FOR MINOR CHILD TO VISIT, shall be used to allow an adult, other than the child's parent or legal guardian, to bring a child into the facility to visit an offender. The parental authorization form must be notarized by a Notary Public. When submitting State Form 48965, the parent/legal guardian must attach a copy of the child's birth certificate.

Criminal warrants checks will be conducted on each adult and child (16 and older) applying to visit an offender. When an active criminal warrant is found, the application will be reviewed and local law enforcement shall be notified of the information provided. The information on the applicant's criminal history is treated as confidential and will not be released to the offender.

Once a decision is made either approving or denying the application, the offender shall be notified. The offender is responsible for advising applicants that their applications have been approved or denied. The applicant's approved Department visiting application must be on file prior to visiting.

Visitors may have their names removed from an offender's visiting list by making that request in writing. Once the name is removed, the visitor must wait six (6) months before applying to visit the same or another offender. Exceptions may be made for immediate family members.

Visitors who require a reasonable accommodation for a disability must contact the staff person responsible for processing visitors.

VI. VISITATION LISTS:

Each facility shall maintain an approved visitation list for each offender. This information shall be maintained on the OIS/JDS computer system. The offender's visitation list shall be updated quarterly, at a minimum, in a manner convenient to the operation of the facility. Offenders may request visitation from immediate family members or other approved persons in place of the immediate family members when the offender does not have immediate family members (not to exceed 10) and two (2) friends provided the request is consistent with these administrative procedures and all pertinent operational procedures. Juvenile facilities may limit offender visits to immediate family/legal guardians only, unless the "friends" are necessary to assist in the treatment program. The visitation list shall include:

- A. The offender's name and number;
- B. The name of the requested visitor;
- C. The relationship of the visitor to the offender;
- D. The visitor's date of birth;
- E. The visitor's address; and,
- F. The visitor's drivers license number or state ID information, if available.

Visitation lists may be printed from the OIS/JDS computer systems.

The Facility Head or designee shall develop operational procedures which outline the specific staff person's responsibilities in updating and maintaining the visitation list and the location and/or distribution of the visitation list.

VII. RULES FOR VISITATION:

Each facility shall provide the rules for visitation to the offenders and shall make these rules available to person's wishing to visit an offender. The rules shall be available in Spanish and English. Each facility may establish facility specific visitation rules not covered in the Department's visitation rules. ATTACHMENT III presents the Department's standard rules of visitation.

The Facility Head shall ensure that a sign containing information regarding the possession and/or trafficking of controlled substances is posted in a prominent location so that both offenders and visitors may read it prior to entering the visitation area. These signs shall contain the following information:

The Department of Correction shall not tolerate trafficking with an offender or the possession of controlled substances, tobacco, electronic devices or weapons while on Department property. All offenders and visitors shall be subject to search. Refusal to be searched shall result in a denial of the visit.

In all cases where a visitor and/or an offender is found to be trafficking, the evidence shall be turned over to the Indiana State Police with a recommendation that the matter be prosecuted to the fullest extent. In addition, any visitor caught trafficking shall be permanently banned from visiting any offender in the Department of Correction at any Department facility.

For the first offense, these "non-contact" visits shall be for a period of six (6) months; second offense - twelve (12) months; any further offenses - permanently.

and tobacco detection dogs (K-9s) may be in use in the facility and visitors shall be subject to search by these dogs. The sign shall state:

NOTICE:

Drug and tobacco k-9's (dogs) may be in use today in the visiting room. These dogs are non-aggressive. All visitors will be searched prior to entering the visiting room and/or during the visit. If you do not wish to be searched, you may choose not to visit today.

ATENCIÓN:

These signs shall be presented in both English and Spanish.

VIII. PERSONS EXEMPTED FROM THE VISITATION SCHEDULE:

Staff must verify the qualifications of exempted visitors and may request background information and official assignment documentation from the potential visitor for this purpose. Whenever possible, exempted visitors should schedule their visits at least 24 hours in advance so that the facilities can ensure that suitable accommodations are available.

Attorneys, clergy, or government officials or person's from other agencies/organizations providing an approved service for the facility or the offender (e.g. Mental Health professionals, Indiana Vocational Rehabilitation counselors, etc.) may be approved for visitation on a case by case basis. Such visits will not be considered as part of the offender's regular visitation schedule and these visitors need not be on the visitation list (as determined in the operational procedures required by Procedure VI). If the attorney, clergy, or government official is not on the authorized visiting list, approval from the Facility Head or designee is required.

Where space is available and the security of the facility and safety of the people involved will not be impaired, a special area may be set aside for attorney-client visits. If space is available, arrangements also may be made to allow clergy or approved spiritual advisors to have a separate space, outside of the regular visiting room/area, to meet with the offender. In both cases, such space shall be observable by staff; however, staff shall not listen to the conversations.

IX. VISITATION BY STAFF, EX-EMPLOYEES, EX-OFFENDERS PAROLEES/PROBATIONERS AND VICTIMS:

In accordance with the administrative procedures for Policy 04-03-103, "Information and Standards of Conduct for Departmental Staff," staff shall notify the Facility Head in writing whenever a friend or relative is committed to the Department. A staff person may be permitted to visit an offender who is an immediate family member. Additionally, with sufficient justification, a staff person may be permitted to visit an offender who is a family member but not an immediate family member. In these cases, the staff person shall provide the facility with sufficient information to verify the relationship and the need for such visits.

