FILED

In accordance with IC 4-2-6-9, you must file your disclosure with the State Ethics Commission no later than seven (7) days after the conduct that gives rise to the conflict. You must also include a copy of the notification provided to your agency appointing authority and ethics officer when filing this disclosure. This disclosure will be posted on the Inspector General's website.

Describe the conflict of interest:
Dr. David Freitas is currently employed as a Professor at the Indiana University South Bend campus. During the May 13, 2020, business meeting of the Indiana State board of Education ("Board"), the Board was set to discuss and vote on a recommendation to approve a teacher preparation program located at the Indiana University Purdue University Indianapolis campus. Participants in these programs are required to pay tuition to Indiana University in order to attend these programs.

Indiana Code Sec. 4-2-6-9 states in relevant part:
(a) A state officer, an employee, or a special state appointee may not participate in any decision or vote, or matter relating to that decision or vote, if the state officer, employee, or special state appointee has knowledge that any of the following has a financial interest in the outcome of the matter:

(3) A business organization in which the state officer, employee, or special state appointee is serving as an officer, a director, a member, a trustee, a partner, or an employee.

Due to Dr. Freitas's employment with Indiana University South Bend, he recused himself from the discussion and vote regarding the approval of the teacher preparation program at the Indiana University Purdue University Indianapolis campus, as his employer had a potential financial interest in the outcome of the vote.

Describe the screen established by your ethics officer: *(Attach additional pages as needed.)*

The Board's ethics officer routinely reviews all material before it is presented to the Board to identify potential conflicts of interest for Board members. Additionally, Board members are required to engage in ethics training on a regular basis as required by state law. This training ensures Board members are able to identify potential ethics issues that may arise in their official capacity as special state appointees.

Good afternoon, Dr. Freitas.

I've reviewed the agenda and material for tomorrow's Board meeting, and I wanted to bring a potential conflict of interest to your attention. Due to your employment with Indiana University South Bend, I recommend recusing yourself from the vote on New Business – Action Item A (Teacher Preparation Program: Indiana University Purdue University Indianapolis). I'll put together a disclosure form for you. Once I have it finished, I'll send it over for your review and signature.

Please let me know if you have any questions about this potential conflict.
