Describe the conflict of interest:  
 I am currently employed by by FSSA as a Staff Attorney. I am responsible for advising the Division of Aging and the rule promulgation process across the agency. I also have assisted with issues across the agency as needed. I was offered to interview for an attorney position with the law firm Hall Render Killian Heath & Lyman which sometimes litigates against FSSA.

Describe the screen established by your ethics officer: *(Attach additional pages as needed.)*

Employee's manager has implemented a screen that will prohibit the employee from participating in any vote, decision, or matters relating to any vote or decision (including any cases) involving or related to the Hall Render firm. There are no known outstanding cases involving employee and Hall Render, but if any come to be known, those matters will be reassigned to another employee. Future matters with Hall Render will be assigned to another employee, as well. This screen will remain in place for Mr. Bottomley's remaining tenure with the State or until he discontinues employment negotiations with Hall Render, whichever occurs first.
