Describe the conflict of interest:  
 I have had discussions with the law firm of Lewis Wagner about potential job opportunities. The IDOI does interact and contracts with the law firm regarding various legal needs including, Patients Compensation Fund defense cases. Although, I am not certain any particular conflict would exist, as I am a legal counselor to the Commissioner but make few decisions myself, out of a abundance of caution we enacted an ethical screen at this time.

All:

I am writing as IDOI's Ethics Officer to make you aware of an ethical screen that has recently been established. Wade Fulford has been in talks with a representative from the law firm of Lewis Wagner regarding a position. Lewis Wagner is a contractor with the IDOI. Therefore, to allow Wade to pursue this potential employment opportunity if he so chooses, he must be screened completely from any contact with Lewis Wagner. Please refrain from discussing matters involving Lewis Wagner. Going forward, any matters involving Lewis Wagner, including the assignment of medical malpractice cases petitioning for excess damages and any communication regarding such cases, should be addressed to Doug Webber.

This ethical screen is required to be established by IC 4-2-6-9(a)(4) and will remain in place until I notify you otherwise. If you have any questions, please contact me.