A staff person must obtain prior written approval to visit an offender. The staff person shall obtain State Form 51058, REQUEST FOR STAFF CONTACT WITH OFFENDER, from the facility. The staff person shall complete Sections I and II. The staff person shall provide as much information as possible, including information verifying the relationship, so that a decision can be made regarding the visit. The staff person shall submit the form to the Facility Head of his/her facility. The Facility Head shall review State Form 51058 and determine whether approval of the requested visit is in the best interests of the Department, offender and staff person. The Facility Head shall consider such factors as the relationship between the staff person and the offender, the staff person's work history with the Department and the potential impact on the facility and the offender's adjustment. The Facility Head shall indicate his/her decision on the form and forward it to the Facility Head of the facility housing the offender.

The Facility Head of the facility housing the offender shall review the request. The Facility Head of the facility housing the offender shall consider such factors as: the relationship between the staff person and the offender; the offender's conduct history; the frequency of visits to the offender; the offender's family background; and, the decision of the staff person's Facility Head and any comments made by that Facility Head, etc.

If both Facility Heads approve the request to visit, the Facility Head of the facility housing the offender shall return the State Form 51058 to the staff person's Facility Head who shall note the approval. A copy of State Form 51058 with the approvals of both Facility Heads shall be given to the staff person who will be required to bring the form with him/her whenever a visit takes place.

Additionally, a copy of the approved State Form 51058 shall be placed in the staff person's personnel packet and a copy placed in the offender's packet. Once the approval is given by both Superintendents, the staff person shall be required to complete an APPLICATION FOR VISITING PRIVILEGES and attach a copy of State Form 51058 in order to be placed on the offender's visitors list.

If either or both of the Facility Heads do not approve the request from the staff person to visit the offender, the Facility Head of the facility housing the offender shall forward the request with all recommendations to the Executive Director of Adult Facilities or the Executive Director of Juvenile Services if the offender is a juvenile. The appropriate Executive Director shall review the request and, if necessary, contact the facilities to obtain additional information before rendering a decision. If one of the facilities involved is not under the Executive Director's supervision, State Form 51058 shall be forwarded to the other Executive Director, as appropriate, for review and approval. If either of the Executive Directors deny the request, the request shall be considered denied and the staff person shall not be allowed to visit the offender. The decision of the Executive Director(s) shall be final.

Following approval/denial by the Executive Director of Adult Facilities or Executive Director of Juvenile Services, the original State Form 51058 shall be returned to the originating Facility Head for filing and a copy shall be sent to the Facility Head of the facility housing the offender. Once an approval has been granted for visits between a staff person and an offender, the approval shall remain in effect until rescinded by the Executive Director of Adult Facilities or Executive Director of Juvenile Services. If the request to visit is denied, the staff person may submit another request for visitation one (1) year from the date of the denial. If a staff person terminates his/her employment with the Department, any approval to visit an offender shall be rescinded immediately and the staff person will be required to follow the procedures for ex-employees to visit offenders.

If the request is approved and the offender is transferred to another facility, the approval shall continue to be in effect unless the Facility Head or designee of the new facility determines that there is a reason to require the staff person to submit a new request.

Ex-employees who wish to visit an offender must make a written request for approval to the Facility Head of the facility housing the offender prior to the visit. Generally, ex-employees shall not be allowed to visit an offender who has been housed in the same facility in which the ex-employee was employed and who was incarcerated at the facility during the time the ex-employee was employed there. The Facility Head shall review the request and recommend whether the visit is in the best interest of the facility and the individuals involved. Unless the ex-employee and the offender are immediate family members or special circumstances exist, visits by ex-employees shall not be authorized until one (1) year after the employee's separation from the Department. Ex-employees shall not be permitted to visit an offender if the relationship between the offender and the ex-employee started or resulted from contact between the ex-employee and the offender during the ex-employee's period of employment with the Department. The Facility Head shall forward the request to the appropriate

Executive Director of Adult Facilities or Executive Director of Juvenile Services for review and approval/denial. The appropriate Executive Director shall render a decision and so notify the Facility Head submitting the request. The decision of the Executive Director shall be final. Ex-employees shall not be allowed to visit an offender until the request to visit has been approved by the appropriate Executive Director. If the decision is to deny the request to visit, the ex-employee may submit another request one (1) year from the date of the denial.

In cases where an ex-employee has been terminated from employment or allowed to resign prior to termination, or during an investigation arising from a violation of Department rules or procedures involving an offender, (e.g. trafficking, inappropriate contact) the ex-employee shall be denied visitation privileges permanently from all Department facilities. Such denials shall be noted in the OIS/JDS computer system.

Ex-offenders shall not be permitted to visit offenders in Department facilities without the prior written approval of the Facility Head of the facility housing the offender to be visited. Ex-offender shall be permitted to visit only immediate family members. Permission for visits by ex-offenders who are not under any type of community supervision (e.g., parole or probation) may be considered after the ex-offender has been discharged or released from parole or probation supervision for a period of one (1) year.

Parolees or probationers may be considered for visits if special circumstances warrant such consideration. Special circumstances are visits that will aid in the incarcerated offender's rehabilitation or adjustment to the facility or community upon release. Such visits shall be limited to immediate family members only. The parolee or probationer shall obtain written authorization from his/her parole or probation officer prior to consideration by the Facility Head. The original signed approval from the parole or probation officer must be sent to the Facility Head of the facility housing the offender at the time the request to visit is made. The Facility Head shall consider the safety and security of the individuals and the facility as well as the value of the visit to the offender when granting approval or denial of requests to visit by ex-offenders and parolees/probationers. Approvals to visit shall be for one (1) visit only unless otherwise specified by the parole or probation officer and the Facility Head. Denials of requests to visit shall be noted in the OIS/JDS computer systems. In cases of denials, the parolee or probationer may submit a request again no earlier than one (1) year from the date of the last denial.

