Agenda:

A regional water planning group is forming in northeast central Indiana. The meeting is intended for Grant, Miami, Wabash, Huntington, Wells, Blackford, Adams, Jay, Delaware, Randolph, Henry, Wayne, Fayette, and Union counties, but open to all interested drinking water, wastewater, and stormwater utilities. Elected officials and other interested parties are also welcome.

The purpose of the meeting is two-fold: one, to meet with neighbors to identify regional needs and two, to fulfill the legislative requirement to be eligible for State-supported financial resources.

The IFA will help lead a group conversation about the following topics:

1. Background/purpose of regional meetings
2. Proposed boundaries for the Northeast Central Region
3. First steps for getting organized: when, where, what, who, name of group
4. Survey to fulfill SEA 4 (2019) reporting requirement

Presenter: Sarah Hudson, Director, Water Resources and Infrastructure Planning Program, IFA
