Footnotes:

- ¹ A community must submit a complete Preliminary Engineering Report to the DWSRF Loan Program by April 1, 2025 in order for the project to be scored and ranked on the Project Priority List (PPL).
- ² Additional subsidization may be provided to participants who have a low Median Household Income (MHI) and/or high post-project user rates as outlined in the Intended Use Plan (IUP). The amount of the additional subsidization shall be determined and set forth in the financial assistance agreement.
- ³ The Indiana DWSRF Loan Program defines a Disadvantaged Community in Section VII of the IUP.
- ⁴ Emerging Contaminants funds are reserved for DWSRF eligible projects whose primary purpose must be to address emerging contaminants, with an emphasis on PFAS, using the broad CCL 1 - 5.
- ⁵ Disadvantaged Community determinations in this PPL are based on MHI and rates provided at the time the PPL was posted for public notice. Additional information on populations positively impacted by the project may be submitted and considered prior to loan closing.
- ⁶ EE = Energy Efficiency, EI = Environmentally Innovative, GI = Green Infrastructure, WE = Water Efficiency, CR = Climate Resiliency.
- ⁷ All scores are out of a maximum of 200 points.
- ⁸ No specific fundable range will be established for the Lead Service Line Replacement Project Priority List.
- *The SFY 2026 1st Quarter Project Priority List Draft was published on June 18, 2025 for a 3-week public comment period.
