FILED

**Description of the Gift:** Due to his membership on the National Board, Mr. Boillard has been invited to attend the National Board's 88<sup>th</sup> General Meeting in Salt Lake City, Utah on May 3-10, 2019. The National Board has offered to pay for Mr. Boillard's airfare, hotel, and some meals, with an approximate value of \$2,800.

**Date of Receipt:** May 3, 2019 – May 10, 2019

**Name of Donor:** National Board of Boiler and Pressure Vessel Inspectors

**Donor's Address:** 1055 Crupper Avenue, Columbus, OH 43229

**Nature of Business Relationship with Agency:** IDHS pays \$35.00 annually for Mr. Boillard's National Board Commission Card, which verifies his National Board certification.

**Public Interest:** Accepting this gift is in the public's interest because, during this meeting, Mr. Boillard will be participating in discussions regarding updates to the code and inspection methods, as well as potential future changes, which he can then bring back to IDHS and train the other Boiler and Pressure Vessel Section staff members. He will also have the opportunity to network with boiler and pressure vessel chiefs and inspectors from all over the country, which is valuable because boilers and pressure vessels often come into Indiana from other states. Networking is also helpful for resolving issues that may be novel in Indiana but have come up in other states. The overall impact of Mr. Boillard's attendance would be an improvement in IDHS's ability to inspect and regulate boilers and pressure vessels throughout Indiana, thereby improving public safety.
