(Effective July 1, 2025)

### Ancillary Providers

- 80410** Chiropractor
  - 80750** Occupational Therapist
  - 80938** Physical Therapist
  - 80969** Inhalation/Respiratory Therapist
  - 80998** Nurse - RN/LPN
  - 80999** Corporate Liability

- An Ancillary Provider pays surcharge at 100% of the underlying premium (or the \$100 statutory minimum, whichever is greater).
  - An Ancillary Provider may be considered an employee of a corporation and may share the limits of a corporation, unless they are a member of a partnership or professional corporation per IC 34-18-4-4.
  - The surcharge for a Reporting Endorsement for an Ancillary Provider is 100% of the underlying tail policy premium (or the \$100 statutory minimum, whichever is greater).

### Independent Ancillary Providers

- Independent Ancillary Provider (IAP) rates are a percentage of the Physician Class 1 rate.
- IAP ISO codes are defined by license, not job function. For example, an individual who is licensed as both a Registered Nurse and a Nurse Anesthetist must use the Nurse Anesthetist ISO code and pay the Nurse Anesthetist surcharge regardless of their job duties.
- An IAP may only share in the limits of a hospital, psychiatric hospital, or nursing home per 760 IAC 1-21-10(f); they may not share in the limits of a Corp.
- Part-time discounts are allowed.
