

Describe the screen established by your ethics officer: *(Attach additional pages as needed.)*

I have submitted and received guidance via an OIG ethics informal advisory opinion. I have placed the following screens in place for transparency. I have informed my supervisor and staff of the situation. I have abstained from scoring any LOIs for this contract. I have informed my supervisor that I must withdraw any ownership of or affiliation with the contract until a decision is made on my employment or until all conversations end. Until that time, I informed my supervisor that he or other members of Vincennes CPM will need to assign the selected firm projects, review/accept scope and fees, begin the NTP process, etc. Until that time, I informed my supervisor that I can longer offer my opinion on projects that may need to go to any environmental on-call. With regards to the listed DES, no decision on if these projects shall be completed in-house or by the on-call has been made.
