## SCOPE OF EXAMINATION

The present risk-focused examination was conducted by Noble Consulting Services, Inc., and covered the period from January 1, 2019, through December 31, 2023, and included any material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination.

The examination was conducted in accordance with the NAIC *Financial Condition Examiners Handbook* (Handbook). The Handbook requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

The examination of the Massachusetts domestic insurance companies of Liberty Mutual Group (LMG) was called by the Massachusetts Division of Insurance (Division) in accordance with the Handbook guidelines, through the NAIC's Financial Examination Electronic Tracking System. The Division served as the lead state on the examination, and the INDOI and the insurance departments from Arizona, California, Connecticut, Illinois, Iowa, Minnesota, New Hampshire, Ohio, Oregon, Texas, and Wisconsin served as participants.

The actuarial specialists of Risk & Regulatory Consulting LLC provided all actuarial services throughout the examination and conducted a review of the Company's actuarial-related risks as of December 31, 2023.

The investment specialists of Risk & Regulatory Consulting LLC provided all investment services throughout the examination and conducted a review of the Company's investment-related risks as of December 31, 2023.

The reinsurance specialist of Risk & Regulatory Consulting, LLC provided all reinsurance services throughout the examination and conducted a review of the Company's reinsurance program and related risks as of December 31, 2023.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

This examination report includes significant findings of fact, as mentioned in the Indiana Code (IC) 27-1-3.1-10 and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

Prior to January 1, 2013, LMIC was organized with two (2) separate and distinct intercompany reinsurance pools, the Pool and the Peerless Pool. Effective January 1, 2013, the Peerless Pool was merged into the Pool and thus dissolved.

After recording all of the affiliate transactions, LMIC records 100% of its external assumed and ceded reinsurance and the net underwriting activity is retroceded to the LMIC Pool participants in accordance with each company's pro-rata pooling participation percentage as noted below, except for Wausau Business Insurance Company, Wausau General Insurance Company and Wausau Underwriters Insurance Company, which cede 100% of its underwriting activity to Employers Insurance Company of Wausau, which then 100% retrocedes to LMIC to be included in the LMIC Pool.

Effective July 1, 2017, NIA is party to Addendum 1 to the Intercompany Reinsurance Agreement. Addendum 1 amends the Agreement to add two (2) new affiliates, Ironshore Specialty Insurance Company and Ironshore Indemnity Inc., which were acquired on May 1, 2017.