Victims generally shall not be allowed to visit offenders, unless the visit is for therapeutic reasons and a therapist has requested the visit and will be a part of the visit, similar to that indicated in Procedures XX. G, or the Facility Head or designee determines that the visit will be in the best interests of the offender's re-entry into the community. Victims who are immediate family members of an

offender may submit a request to the Facility Head of the facility housing the offender if they wish to visit the offender. The Facility Head or designee shall determine whether the offender has a Victim Notification (VN) flag involving the victim seeking to visit the offender. The Facility Head or designee shall review the records regarding the actual crime and determine whether it appears that the victim and offender can safely visit. Visits between victims and offenders, if approved, may be non-contact visits or other restrictions may be placed on the visits, including a requirement that the visit be supervised. Visits with victims as a part of a victim reconciliation or restorative justice program may be approved by the Facility Head, if the program provides details of the program and supervision of the visit is provided and it does not appear that the visit will be a threat to the safety and security of the facility or the persons involved. If a visit between an offender and a victim is approved and the offender has a Victim Notification flag, the Facility Head or designee shall contact the Victim Notification Section in Central Office to advise of the intended visit. An offender who is approved to visit with a victim may be permitted to meet with a Mental Health staff person either before or after the visit in accordance with the facility's procedures for requesting Health Care services.

X. VISITATION RECORDS:

Each facility shall maintain a record for each offender documenting all of the offender's visits, including visits by attorneys, government officials and clergy. These records shall be maintained on the OIS/JDS computer system. Any hard copy records involving offender visits shall be placed in the offender's packet prior to the offender being transferred to another facility or if the offender is released, prior to the transfer of the packet to storage.

Operational procedures shall identify the staff person's responsibilities and method of maintaining this record, including the disposition of the record when an offender is released from the facility.

XI. VISITOR SIGN-IN:

Each visitor shall sign-in at a place designated by the Facility Head and in a manner appropriate for the facility. This designated location shall have access to the OIS/JDS computer system. State Form 14389, LOG OF VISITORS, may be used for this purpose. Staff assigned to the sign-in area shall confirm and update the visitor's date of birth (DOB), gender, phone number and current address. Immediately prior to entry into the authorized visiting area, all visitors shall be asked, "Do you have in your possession any firearms, weapons, knives, ammunition, narcotics, medication, controlled substances, alcoholic beverages, marijuana, tobacco or tobacco related items, money/currency, cameras, video or audio recording equipment or electronic devices, including cellular telephones,

If the visitor responds negatively and no contraband or prohibited property is found in the search process (including searches by drug and tobacco detecting dogs), entry into the visiting room may be allowed. If the visitor responds affirmatively or contraband or prohibited property is found during the search process, staff shall advise the visitor that he/she will not be allowed into the visiting room. If the visitor is in possession of prohibited property, the staff person shall advise the visitor what action (method of disposal of the prohibited property, such as putting in a vehicle or a locker if available) may be taken so that the visit may proceed. If the property is contraband, the staff person shall notify his/her Supervisor immediately for instructions regarding how to proceed and whether law enforcement will be notified. Staff shall follow the facility's procedures for entry into the facility. Cameras, recording equipment and other electronic devices shall not be permitted into the facility without the prior written approval of the Facility Head or designee, except in cases involving the news media as provided in the administrative procedures for Policy 00-03-101, "Distribution of Information," or Department staff/law enforcement who need the equipment to carry out his/her duties.

Additionally, all visitors shall be asked "Are you or have you ever been an employee of the Department of Correction?" If the visitor answers affirmatively, facility staff shall determine whether the visitor has received the necessary approval as indicated in Procedure IX. If the visitor has not received the necessary approval, staff shall advise the visitor of the proper request procedures and deny entry until approval is obtained. If it is determined that the visitor has not been truthful, the Facility Head shall be notified. The Facility Head shall submit a written report to the appropriate Executive Director. All facilities shall be notified that the individual shall not be permitted entry into any Department facility. The visitor shall have the right to appeal the decision to the appropriate Executive Director.

In addition, visitors shall be asked if they have any disabilities that will require special accommodations. Such accommodations may include allowing the visitor to enter the facility with a service dog (seeing eye dog, etc.). Staff shall determine whether the visitor indicated a need for a special accommodation on the APPLICATION FOR VISITATION. If this need was indicated and a special visit has been approved, staff shall process the visitor in accordance with the approved visit. Visitors with special accommodations shall be advised that they will be searched and the search shall include any special equipment, such as wheelchairs, or service animals. Service animals shall have their collars/harnesses searched by staff and the service animal shall be required to pass through the facility's metal detector. While service animals may be permitted in the visitation area, the visitor shall be advised that if the animal becomes disruptive or interferes with the visit, the visitor and the service animal shall be

advised that the visit is terminated. The visitor shall be liable for all actions of the service animal while on facility grounds.

XII. VISITOR SEARCHES:

All visitors attempting to visit an offender shall submit to a search of their person and property. Minimally, all visitors shall be required to submit to a frisk search in accordance with the Department's administrative procedures for Policy 02-03-101, "Searches and Shakedowns." Frisk searches of a visitor's person shall be conducted by staff of the same gender as the visitor.

Additionally, visitors shall be subject to additional searches using metal detectors and ion scanning equipment. Visitors in the waiting area and in the visiting room may be searched by trained K-9s at any time while in the facility. Searches by K-9s shall be in accordance with the procedures for the search of persons using drug and tobacco detecting K-9s in the Department's Emergency Response Manual. Facilities shall ensure that visitors are informed of the proper behavior and actions when being searched by K-9s. This notification shall include a sign posted in the visitor waiting area and the visiting room as well as staff announcing the entrance of K-9s into an area for searches.

