FOR IMMEDIATE RELEASE
Friday, May 1, 2015

New toll rates effective July 1, 2015

GRANGER, Ind. – ITR Concession Co. LLC (ITRCC) announces today that new toll rates will be in place on the Indiana Toll Road beginning July 1, 2015.

Rates for Class 2 users (non-commercial 2-axle vehicles and motorcycles) with an E-ZPass-compatible transponder (including E-ZPass from Indiana, I-PASS from Illinois and E-ZPass from Ohio) will remain unchanged at \$4.65 for a full 157-mile trip – the same rates in effect since 1985.

Rates for Class 2 users without an electronic tolling transponder will change to \$10.20 for a full 157-mile trip. This new rate represents a 20-cent increase from the July 2014 rate, or a 0.1-cent-per-mile increase – from 6.4 cents per mile to 6.5 cents per mile.

Rates for Class 5 users (typical 5-axle semi) will adjust from \$39.70 to \$41, or from 25.3 cents per mile to 26.1 cents per mile.

Toll charges vary according to vehicle class and distance traveled. Due to the required rounding of the new toll rates (to the nearest 10 cents for cash users and to the nearest penny for electronic toll collection users), rates will also vary within each vehicle class between ETC and cash users. Please visit www.ezpassin.com for full rate schedules and information, or to order an E-ZPass transponder for only \$10.

Passenger cars, trucks and motorcycles wishing to avoid the rate adjustment may still purchase an E-ZPass transponder for only \$10. With E-ZPass, 2-axle vehicles can save up to 75 percent on tolls on the Indiana Toll Road.

How to get Indiana Toll Road E-ZPass

Indiana's electronic toll-collection system was successfully implemented along the entire length of the Toll Road on April 1, 2008. E-ZPass transponders may be ordered through the ITRCC Web site, www.ezpassin.com. They are also available by calling our Customer Service Center at 1-888-496-6690 or by visiting the Center at our Granger office, 52551 Ash Road. In addition, you can purchase an E-ZPass for two-axle passenger vehicles and motorcycles at any ITR travel plaza or participating CVS/pharmacy store.

About the ITR

In operation since 1956, the Indiana Toll Road stretches 157 miles across the northernmost part of Indiana from Ohio to the Illinois state line. It links Chicago with the largest cities on the eastern seaboard, and it also serves as the primary connecting route to the Chicago Skyway, a main route to downtown Chicago. The Indiana Toll Road – managed by ITR Concession Co. LLC (ITRCC) – and its nearly 300 employees are proud to serve thousands of patrons every day. ITRCC operates a safe and efficient road while providing high-quality customer service. ITRCC is indirectly owned by Macquarie Infrastructure Partners (MIP), Macquarie Atlas Roads (MQA) and Cintra Concessiones (Cintra), which are among the world's largest developers and managers of infrastructure projects.
