- Other states may require your resident Indiana license to be surrendered/ inactivated or an Indiana Letter of Clearance to be issued to you in order to obtain a resident license in that state. To cancel your Indiana license, please submit the [Service Request Form](#) to the Department of Insurance. **The Department of Insurance no longer issues Letters of Clearance. Once cancelled, cancellation of your license may be confirmed by a state online through the National Insurance Producer Registry.**

- You may submit a license renewal application online through [www.sircon.com/Indiana](http://www.sircon.com/Indiana) or [www.nipr.com](http://www.nipr.com).
