**KNOW ALL PERSONS BY THESE PRESENTS**, that the \_\_\_\_\_  
**[NOTE: insert name of Proposer as the Principal and delete this bracketed text]**, as Principal and \_\_\_\_\_, as Surety or as Co-Sureties, each a [corporation] duly organized under the laws of the state indicated on the attached page, having its principal place of business at the address listed on the attached page, in the State indicated on the attached page, and authorized as a surety in the State of Indiana, are hereby jointly and severally held and firmly bound unto the Indiana Finance Authority (“IFA”), in the sum of \$\_\_\_\_\_ **[NOTE: insert amount and delete this bracketed text-amount must be \$4,250,000 if a single bond is provided; multiple bonds in lesser amounts may be provided if the sum equals \$4,250,000]** (the “Bonded Sum”). This Bonded Sum reflects a portion of the total amount payable to IFA by the Principal if it is identified as the apparent highest ranked proposer or awarded a contract based on its Proposal for the development, design and construction of the Project (the “Project”), for the payment of which we each bind ourselves, and our heirs, executors, administrators, representatives, successors, and assigns, jointly and severally, firmly by these presents.

**WHEREAS**, the Principal is herewith submitting its Proposal to develop, design, construct, finance, operate and maintain the Project through a Public-Private Agreement (the “Agreement”), which Proposal is incorporated herein by this reference and has been submitted pursuant to IFA’s Request for Proposals dated as of June 26, 2015 (as amended or supplemented, the “RFP”), in accordance with the Instructions to Proposers (“ITP”) included in the RFP (initially capitalized terms not otherwise defined herein shall have the meaning set forth in the ITP);

**NOW, THEREFORE:**

1. The condition of this bond is such that, upon occurrence of any of the following events, then this obligation shall be null and void; otherwise it shall remain in full force and effect, and the Bonded Sum will be forfeited to IFA as liquidated damages and not as a penalty, upon receipt by Principal and Surety or by Principal and Sureties listed on the attached page (the "Co-Sureties") of notice of such forfeiture from IFA:

(a) Principal's receipt of written notice from IFA that either (i) no Agreement for the Project will be awarded by IFA pursuant to the RFP, or (ii) IFA has awarded an Agreement for the Project, has received the executed Agreement and other required documents, and does not intend to award the Agreement to Principal;

(b) Except as expressly provided otherwise in the RFP and/or agreed to by IFA in writing, Principal’s performance of its obligations to achieve commercial close by the applicable deadline, as such deadline may be extended in accordance with the RFP; or

(c) if IFA has not previously delivered notice of forfeiture hereunder, failure of IFA to notify Principal that it is the Preferred Proposer within 180 days after the Proposal Due Date.

2. The Principal and the Surety or Co-Sureties hereby agree to pay to IFA the full Bonded Sum hereinabove set forth, as liquidated damages and not as a penalty, within ten days after occurrence of any of the following events:

(a) Principal withdraws any part or all of its Proposal prior to the time allowed for execution of the Agreement under the ITP, as such time may be extended (including withdrawing, repudiating or otherwise indicating in writing that it will not meet any commitment made in its Proposal), without IFA's consent;

(b) Principal is selected for negotiations and fails to engage in good faith negotiations with IFA as set forth in ITP Section 5.10.1;

(c) Principal fails to achieve commercial close by the deadline set forth in the ITP, unless such failure is excused in accordance with ITP Section 4.7(d)(i)-(vii);

(d) Principal is the Preferred Proposer and fails to satisfy the conditions to award and execution of the Agreement, including, without limitation, providing the documents required under ITP Section 5.11.1 and ITP Section 6.1.1 by the deadline set forth in the ITP, without excuse under ITP Section 4.7;

(e) The Preferred Proposer fails to provide the access to or fails to participate in the review of the Escrowed Materials as set forth in ITP Section 5.11.3;

(f) Principal withdraws, repudiates or otherwise indicates prior to execution of the Agreement that it will not meet certain commitments made in its Proposal.

Principal agrees and acknowledges that such liquidated damages are reasonable in order to compensate IFA for damages it will incur as a result of Principal's failure to satisfy the obligations under the RFP to which Principal agreed when submitting its Proposal. Such damages include potential harm to the credibility and reputation of IFA's transportation improvement program, including with policy makers and with the general public, delays to the Project and additional costs of administering this or a new procurement (including engineering, legal, accounting, overhead and other administrative costs). Principal further acknowledges that these damages would be difficult and impracticable to measure and prove, are incapable of accurate measurement because of, among other things, the unique nature of the Project and the efforts required to receive and evaluate proposals for it, and the unavailability of a substitute for those efforts. The amounts of liquidated damages stated herein represent good faith estimates and evaluations as to the actual potential damages that IFA would incur as a result of Principal's failure to satisfy the obligations under the RFP to which Principal agreed when submitting its Proposal, and do not constitute a penalty. Principal agrees to such liquidated damages in order to fix and limit Principal's costs and to avoid later Disputes over what amounts of damages are properly chargeable to Principal.

