I attended the meeting electronically. When the variances were discussed, I turned off my microphone and camera so I could not be seen or heard or have any influence on the proceedings. I did not vote on any of these matters.

Good afternoon Executive Director Thacker,

To be in compliance with IC 4-2-6-9 a special state appointee who identifies a potential conflict of interest must notify their appointing authority and either request an advisory opinion from the State Ethics Commission or file a disclosure statement. Please accept this email as official notification. A copy of the Disclosure Statement is included for your reference. The Disclosure Statement will be filed with the Inspector General's Office later today and I anticipate we will receive a file-stamped copy within a few business days.

Please let me know if you have any questions or need additional information.

Sincerely,

Kristi Shute | Deputy General Counsel and Ethics Officer