Visitors may be asked to submit to a strip search; however, strip searches are to be used only in the most extreme circumstances where reasonable cause exists to believe the visitor is carrying prohibited property or contraband and poses a serious risk to the security of the facility and/or individuals. The decision to request a visitor to submit to a strip search shall be made by the Facility Head or designee. In such cases, the visitor shall be given the option of either submitting to the strip search or being refused entry into the visiting area. The visitor shall be advised as to why the request is being made.

Any visitor who refuses to be searched shall be advised that they will not be permitted to enter the facility visiting area. In cases where a visitor refuses to be searched by any means during a visit, the visit shall be terminated and the visitor shall be escorted from the facility. Staff at the initial processing area and in the visiting area shall maintain a log of all visitors who refuse to be searched upon demand. The facility shall follow the procedures established in Procedure XV for documenting the denial of a visit.

Offenders in Level 2 and above facilities shall be strip searched prior to entering the visiting room and shall be strip searched immediately upon leaving the visiting room before being allowed to return to their living area or assignment. At the conclusion of the visit, the offender shall be required to leave the visiting area first. The visitor shall be requested to wait until the offender has been processed

and searched. If staff finds any prohibited property or contraband on the offender, staff shall identify the visitor and shall contact local law enforcement.

Frisk and strip searches, use of metal detectors, x-rays, K-9's and inspection of purses, packages and bundles shall be governed by the standards established in Policy 02-03-101, "Searches and Shakedown" and shall be consistent with the security needs of the facility.

XIII. IDENTIFICATION:

All visitors age sixteen (16) years and older shall be required to produce picture identification before entering the visiting area. All visitors must present valid identification each time they visit. The only forms of identification accepted by the Department are:

- A. A valid driver's license from the state of residence
- B. A valid state photo identification card from the state of residence
- C. A valid photo military identification card (active duty only)
- D. A valid passport.

Additionally, all minor visitors to VMR offenders will be required to provide a copy of a birth certificate no matter the age and additional identification may be required in other special circumstances as required by the Facility Head or designee.

Visitors under the age of eighteen (18) years shall be accompanied by a parent or legal guardian at all times while on facility grounds. This procedure does not apply to an offender's spouse who is under the age of eighteen (18) years. Based upon a request from the offender, the Facility Head may grant an exception to this requirement. In cases where a parent or guardian cannot accompany a minor child, the Facility Head may approve another responsible adult to accompany the child during a visit. In these cases, the accompanying adult must be on the offender's visitor list. The minor child's parent or legal guardian must sign and have notarized State Form 48965, AUTHORIZATION FOR MINOR CHILD TO VISIT, prior to the minor child being authorized to visit. Children under the age of 16 years of age shall be assigned a computer generated identification number in the OIS/JDS computer system. All visitors over the age of 13 years shall be logged into the OIS/JDS computer system.

XIV. SPECIAL VISITS:

Special visits may be granted, with the prior approval of the Commissioner or Facility Head or designee, on a case by case basis. Operational procedures shall be developed which specify the parameters for such approvals. In developing

these operational procedures, consideration shall be given to sources of transportation, accessibility to the facility by visitors, the distance a visitor must travel and any special circumstances.

In cases where a visitor has two (2) or more immediate family members incarcerated at the same facility, the visitor may be permitted to visit the immediate family members on the same day. However, the visitor will not be allowed to visit all of the family members at the same time.

Members of the news media may be granted special visits in accordance with Policy 00-03-101, "Distribution of Information."

XV. SEGREGATED OFFENDERS:

A facility may establish a separate visiting area for those offenders housed in a segregation or detention unit, including a protective custody unit. Offenders in segregation units may be restricted to "non-contact" or video visits. If a separate visiting area is established, operational procedures shall prescribe the manner and method in which this area is to be operated.

XVI. DENIAL AND SUSPENSION OF VISITATION AND GATE CLOSURES:

An individual's visitation privileges may be denied, suspended or the individual may be placed on gate closure status. Offenders or visitors who violate or abuse the rules governing visitation at the facility may have their visitation privileges temporarily or permanently suspended. An offender's visitation privileges also may be temporarily suspended for administrative reasons, such as during lockdowns. Temporary suspensions of an offender's visitation privileges may be for all visits or may be limited to a specific visitor. Temporary suspensions of an offender's or visitor's visitation privileges shall be for a determinate length of time. However, visitation privileges for a specific visitor may be permanently denied and a gate closure issued if it is determined that to allow such visits would threaten the safety and security of the facility. Any temporary suspensions for a period of more than 60 days or permanent suspensions (gate closures) shall be reported to the appropriate Executive Director of Adult Facilities or Executive Director of Juvenile Services. Suspension of an offender's visitation privileges and gate closures shall be noted in the OIS/JDS computer system. Additionally, the Facility Head or designee issuing the suspension or gate closure shall send an e-mail to all other facilities notifying the facilities of the suspension or gate closure. The e-mail shall indicate the name of the visitor, the offender who was being visited, the reason for the suspension or gate closure and, if it is a temporary suspension, the date that the suspension will end.

Visitors who violate the visitation rules/procedures may be denied visits to a particular offender, to a specified facility or to all Department facilities. Denial of

these privileges shall be based upon the Department's interest in security, safety and order of the facility and the safety of the individuals involved.

Denial or suspension of visitation privileges or gate closures shall be given to the offender and visitor in writing, including the reason for the denial, the name of the staff person making this decision and the right of the offender to appeal the decision to deny visitation privileges through the "Offender Grievance Process", Policy 00-02-301. State Form 3779, DENIAL/RESTRICTION OF VISITATION PRIVILEGE, shall be used to notify the offender of the decision to deny or restrict visitation privileges. Additionally, the visitor shall be advised that while the suspension or gate closure is in effect, the visitor shall not be permitted to visit offenders in any Department facility. Whenever possible, the offender and the visitor should be notified of the suspension or gate closure within two (2) weeks of the initial decision. The denial or suspension of visitation privileges or gate closures shall be logged in the OIS/JDS computer system.