3. The following terms and conditions shall apply with respect to this bond:

(a) This Proposal Bond shall not be subject to forfeiture in the event that IFA disqualifies the Proposal based on a determination that it is non-responsive or non-compliant.

(b) If suit is brought on this bond by IFA and judgment is recovered, Principal and Surety or Co-Sureties shall pay all costs incurred by IFA in bringing such suit, including, without limitation, reasonable attorneys' fees and costs as determined by the court.

(c) Any extension(s) of the time for award of the PPA that Principal may grant in accordance with the PPA or otherwise, shall be subject to the reasonable approval of Surety or Co-Sureties.

(d) Correspondence or claims relating to this bond should be sent to Surety at the following address:

**FORM OF STIPEND AGREEMENT**

**STIPEND AGREEMENT  
(I-69 Major Moves 2020 Expansion Project)**

THIS STIPEND AGREEMENT is made and entered into as of this 21st day of September 2015, by and between the Indiana Finance Authority, a body corporate and politic ("IFA") and [REDACTED], a [REDACTED] ("Proposer"), with reference to the following facts:

A. Proposer is one of the proposers shortlisted to submit Proposals for the I-69 Major Moves 2020 Expansion Project (the "Project"), and wishes to submit a Proposal in response to the Request for Proposals for the I-69 Major Moves 2020 Expansion Project issued by IFA on June 26, 2015 (as amended, the "RFP"). Initially capitalized terms not otherwise defined herein shall have the meanings set forth in the RFP.

B. The RFP provides for the execution and delivery of a Stipend Agreement between IFA and each Proposer.

NOW, THEREFORE, the Proposer hereby agrees as follows:

1. SERVICES AND PERFORMANCE

(a) By executing this Agreement, Proposer has irrevocably elected to accept payment of a stipend subject to the terms hereof.

(b) IFA hereby retains Proposer to actively participate in good faith in the procurement process and to prepare a responsive and compliant Proposal in response to the RFP. Responsiveness and compliance shall be determined pursuant to the ITP. Proposer shall be considered a vendor for purposes of payment of the stipend.

(c) Subject to the provisions of the RFP Documents regarding ownership of the Proposal and Proposer work product, all work product submitted by Proposer to IFA during the procurement and in connection with the Proposal (including all ATCs, written and electronic correspondence, exhibits, photographs, reports, printed material, tapes, disks, designs, concepts, ideas, technology, techniques, methods, processes, drawings, reports, plans, specifications, and other graphic and visual aids generated by or on behalf of Proposer for the purpose of developing its Proposal during this procurement process) shall be considered work for hire, and the products of such work shall become the property of IFA and INDOT without restriction or limitation on their use. Neither Proposer nor any of its team members shall copyright any of the material developed under this Stipend Agreement. The foregoing rights of IFA and INDOT shall not apply to work product that is expressly required to be returned to the Proposer under the RFP.

## 2. TERM

Unless otherwise provided herein, the provisions of this Stipend Agreement shall remain in full force and effect until the earlier to occur of (a) 12 months from the date of the execution of this Stipend Agreement or (b) the date payment is delivered hereunder; provided that if payment has not been made under this Stipend Agreement prior to the date referred to in clause (a) above, this Stipend Agreement shall continue in full force and effect until the date on which such payment has been made by IFA and received by the Proposer. Work pursuant to this Stipend Agreement is authorized to commence effective upon the execution date of this Stipend Agreement, and the work product is due and must be delivered to IFA no later than the earlier of (i) 15 days after delivery to Proposer of notice by IFA of the cancellation by IFA of this procurement or (ii) the Proposal Due Date.

## 3. COMPENSATION AND PAYMENT

(a) Except as set forth in Section 6.3 of the ITP, if Proposer submits a timely and responsive, but unsuccessful, Proposal by the Proposal Due Date in accordance with the terms and conditions of the RFP Documents and Proposer is eligible for the payment pursuant to the terms of this Stipend Agreement and the ITP, IFA shall pay to Proposer (or as it may direct) a stipulated stipend payment for this procurement of \$225,000. A timely and responsive Proposal shall also be considered unsuccessful if (i) IFA cancels the procurement without award after the Proposal Due Date; (ii) IFA fails to execute the PPA upon satisfaction by Proposer of all conditions to award and execution that are set forth in the ITP; and (iii) IFA does not award the PPA and achieve commercial close prior to the date on which the validity period of the Proposal expires. No Proposer shall be entitled to reimbursement for any of its costs in connection with the RFP except as specified in Section 6.3 of the ITP.

(b) If IFA awards the PPA to Proposer and commercial close, as defined under the ITP, occurs, Proposer will not be entitled to compensation hereunder, including, without limitation, payments under Section 3(a).

