Describe the conflict of interest:  
I am requesting to volunteer my time to join the board of directors for my former employer, Monroe County CASA.  
Monroe County CASA receives funds through the Victim Services division of CJI, specifically from the VOCA grant.  
While my current work does not involve Monroe County CASA nor would a position on their Board involve decision making in regards to the VOCA grant or any other grant, there is a potential conflict of interest due to my position within CJI as a grant manager.

Describe the screen established by your ethics officer: *(Attach additional pages as needed.)*  
Corbin Bathory will be screened and removed from any and all interactions involving Monroe County CASA. He will not be involved in reviewing any applications to the Criminal Justice Institute involving Monroe County CASA. He will not be involved in the scoring, managing, or review of any and all budgets, programmatic reports, or fiscal reports from Monroe County CASA. He will be instructed to not view or access any internal files, folders, agreements, or documents in the possession of the Criminal Justice Institute that involve Monroe County CASA. He will not be involved in any internal and external discussions or conversations involving Monroe County CASA while performing his role as a grant manager for the Criminal Justice Institute and as a state employee.