In cases where an offender's visitation privileges are suspended due to either the offender's behavior or based upon security needs of the facility, it shall be the responsibility of the offender to advise any prospective visitors of this suspension. Visitors who come to the facility to visit offenders whose visitation privileges have been suspended shall be advised that the offender may not receive visitors and the approximate date when the suspension may be lifted.

Visitors whose visitation privileges to visit an offender are denied or suspended or who are the subjects of gate closures may submit a letter to the Facility Head of the facility housing the offender requesting that the denial, suspension or gate closure be reconsidered. The Facility Head or designee shall review the request and determine whether the denial, suspension or gate closure was applied in accordance with these administrative procedures. If the Facility Head or designee determines that the denial, suspension or gate closure is to be rescinded, the Facility Head shall ensure that all appropriate staff at the facility and any other facilities are notified of the decision and that the visitor shall be allowed to visit the offender again. If the decision of the Facility Head or designee is to uphold the denial, suspension or gate closure, the visitor shall be advised that he/she may appeal the decision of the Facility Head by writing to the appropriate Executive Director of Adult Facilities or Executive Director of Juvenile Services. The visitor shall explain the circumstances of the denial and why the visitation privilege should be reinstated. The Executive Director of Adult Facilities or Executive Director of Juvenile Services shall contact the Facility Head who has denied visitation and determine the reasons for this action. The appropriate Executive Director shall notify the visitor of his/her decision. The Executive Directors shall maintain a file of all requests to reinstate visits and the decision to uphold or reverse the restriction. The decision of the Executive Director shall be final.

If the action of the Facility Head is upheld, the visitor may apply again to have visitation reinstated no earlier than one (1) year from the date of the Executive Director's denial. The visitor shall send a letter to the Facility Head of the facility housing the offender requesting that visitation be reinstated. The Facility Head shall review the request and any previous materials relating to the request. If the decision of the Facility Head is to lift the visitation restriction, the Facility Head shall send a letter to the visitor advising that the restriction has been lifted and that the visitor is may commence visiting the offender again. If the visitation restriction is upheld, a letter shall be sent to the visitor advising that they may again apply for visitation no earlier than one (1) year from the denial. The visitor shall be advised that the decision of the Facility Head may be appealed to the appropriate Executive Director of Adult Facilities or Executive Director of Juvenile Services.

If the visitor appeals the Facility Head's denial, the appropriate Executive Director of Adult Facilities or Executive Director of Juvenile Services shall review the appeal. If the Executive Director overturns the Facility Head's decision upon review or on appeal, the Executive Director shall notify the visitor and Facility Head issuing the gate closure as to the decision. The Facility Head shall be instructed to lift the gate closure and allow the visitor to have visits at the facility. Also, the Executive Director making the decision shall send an e-mail to all facilities advising that the gate closure has been lifted. If the Executive Director upholds the Facility head's decision, the visitor shall be so notified and advised that this decision may be appealed to the Facility Head of the facility housing the offender one (1) year from the date of the Executive Director's decision.

Operational Procedures shall be developed that include notification to the appropriate Executive Director of all facility gate closures. The Restrictions Report shall be printed routinely by the facilities to monitor the denial or suspension of visitation privileges or gate closures.

XVII. VOLUNTEERS:

Volunteers are subject to the provisions of this policy and administrative procedure and Policy 01-03-103, "The Development and Delivery of Community Involvement Program." Visits by volunteers as a part of an approved volunteer program at the facility shall be in addition to an offender's normal visiting schedule. Volunteers shall be advised of the facility's visitation rules/procedures during the volunteer's orientation training.

Persons who are providing services to offenders in a volunteer capacity may be allowed to visit an offender outside of the approved volunteer program. Persons who are on an offender's visitation list may be permitted to provide volunteer

services at the facility housing the offender if the volunteer's program duties are such that visiting the offender would be in the best interests of the program and the offender. Volunteers may be allowed to visit an offender at a facility not receiving their services. However, they are to report to the Facility Head or designee of the facility where their services are provided and the Facility Head of the facility housing the offender that they are visiting an offender at another Department facility.

XVIII. BODILY CONTACT BETWEEN OFFENDERS AND VISITORS:

Offenders and visitors may be physically separated. In those cases where an offender and visitor are permitted contact, the offender and visitor may be permitted to shake hands, embrace or kiss briefly at the beginning and end of the visit. There shall be no kissing or embracing during the actual visit. Offenders may hold hands with their visitors during the visit; however, offenders shall not touch any other part of the visitor's body. Children too small to sit in a chair by themselves may sit on the offender's lap during the visit. Operational procedures shall set forth acceptable limits for bodily contact between offenders and visitors and be consistent with the security needs of the facility.

Denial of contact visits shall be based upon a reasonable suspicion that to allow the offender contact visits would jeopardize the safety and security of the facility or the persons involved or may lead to the introduction of contraband or prohibited property. The denial of contact visits shall require the same notice and right to appeal as outlined in Procedure XV. Offenders who are placed on non-contact visitation may have the option of regular non-contact visits, intra-facility video visitation or video visitation through a vendor, if these options are available at the facility. There shall be no cost for intra-facility video visitation; however, there may be a cost associated with video visitation provided by a vendor.

Non-contact or video visits shall not be imposed as a disciplinary sanction unless the basis for the imposition of non-contact visits is an action that took place during a visit and the sanction is listed on the **REPORT OF DISCIPLINARY HEARING**. Non-contact or video visits may be imposed as an administrative action by the Facility Head based upon a staff member's written recommendation and justification indicating reasonable knowledge or information and belief that non-contact visitation is appropriate.

