You may qualify for extra help paying for your Part D prescription costs if your resources are limited to $13,820 for an individual or $27,600 for a married couple living together. Your monthly income must also be limited to $1,528 for an individual or $2,050 for a married couple living together. Even if your income is higher, you may still be able to get some help. For more information, contact your local Area Agency on Aging at 1-800-986-3505 or call SHIP at 1-800-452-4800.

Some plan’s pharmacy networks offer limited access to pharmacies with preferred cost sharing in certain areas. The lower costs listed for medications in the completed comparison may not be available at the pharmacy that you use. For up-to-date information about a plan’s network pharmacies, including pharmacies with preferred cost sharing, you will need to call the plan or consult their online pharmacy directory.
