

June 25, 2019

HIP stakeholder/navigator,

Starting next month, as part of the [Gateway to Work](#) program, about 72,000 HIP members will need to start reporting their qualifying activities via the FSSA benefits portal or their health plan. We are working to ensure these members know *how* to do this, and have developed several resources to help. As a HIP stakeholder or health coverage navigator, you play an essential role in helping educate members, so we encourage you to learn about and use these resources.

- A [new page](#) has been added to the HIP/Gateway to Work website with instructions.
- The new page also includes [this video](#), which walks the viewer through the process. It is also posted on YouTube for sharing directly with clients and via social media.
- The [Helpful Tools](#) section of [www.HIP.IN.gov](http://www.HIP.IN.gov) has been updated with materials you can order – including the [postcard](#) recently mailed to members that can be used as a handout. Also, this [new poster](#) is available for order. Please consider posting these in any areas where our Gateway to Work reporting members may see it. If you have any question about these materials or about the process members will use to report their qualifying activities, please email [HIP@fssa.IN.gov](mailto:HIP@fssa.IN.gov) or contact me at the information below.

Thank you,

Jim Gavin, APR  
Director of Communications and Media  
Indiana Family and Social Services Administration