Any imposition of non-contact or video visits must have the written approval of the Facility Head or designee.

Offenders who are found guilty of certain violations of the applicable disciplinary code shall be subject to non-contact or video visits for prescribed periods of time. Following review and approval by the Facility Head or designee, offenders who

have been found guilty of the following disciplinary code offenses may be permitted only non-contact or video visits:

- Testing positive for the use of a controlled substance.
- Unauthorized possession of an electronic device (e.g., cellular telephone, pager, etc.) or altering an approved electronic device to use it as a charger for a cellular telephone.
- Refusal to submit to a test to determine the presence of a controlled substance.
- Possession and/or distribution of a controlled substance.
- Possession of a firearm or deadly weapon, including ammunition, or an explosive device.
- Multiple findings of guilt for use or possession of tobacco, tobacco associated products or unauthorized tobacco substitute products (including, but not limited to, more than one lighter, more than one box of matches, more than one package of cigarette rolling papers, etc.)
- Possession of escape materials.

Additionally, upon recommendation of staff and approval of the Facility Head, an offender may be considered for non-contact or video visits for violations of other disciplinary codes, including but not limited to:

- Batteries;
- Sex related offenses;
- Physically resisting staff;
- Possession, use or making of intoxicants;
- Escape or attempted escape;
- Trafficking; or,
- Violations that occur in the Visiting Room or associated areas.

If the Facility Head determines that the evidence supports the imposition of non-contact or video visits, the offender shall be allowed only non-contact or video visits based upon the following guidelines:

- First offense - Six (6) month of non-contact or video visits
- Second offense following a previously imposed non-contact or video visit restriction - Twelve (12) months of non-contact visits
- Third and subsequent offenses following two (2) previously imposed non-contact or video visit restrictions - Permanent non-contact or video visits

In order to impose either 12 months of non-contact or video visits or permanent non-contact or video visits the offender must have been placed on six (6) months

and/or 12 months of non-contact or video visits previously. The offender must have progressed through the lower levels of non-contact or video visits. Simply finding an offender guilty of any of the above offenses and not imposing non-contact or video visits shall not entitle the offender to be given a longer period of non-contact or video visits following the next finding of guilt. Additionally, non-contact or video visits imposed in a prior period of incarceration or in a prior commitment period shall not be considered when imposing non-contact or video visits in the current commitment.

These restrictions shall not be considered as a part of any disciplinary action taken against the offender for guilty findings for any of the indicated offenses; but, shall be an administrative action in addition to any disciplinary action taken against the offender. The Disciplinary Hearing Body or Screening Officer shall notify the Facility Head or designee of any offender who has been found guilty of any disciplinary code violation which may result in a recommendation for non-contact or video visits.

When a decision is made to permit only non-contact or video visits, the offender shall be notified in writing by use of State Form 43324, MODIFICATION OF VISITING PRIVILEGES. This notification shall include: the reason for the imposition of the non-contact or video visits; the time period for the imposition of non-contact visits; and, the offender's right to appeal the decision through the procedures for Policy 00-02-301, "Offender Grievance Process." In those cases where the non-contact or video visits apply only to a specific visitor, the visitor shall be notified in writing of the decision and his/her right to appeal this action to the Executive Director of Adult Facilities or Executive Director of Juvenile Services.

Following the imposition of non-contact or video visits and the exhaustion of appeals through the Grievance Process, an offender who has been placed on permanent non-contact or video visit status may request that this status be reviewed two (2) years from the date of the decision to impose non-contact or video visits. The offender shall submit a written request to the Facility Head asking that the imposition of non-contact or video visits be reconsidered. The Facility Head shall review the request and the offender's record during the two (2) year period and render a decision. If the Facility Head denies the request, the offender may appeal the decision to the appropriate Executive Director of Adult Facilities or Executive Director of Juvenile Services. The Executive Director shall review the request and the Facility Head's comments and render a decision. The decision of the Executive Director shall be final. If the request is denied, the offender may submit another request to the Facility Head one (1) year from the date of the final denial.

When non-contact or video visits are imposed, the Facility Head or designee shall ensure that all appropriate areas, including the information desk, visitor processing area and the Classification Department, are notified of this action. Passes granted to the offender for the purpose of visitation shall be clearly marked “non-contact or video visits.”

Facilities shall develop operational procedures to ensure that non-contact or video visits are authorized and implemented in accordance with these administrative procedures.

XIX. SUPERVISION OF VISITING ROOM:

The following rules shall be maintained in the visiting area Post Orders:

1. Facilities must provide direct visual supervision of the entire visitation area at all times. Staff must position themselves throughout the visitation area to maintain a direct line of sight on interactions between offenders and visitors. While mirrors or cameras can augment direct supervision and compensate for blind spots, staff will position themselves with a direct line of sight on interactions between offenders and visitors.
2. Staff shall immediately intervene on inappropriate behavior, which may include behavior outside the bounds of permitted intimacy, or involve any violation of visiting regulations that may prove uncomfortable, disruptive, or offensive to other offenders and visitors.
3. Should inappropriate behavior result in an incident report or termination of the visit, staff must provide the reasons for terminating a visit in writing, by using State Form 3779, DENIAL/RESTRICTION OF VISITATION PRIVILEGE, to the offender who in turn may appeal the action to the facility administrator.
4. Notices will be posted informing visitors of the potential for monitoring anywhere in the visiting area, e.g., staff of the same gender as the visitor should monitor the restrooms during visits if there is a reasonable suspicion that a visitor or offender may engage or be engaging in some form of prohibited behavior.

XX. RESTRICTIONS ON VISITS WITH MINORS:

Adult male and female offenders who have a current or prior sex offense adjudication and/or conviction involving a minor may be restricted from receiving visits from minors (i.e. persons under the age of 18 years of age excluding spouses who are not the offender’s victim).

