

WE WANT YOU!!!

ENVIRONMENTAL

Tuesday - Thursday

May 7-9, 2013

8:30am - 5pm

NIRPC office

6100 Southport Road

Portage, Indiana

A 3-day workshop

to acquaint local officials in Northwest Indiana with:

- Relevant environmental regulations.
- Agencies and leadership that administer these regulations.
- What it takes to operate in environmental compliance.
- Strategies for successful brownfield redevelopment.
- Real regional case studies.

*Event Partners: US Environmental Protection Agency,
Northwestern Indiana Regional Planning Commission,
Technical Assistance to Brownfields,
Indiana Department of Environmental Management
Indiana Finance Authority*

Registration Fees:

FULL PASS: \$85.00

2 Day Pass: \$65.00

1 Day Pass: \$45.00

Lunch & Snacks Included

Checks payable to N.I.R.P.C. send to above address. No cash or credit cards accepted, invoicing available. Payment due May 1, 2013.

Boot Camp scholarships are available, inquire with registration.

***Who should attend?** City and town elected officials, department supervisors, property managers, planners, engineers, economic and redevelopment officials and leaders.*

***Three days is a big commitment? Why attend all three days?** Anyone interested in redevelopment or brownfields clean up you should attend all three. A good baseline understanding of permitting and operational compliance is important for both effective municipal management and attracting quality economic development. Compliance applies to existing and future activities and help redevelopment projects be delivered on-time and on-budget.*
