This administrative record index has been prepared in cooperation between the Indiana Finance Authority (IFA), through the Indiana Brownfields Program (Program), and the City of Logansport for the Revolving Loan Fund (RLF) Subgrant from the IFA to the City, for the cleanup of the Former Exide Battery Factory located at 303 Water Street in Logansport, Indiana (Site). This administrative record index is provided in accordance with the public notice requirements of the IFA's Brownfield RLF Cooperative Agreement with the U.S. Environmental Protection Agency (U.S. EPA).

Subgrantees utilizing U.S. EPA funding for cleanups must provide the community with an opportunity to provide input on Site cleanup and remediation. The public must also have the opportunity to comment on the various required documents drafted in preparation for the environmental cleanup, and any comments must be considered as part of final cleanup decisions. The following documents are provided at the public repository at the Logansport Cass County Public Library at 616 East Broadway Street in Logansport, Indiana 46947:
