 State Form 55860 (R / 10-15)
 OFFICE OF THE INSPECTOR GENERAL
 IC 4-2-6-9

INDIANA
 STATE ETHICS COMMISSION

FILED

In accordance with IC 4-2-6-9, you must file your disclosure with the State Ethics Commission no later than seven (7) days after the conduct that gives rise to the conflict. You must also include a copy of the notification provided to your agency appointing authority and ethics officer when filing this disclosure. This disclosure will be posted on the Inspector General's website.

Name (last) Ritter	Name (first) Mark	Name (middle)	
Name of office or agency Indiana Underground Plant Protection Advisory Committee		Job title Committee Member	
Address of office (number and street) 1433 Holey Moley Way		City Greenwood	ZIP code 46142
Office telephone number (317) 291-9460	Office e-mail address (required) maritter@marathonpetroleum.com		

Describe the conflict of interest:
 I am a member of the Underground Plant Protection Advisory Committee (Advisory Committee). By statute, I am appointed by the Governor and, therefore, I am considered a "state appointee" for purposes of Ind. code 4-2-6-9. The Advisory Committee recommends penalties for excavation damage cases under Ind. code chapter 8-1-26. Pursuant to a formal advisory opinion of the Indiana State Ethics Commission, my participation in recommending a penalty constitutes a "decision or vote" for purposes of the conflict of interest statute.

The majority of excavation damage cases have an operator and excavator as parties to the case. I work for Marathon Pipeline, a gas operator. Therefore, a conflict of interest would arise if I were to participate in a "decision or vote" in a case in which Marathon Pipeline is a named party.

Describe the screen established by your ethics officer: *(Attach additional pages as needed.)*

Whenever Marathon Pipeline is a named party to a case, I will abstain from the penalty recommendation pursuant to the Advisory Committee's Bylaws. I will not comment on the case and I will abstain from the discussion and recommendation. My abstention will be recorded on the Case Recommendation Form.

Michael,

Please find attached the notice for Governor Holcomb regarding the conflict of interest disclosures for the members of the Indiana Underground Plant Protection Advisory Committee (UPPAC).

As you know, the UPPAC is required under Ind. Code § 4-2-6-9(b)(2)(D) to disclose to its appointing authority, Governor Holcomb, any conflict of interests regarding decisions and voting. Due to the nature of what the members review and the type of members required (i.e. members are statutorily required to be a part of the operator and excavator community and they review cases regarding operators and excavators), there are frequent conflicts. The UPPAC sought an opinion by the State Ethics Commission in 2016 (attached) regarding whether members must submit a disclosure every time there is a conflict, noting that "members would need to file disclosures for about 800 or more cases annually, or an average of more than 50 disclosures for one meeting, if they were required to file a form for every identified potential conflict of interests". Pg. 6. The State Ethics Commission stated, "[D]ue to the unusually high number of cases in which the members would have the same potential conflict of interests, the Advisory Committee members can file a Conflict of Interest - Decisions and Votes disclosure form with the OIG on an annual basis that details the ongoing potential conflict of interests, due to their employment with companies involved in cases before the Advisory Committee, and the screening mechanism implemented and overseen by the IURC to address the potential conflict of interests." Pg. 7. This year's financial interest disclosures for each UPPAC member are attached.

Please let me know if you have any questions or if you need any additional information.

Thank you,
Beth

The Honorable Eric J. Holcomb
200 West Washington Street
Indianapolis, Indiana 46204
Dear Governor Holcomb:

The Underground Plant Protection Advisory Committee (UPPAC) provides penalty recommendations to the Indiana Utility Regulatory Commission (IURC) regarding findings of violations of the Indiana 811 Law, Indiana Code chapter 8-1-26. UPPAC members are Governor appointees who are required by statute to be representatives of various stakeholders in this process, including utility and excavation companies who are often parties in excavation damages cases. In compliance with Indiana Code § 4-2-6-9, UPPAC members who are employees of a party in a case have abstained from the discussion and voting on penalty recommendations that could involve their employer. On June 9, 2016, the Indiana State Ethics Commission issued a formal advisory opinion (attached) stating that UPPAC members in this situation need to submit a conflict of interest disclosure statement on at least an annual basis, indicating the possible conflict regarding their employer and the screening process in place that requires UPPAC members to abstain from the discussion and vote on any penalty recommendation involving their employer.

In your role as the appointing authority for UPPAC, and in my role as the Ethics Officer for UPPAC, please consider this letter your official notification from UPPAC members Ralph Miller, Mark Ritter, Luke Selking, Scott Sontag, Blaine Walters, and Ben Warren, as required by Indiana Code § 4-2-6-9, of these possible conflicts of interest, with the attached disclosure statements, and the ongoing screening process of abstaining from any discussion or vote regarding penalty recommendations involving their employers.

Please have your staff contact me if you have any questions or if you require any additional information.

Sincerely,

Beth E. Heline, General Counsel
Indiana Utility Regulatory Commission
