DEPT. OF INSURANCE

MOTION TO VACATE ADMINISTRATIVE ORDER OF NONRENEWAL OF LICENSE

The Enforcement Division of the Indiana Department of Insurance ("Department"), by counsel, Joseph Bossinger, now moves for the Administrative Order and Notice of Nonrenewal of License issued on March 11, 2021, in the above-captioned matter be vacated. In support of this request, the Department states the following:

1. The Indiana Department of Insurance issued Raymond J. Smith ("Respondent") nonresident independent adjuster license number 3405619 ("Respondent's License") on January 4, 2019.
2. On July 20, 2020, Respondent attended an initial pretrial hearing for the crime of Unlawful Possession of a Controlled Substance, a Class 4 Felony, in Cook County, Illinois under case number 20-CF-373.
3. On January 6, 2021, Respondent submitted an application to renew Respondent's License, responding "Yes" to a question asking, in part, if Respondent had been

convicted of a felony, had a judgment withheld or deferred, or if Respondent is currently charged with committing a felony.

4. On January 22, 2021, Respondent provided the Department a written statement explaining the circumstances of the reported felony matter, which included the sentence, "I plead guilty to receive first offense felony probation."
5. On March 11, 2021, interpreting Respondent's written statement in the literal sense, the Department issued Respondent an Administrative Order and Notice of Nonrenewal of License, pursuant to Indiana Code § 27-1-28-18(b)(6), for having been convicted of a felony, and, pursuant to Indiana Code § 27-1-28-18(b)(2), for failing to report the criminal action taken against Respondent not more than thirty (30) days after the final disposition of the matter.
6. After further review of this matter, it was learned that Respondent entered into a First Offender Probation agreement on November 23, 2020, pursuant to Illinois Code 720 ILCS 570/410, which provides, in pertinent part, that the court, without entering a judgment, may sentence the defendant to probation and that such sentence shall not be considered a conviction unless a judgment is entered.
7. On November 21, 2022, Respondent was successfully discharged from the First Offender Probation agreement, and case number 20-CF-373 was dismissed without conviction.
8. Since case number 20-CF-373 was dismissed without conviction, there was no final disposition of the matter as contemplated under Indiana Code § 27-28-18(c), and there was no felony conviction violation as contemplated under Indiana Code § 27-28-18(b)(6).

WHEREFORE the Department respectfully requests the Administrative Order and Notice of Nonrenewal of License issued on March 11, 2021, in the above-captioned matter be vacated and for all other just and proper relief in the premises.

Respectfully requested,

/s/Joseph Bossinger
