Bulletin 272

PUBLIC ADJUSTER CONTRACTS

This bulletin is directed towards all public adjusters holding a certificate of authority to act as a public adjuster in the state of Indiana pursuant to IC 27-1-27. The purpose of this bulletin is to clarify the new contract form review and approval process under Public Law 226-2023 (HEA 1329).

The Indiana General Assembly passed Pub. L. 226-2023 during the 2023 Legislative Session. Effective July 1, 2023, a contract between a public adjuster and an insured (1) must be in writing; and (2) must be prepared on a form filed with and approved by the insurance commissioner; and (3) must be executed in duplicate pursuant to IC 27-1-27-13(b). Additional requirements regarding disclosures and contract provisions are described in IC 27-1-27.

In order to comply with these new requirements, public adjusters are required to file all contract forms with the Department for review and approval prior to use. Public adjusters must submit the below completed checklist along with a contract form. When completing the checklist, the public adjuster is expected to address each checklist item and provide the specific location(s) in the document addressing the requirement. Any public adjuster using a contract form not filed with and approved by the Department will be in violation of IC 27-1-27-13.

New contracts in effect as of July 1, 2023 and before issuance date of Bulletin 272

New public adjuster contract forms in use as of July 1, 2023 and before the issuance date of Bulletin 272 are required to be filed with and approved by the Department by January 30, 2024. The Department shall have thirty (30) days from the date the contract form was received to review and approve these contracts. Contracts already in effect prior to July 1, 2023, are not subject to review and approval by the Department.

Contracts in effect after issuance date of Bulletin 272

Public adjuster contract forms to be used after the issuance date of this bulletin are required to be filed with and approved by the Department prior to use. The Department shall have thirty (30) days to review and approve these contract forms.