A. INTAKE ASSESSMENT:

1. When an offender is received at a Department Intake Unit, staff at the Intake Unit shall review the offender's records to determine whether there has been either a conviction as an adult or adjudication as a juvenile for a sex offense involving a minor. Staff at the Intake Unit shall complete the INITIAL SEX OFFENSE CHECKLIST for all offenders committed for a sex offense and shall include information relating to the offense. If there is such a conviction/adjudication, the offender's record shall be marked with a "Y" (for Yes) in the "VMR" (Visitor-Minor Restriction) field in the Offender Information System (OIS). This data is entered into the "Current Classification" screen. The "VMR" flag can then be viewed in the "Current Classification" screen and above the Offender's DOC Number on the "Visitor List" and "Visitor Log" screens.
2. Any offender identified as having a sex offense involving a minor shall be notified in writing of the visitation restriction with minors. State Form 3779, "Denial/Restriction of Visitation Privilege," shall be used for this purpose. The offender shall be advised that his/her visitation with minors will be restricted until his/her records have been thoroughly reviewed and he/she meets with the Unit Team at the housing facility. A copy of the completed State Form 3779 shall be placed in Section 5 of the offender's facility packet.
3. The following visiting restrictions for minor visitors shall be imposed:
 - a. Offender with no current or previous sex offenses involving a minor – No restrictions on minor visitation.
 - b. Offender with no sex offense(s) in the current commitment period and a previous sex offense that did not involve a minor – No restrictions on minor visits.
 - c. Offender with a no sex offense(s) in the current commitment period and a previous sex offense involving a minor:
 - (1) If the offender was discharged from supervision 10 or more years prior to the current commitment – Non-contact visits with minors.

(2) If the offender was discharged from supervision less than 10 years from the current commitment – No minor visitation.

(3) If the offender has multiple sex offenses involving minors or the use of force or threat of force was used (involving a minor) – No minor visitation.

d. Offender with a sex offense involving a minor in the current commitment period: No minor visitation.

B. HOUSING FACILITY ASSESSMENT:

1. Upon receipt of the offender at the housing facility and during the admission and orientation (A & O) process, staff shall determine whether the offender is a “VMR” offender. If the offender is a “VMR” offender and has requested that minors be placed on his/her visitation list, the staff in A & O shall advise the offender’s Unit Team of the “VMR.” During the Unit Team’s first meeting with the offender, the “VMR” designation will be discussed with the offender. The offender shall be advised as to any minor visitation restrictions. Unit Team staff shall complete the facility review determining whether the offender should be allowed to have minor visitation. Until the Unit Team completes the review and advises the offender, the offender shall be restricted as indicated above.

a. The offender must not have had any disciplinary code violations for any sex related offenses during the preceding 12 months.

b. The intended visitor must be documented in the offender’s packet as the offender’s child or grandchild (including step-children and step-grandchildren) and must not have been a victim of the offender.

c. The offender has not been adjudicated/convicted of any other sex offense and there is no documentation, in the offender’s records, indicating the offender has/had multiple victims. If the offender has multiple counts for sex offenses in the current commitment period, these offenses shall count as only one (1) offense if there was a single victim.

- d. The offender must not have had any other visitation restrictions for sexually related activities within the preceding 12 months.
 - e. There must be no known court orders restricting/prohibiting the offender's contact with the intended minor visitor(s).
 - f. The circumstances surrounding the triggering adjudication(s)/conviction(s) indicate the minor, though legally incapable of consenting, was not compelled by force or threat.
2. The Unit Team shall review the responses to the above questions. If the responses to Questions a, c, d, e and f are in the negative and the response to Question b is in the affirmative the offenders shall be permitted or denied visitation with minors as indicated in XIX A 3.

If any of the responses to Questions a, c, d, e or f are in the affirmative or if the response to Question b is in the negative, the offender shall not be permitted to have visits with minors.

The Unit Team shall notify the offender in writing of its decision regarding visits with minors. If there is a restriction, either non-contact or no visits, the Unit Team shall use State Form 3779 for this purpose.

- C. Offenders who are denied visits with minors shall automatically receive a Case Review to ensure that the restriction is appropriate. The Facility Head or designee shall forward all pertinent material regarding the reason for the restriction to the Division of Mental Health in Central Office.

The SOMM Program Manager in Central Office shall complete a Case Review of the offender and make a determination as to whether there should be any changes in the decision of the Unit Team. The decision of the Central Office staff shall be final. There shall be no appeal through the Offender Grievance Process of this decision as the decision to restrict the visits will automatically be reviewed by Central Office.

The SOMM Program Manager in Central Office shall submit a copy of the Case Management Review Summary to the Facility Head of the facility housing the offender with a decision regarding whether visits with minors are to be permitted and any restrictions on these visits. The Facility Head shall review the decision in the Case Management Review Summary and

ensure that the decision is implemented. The Facility Head shall ensure that the Case Management Review Summary is filed in the offender's facility packet.

If the decision is to grant the visits, the Facility Head shall ensure that the offender is notified that the requested visits are granted contingent on the following:

1. The offender must consent to send State Form 50270, **SEX OFFENDER VISITATION WITH MINOR VISITATION DISCLOSURE** at his/her expense to the parent/legal guardian of the intended visitor(s) and the parent/legal guardian must complete the form. This form shall indicate the offender's offense; the circumstances of the offense; an agreement to accept responsibility for a minor to visit the offender; agreement to abide by all of the facility's visitation rules; and, the conditions of the visit. This form must be completed and returned to the facility.
2. Whenever a visit occurs, a picture identification card must be presented for each minor visitor. (Picture identification cards are available from the Bureau of Motor Vehicles License Branches).

