Indiana Instructions for 2025 Annual Statement Filing

Please Note:

The Indiana Department of Insurance has partnered with the National Association of Insurance Commissioners (NAIC) in the use of OPTins, an online premium tax filing system. OPTins offers insurance companies the ability to submit their quarterly and annual premium tax filings, annual renewal fees and payments electronically.

Companies are encouraged to make such filings by utilizing OPTins. It is requested that if companies use OPTins for making such filings that all future filings be submitted through OPTins.

1. All Annual Statement filings will need to be uploaded via the Document Submission Portal. IDOI no longer requires hardcopy filings to be submitted. To gain access to the Document Submission Portal, you will need to enter the company's NAIC ID and eight-digit numerical PIN that the IDOI assigned to your company. If you do not know your PIN, you will need to enter NAIC ID before clicking on the "Need PIN?" link on the initial portal page. You will be provided with the Company's PIN Contact. If the PIN Contact has changed or needs established, please send a request for PIN to the Financial Services main email reflected in the notes below.

All filings that are required to be filed with our office will be reflected on the company's record in the Document Submission Portal. Filings that are visible with no upload option will need to be sent via email to the Financial Services' main email address reflected in notes below

Filings that are amended or have inadvertently been uploaded to the incorrect filing a request will need to be sent to the Financial Services email to request the filing record be reset to pending. IDOI can only remove incorrect filings from the record. If submitting an amended filing, please ensure to name the file accordingly so IDOI can identify the most current filing.

Filings will not be generated and available for upload until mid-January.

2. Changes to the 2024 Annual Statement as the result of correspondence with this Department, or due to the requirements of other Insurance Departments of which this Department has been notified, should be taken into consideration when preparing the 2025 Annual Statement.
3. Changes resulting from a Department Examination must be reflected in this Statement.
