Important Notices

Print Your License Online - The ability to print Indiana licenses online is now available for individual and business entity producers, consultants, and public adjusters. With this online service, these licensees will be saved the delay of requesting a copy from the Indiana Department of Insurance and waiting for it to arrive in the mail.

To print a license online, select "Print a license" in the left-hand column of this page. This service is free for up to 30 days after license approval and renewal for license applications and license renewals completed through Sircon's Compliance Express. Duplicate license copies can be printed at any other time for a service fee of \$5.00.

The Department will continue to mail hard copies of new and renewal licenses on specially secure paper to resident producers, consultants and public adjusters only. The Department will no longer mail hard copies of new, renewal, or duplicate licenses to non-resident producers, consultants and public adjusters.

License Profile - You may now obtain your own license profile by clicking on the **Check Your Status with a State** link to the left. [Click here](#) to see all of the information contained in the license transcript. A \$3.00 service fee applies.

Free CE Transcript - You may now check the status of your continuing education compliance. For a free continuing education transcript, click on "Look up Education Courses/Credits" in the left-hand column and then click on "Continuing Education Transcript Inquiry."

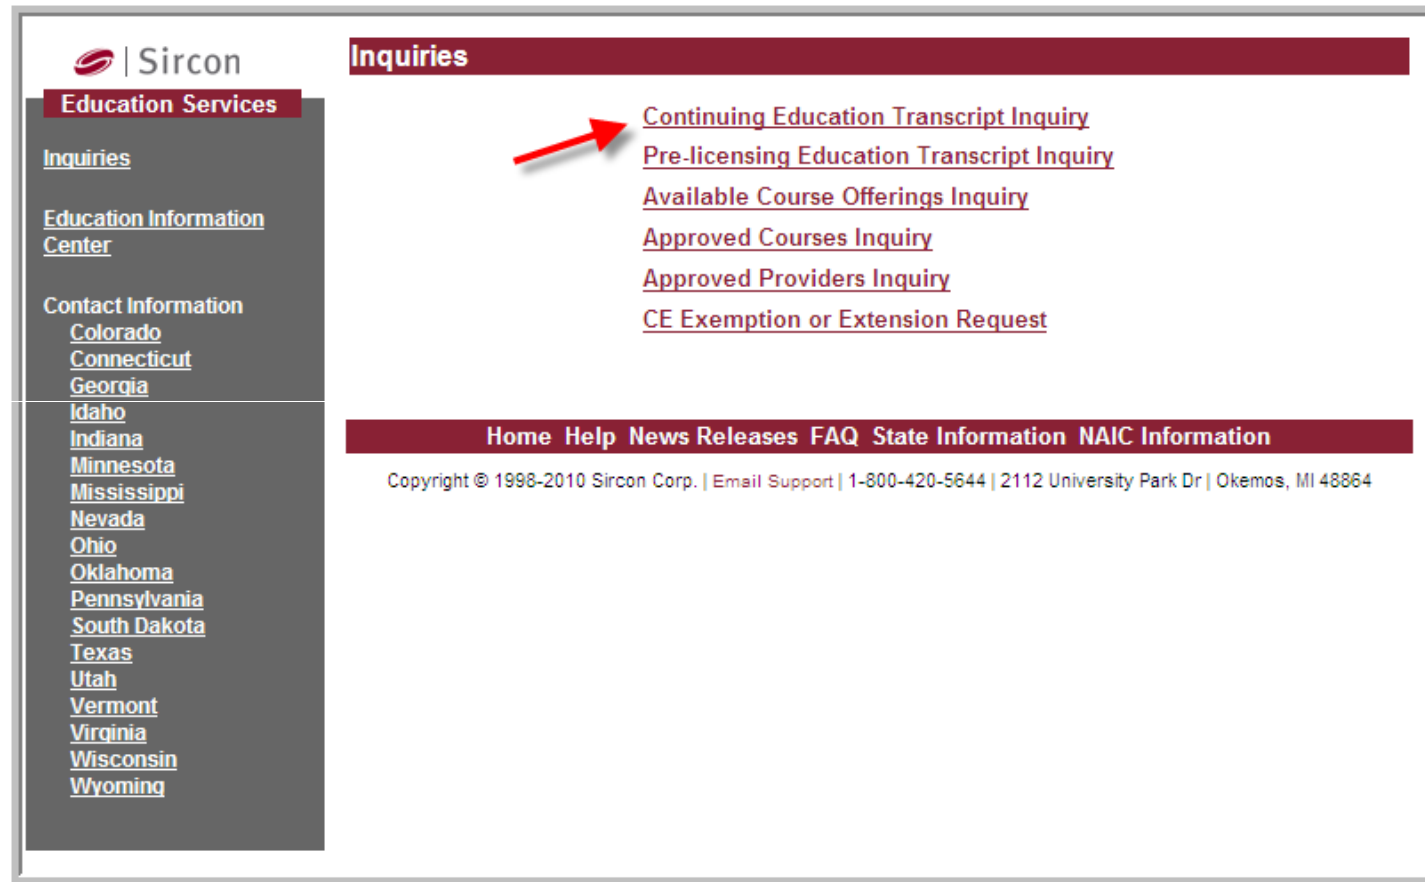

We recommend **ProducerEDGE** to our insurance producers, adjusters, and CSRs tasked with managing their own personal compliance.