The child(ren) may visit the offender only in the company of the parent/legal guardian unless prior approval has been given, in accordance with these procedures, to allow another adult to accompany the child(ren) to the facility.

If all of the above conditions are met, visits with the requested minor(s) who are immediate family may occur.

If the intended minor visitor is the legal spouse of the offender and the marriage can be verified through the offender packet or by the spouse providing documentation, the spouse shall be permitted to visit the offender. In cases where the spouse was the victim of the offender, if approved in the Case Management Review, the spouse may be allowed to visit the offender.

Once visitation has been granted, the Facility Head shall ensure that the approval is noted in the "Comment" field in the "Counselor's Approval List" in OIS while retaining the "Y" indicator on the "VMR" field. The original approval and Case Management Review Summary shall be filed in the offender's packet with other visitation documents.

- D. The decision to allow an offender to have visits with minors shall be honored by all facilities as long as the offender continues to meet the stated criteria

and continues to make progress towards his/her RAP.

- E. During the development of the Offender's Re-Entry Accountability Plan (RAP) the Unit Team shall discuss any restrictions placed on the offender's visitation with minors. The Unit Team shall advise the offender that if the offender makes substantial progress in meeting the needs identified in the RAP, the offender may have the restriction lessened or removed. Substantial progress means that the offender has made significant strides in completing any programs identified that may impact the likelihood that the offender will re-offend. For example, if the offender successfully participates in the SOMM Program, the approved Substance Abuse Program or other programs, such as "Thinking for a Change" or an approved Anger Management Program, the Unit Team may consider lessening the visitation restriction.
1. The offender's minor visitation restrictions shall be reviewed during each RAP review. If the Unit Team determines that the offender has made significant progress in addressing the areas in the RAP, the Unit Team shall contact SOMM staff, if available at the facility, to discuss modifying the restrictions on minor visitation. The Unit Team shall submit a recommendation based upon its findings and the input from the SOMM staff to the Facility Head for a decision.
 - a. If the Facility Head approves lifting the restriction, the Unit Team shall notify the offender that he/she may have contact visits with his/her children.
 - b. If the Facility Head denies the lifting of the restriction, the Unit Team shall advise the offender of the decision and the reason for the decision. The offender shall be advised that he/she shall be reviewed again in six (6) months.
 - c. The decision of the Facility Head shall be final.
 2. Offenders who have been placed on no minor visitation shall be required to remain on this restriction for one (1) year before being considered for non-contact visits with minors. The Unit Team shall meet with the offender during the next RAP review following the end of the one (1) year period and shall review the offender's behavior and progress in addressing those areas indicated in the RAP. If the Unit Team believes that the offender's behavior has been appropriate and that he/she has made appropriate progress in addressing the issues in his/her RAP, the Unit Team shall contact SOMM staff, if available at the facility, to obtain their opinion about lifting the restrictions on the offender's visitation with minors. The Unit Team shall submit a recommendation based upon its findings

 - d. The decision of the Facility Head shall be final.
- F. The Unit Team shall review any disciplinary actions taken against the offender, any visitation restrictions imposed, the offender's progress toward completing the requirements in the RAP and whether the offender continues to meet the criteria for minor visitation. The Unit Team shall make a determination as to whether the offender's minor visitation status should be revised and, if a change appears appropriate, shall submit a recommendation to the Facility Head.

If the offender, after having been approved for visits, fails to continue to meet any of the above criteria or exhibits any behavior that raises concerns about the safety or security of the facility or the public, the approval for any visits with minors shall be rescinded immediately.

- G. In certain cases, visits with minors may be permitted even if the offender does not meet all of the above criteria and a Case Management Review has not been conducted. Unless prohibited by a court order, the Facility Head may approve a visit with minors who are immediate family members in the following situations:
1. The offender is in the last stages of a terminal illness and it appears that the offender's death is imminent.
 2. A therapeutic visit is requested by the victim's licensed therapist. those to be present at the meeting. Additionally, the therapist must provide a signed statement from the victim or the victim's parent/legal guardian, if the victim is still a minor, authorizing this visit and a copy of the therapist's state license. The Facility Head shall review this request and determine whether it appears that to permit such a visit will be in the best interests of all parties. If the proposed visit appears to be appropriate, the Facility Head or designee shall contact the offender to ensure that the offender agrees to such a meeting. If the Facility Head approves such a visit and the offender agrees to the visit, a written notification, indicating the date and time of the visit, shall be sent to the therapist. The permission for such a therapeutic visit shall be for one (1) visit only. If the therapist believes that another visit is necessary, the therapist must obtain approval for any subsequent visits, in accordance with the above process.

3. The facility receives a court order instructing it to allow the offender to visit with a specific minor. If a facility receives a court order for a VMR offender to be permitted visitation with a minor, the facility shall contact the Division of Legal Services as soon as possible. The Division of Legal Services shall contact the court and advise the facility as to what action is to be taken.

Facilities shall develop operational procedures to ensure that VMR offenders are identified and that all appropriate reviews are conducted. Additionally, operational procedures shall indicate that the Facility Head shall designate a staff person who shall be the VMR contact person for requests to allow visits with minors for VMR offenders.

XXI. EMERGENCY SITUATIONS:

When the Facility Head determines that an emergency situation exists as presented in Policy 02-03-102, "Emergency Response Operations," any or all visits shall be suspended. Any visits in progress shall be terminated and the visitors escorted from the facility.

In cases where the Facility Head or designee determines that it is in the best interest of the facility, visitors or offenders, the Facility Head or designee may suspend any or all visitation privileges. In those cases, the Facility Head or designee shall notify the individuals involved that the visit is terminated. The individuals involved in the terminated visit shall be advised if and/or when a visit may occur again.