(d) Proposer shall be eligible to receive a stipend hereunder only to the extent permitted by this Stipend Agreement and Section 6.3 of the ITP.

(e) Invoice, waiver and release submittal requirements concerning payment of the stipend and the timing of payment of the stipend owing hereunder are addressed in Section 6.3 of the ITP. The form of invoice submitted by the Proposer shall be as set forth in Exhibit 1 hereto.

## 4. INDEMNITIES AND SURETYSHIP

(a) Proposer agrees that it will indemnify, defend, and hold harmless IFA and all of IFA's board members, officers, agents, representatives, employees, successors and assigns from any claim, loss, damage, cost, judgment, fee, penalty, charge, or expenses (including attorneys' fees and costs) asserted, incurred, suffered or awarded

as a result of or that relate to any third party claims, suits, actions, allegations or proceedings arising out of or caused by any acts, actions, negligence, omissions, fault, willful misconduct, violation of law or breach of contract by Proposer, its Equity Members, Major Participants, other team members or their respective agents, employees, or representatives arising out of or relating to the work product performed hereunder or in connection with or contained in the Proposal, whether direct or indirect, and whether to any person or property to which IFA or said parties may be subject, except that Proposer shall not be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence or willful misconduct of IFA or any of its board members, officers, agents, representatives or employees. The foregoing indemnity shall survive the expiration or termination of this Stipend Agreement and shall expressly apply to and include all third party claims, suits, actions or allegations of infringement, confidential information, domestic or foreign patent rights, copyrights, intellectual property rights, moral rights, trade secrets, proprietary rights, licensing rights and unauthorized use. Notwithstanding the foregoing, except for such matters covered by the preceding sentence, the indemnity shall not cover use by the IFA of such work product performed under this Stipend Agreement after award of the Agreement. Should the Proposer become the Design-Build Contractor under the Agreement, the indemnity under this Section 4(a) shall continue to apply in accordance with its terms and be additive to any indemnifications set forth in the Agreement.

(b) Proposer's obligation to indemnify, defend, and pay for the defense or at IFA's option, to participate and associate with IFA in defense of any claim and any related settlement negotiations, shall be triggered by IFA's notice of claim for indemnification to Proposer. Only a final and unappealable adjudication or judgment specifically finding sole negligence or willful misconduct of IFA or any of its board members, officers, agents, representatives or employees shall excuse performance of this provision. Proposer shall pay all costs and fees related to this obligation and its enforcement by IFA. IFA's failure to notify Proposer of a claim shall not release Proposer of the above duty to defend.

(c) For purposes of this Section 4, "third party" means any Person (as defined in the Agreement) other than an Indemnified Party (as defined in the Agreement) and Proposer, except that a "third party" includes any Indemnified Party's employee, agent or contractor who asserts a claim that is (a) against an Indemnified Party, (b) within the scope of the indemnities and (c) not covered by the Indemnified Party's worker's compensation program.

## 5. COMPLIANCE WITH LAWS

(a) Proposer acknowledges that all written correspondence, exhibits, photographs, reports, printed material, tapes, electronic disks, and other graphic and visual aids submitted to IFA during this procurement process, are, upon their receipt by IFA, the property of IFA and are subject to the Public Records Act.

(b) Proposer shall comply with all federal, state, and local laws; ordinances; rules; and regulations applicable to the work or payment for work thereof, and shall not discriminate on the grounds of race, color, religion, sex, national origin, age, or disability in the performance of work under this Stipend Agreement. Proposer shall also comply with all customary vendor payment requirements of the State of Indiana, including completion of a W-8 form.

(c) Proposer covenants and agrees that it and its employees shall be bound by the standards of conduct provided in applicable laws, ordinances, rules, and regulations as they relate to work performed under this Stipend Agreement. Proposer agrees to incorporate the provisions of this paragraph in any subcontract into which it might enter with reference to the work performed pursuant to this Stipend Agreement.

## 6. ASSIGNMENT

Proposer shall not assign, transfer, pledge, sell, or otherwise convey this Stipend Agreement without IFA's prior written consent, in its sole discretion; provided that this Stipend Agreement may be assigned to the special purpose vehicle formed by the Proposer for purposes of the Project without the prior written consent of the IFA but upon written notice to the IFA. Any assignment of this Stipend Agreement without the required consent of IFA shall be null and void and may, in IFA's sole discretion, disqualify Proposer from further consideration for the procurement process and the Project.

IFA may assign, transfer, pledge, sell, or otherwise convey this Stipend Agreement (a) without the Proposer's consent, to INDOT and any other Person that succeeds to the governmental powers and authority of IFA, and (b) to others with the prior written consent of Proposer. Where consent is required but not given, any assignment of this Stipend Agreement shall be null and void.
