Name of Agency: Indiana Alcohol and Tobacco Commission (ATC) and Indiana State Excise Police (ISEP)

Name of Recipient: Dave Miller

Title of Recipient: Excise Superintendent

Brief Description of Item Solicited, Accepted, or Received and approximate value of item: Superintendent Miller was asked to participate in the Montana Narcotics Officers Association Training Conference hosted by Montana Narcotics Officer Association (MNOA). MNOA is a non-profit organization consisting of state and federal law enforcement officers, attorneys, sheriffs, chiefs of police, and probation and parole officers across Montana. Superintendent Miller has been asked to participate in the event to share his knowledge and experience regarding narcotics interdiction. To facilitate participation, MNOA paid for the following in relation to the 2026 MNOA Training Conference: **Registration fees (\$383); hotel (\$110) for five (5) nights (total \$550); meals (\$75); ground transportation (\$108.75); Total value of items of received: \$1,188.75.**

Date of Receipt: February 23, 2026 – February 26, 2026

Name of Donor: Montana Narcotics Officer Association

Donor's Address: PO Box 9, Butte, MT 59701

Nature of Business Relationship with Agency: MNOA does not have a business relationship with ATC. It is possible one or more of the organization's donors might be regulated by or otherwise have a business relationship with ATC. This waiver is filed to record receipt of the items enumerated above in the event any portion of funds utilized to facilitate the MNOA Training Conference was received from a donor with a business relationship with Indiana Alcohol and Tobacco Commission.

Statement of Why Acceptance is in the Public Interest: Superintendent Miller's participation in the 2026 Montana Narcotics Officers Association Training Conference directly benefited the agency by strengthening narcotics investigatory capabilities through Superintendent's introduction to new means and methods, best practices, and emerging technologies in law enforcement investigations. The conference provided hands-on training, exposure to narcotics investigatory techniques and interdiction methodologies, access to law enforcement experts and networking with vendors, industry experts, and other law enforcement agencies. By bringing this knowledge back, Superintendent Miller's participation will help improve ISEP's narcotics interdiction capacity, keep ISEP practices current, and support stronger case outcomes for the agency. Additionally, Miller's participation as an expert panelist and speaker will create connections with industry and government stakeholders that could benefit ISEP's mission and narcotic intervention programming in the future.
