

FRONT-END DOCUMENT CERTIFICATION

I _____, of _____ certify
(Engineer's Name) (Engineering Firm)
that the bidding documents for the _____ Project(s) for the
(Project Name)
_____ comply with the current Consolidated Appropriations Act
(SRF Applicant)

and all the bidding requirements of the State Revolving Fund Loan Programs, the Indiana Finance Authority and the State of Indiana (collectively also called the "State") which include, among others, the following:

1. **OEE-1** (Certification of Nonsegregated Facilities)
2. **OEE-2** (Notice to Labor Unions or Other Organizations of Workers Nondiscrimination In Employment)
3. **Bidders List** (available on SRF website)
4. **Davis-Bacon Act** and related laws and regulations.
 - a) A copy of the applicable Davis-Bacon wage determination will be included in all contracts and subcontracts for work.
 - b) A copy of the wage determination and the Davis-Bacon poster (WH-1321) will be posted at all times by the contractor and subcontractors at the Project site in a prominent and accessible place where it can be easily seen by workers.
 - c) All contracts and subcontracts for work will include terms and conditions similar to those provided in Attachments A-D.
5. **Green Project Reserve and Sustainability Incentive.** If U.S. EPA Green Project Reserve (GPR) components are included in this project, all Bidders shall provide the portion of their total bid amount allocated to each GPR component. All solicitations or requests for Bids shall include instructions similar to those provided in Attachment F. Bidders shall be required to provide the bid amount allocated to each GPR component with their Bid using the GPR Bid Breakdown (attached as Attachment G) or equivalent form. Consulting Engineer shall return the GPR Final Bid Summary (attached as Attachment H) to SRF with each Project Contract post-bid documentation.
6. **Suspension and Debarment** All contracts for work will include terms and conditions similar to those provided in Attachment E.
7. **American Iron and Steel Clause.**
 - a) All procurement contracts must include American Iron and Steel language as set forth in Attachment I. Bid documents must inform the bidders of this requirement.
 - b) Prior to entering into a procurement contract all successful bidders will certify in the form as set forth in Attachment J to such matters. (Bid documents must inform the bidders of such matters).
 - c) Section 436 (a)(1) of the Consolidated Appropriations Act, 2014 requires that none of the appropriated funds may be used for the construction, alteration, maintenance, or repair of a public water system or treatment works unless all of the iron and steel products used in the project are produced in the United States unless (a) a waiver is provided to the recipient by U.S. EPA ("EPA Waiver") or (b) compliance would be inconsistent with United States obligations under international agreements. In order to receive an EPA Waiver, the SRF Applicant must send a written request to EPA and EPA must find that:

- i. Applying the subsection (a) would be inconsistent with the public interest;*
- ii. Iron and steel products are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or*
- iii. Inclusion of iron and steel, products produced in the United States will increase the overall cost of the project by more than 25 percent.*
