Re: LSA Document #19-265/ Economic Impact Statement

Ms. Elliott,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small business associated with the rule changes contained in LSA Document #19-265 proposed by the Office of Inspector General.

Based on my assessment as the Small Business Ombudsman, I have concluded that the proposed rule will impose no additional requirements or costs on small businesses.

The economic impact statement prepared by the Office of Inspector General states, "Compliance with the proposed rule will have zero annual economic impact on small businesses subject to the rule."

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Office of Inspector General conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at KColclazier@iedc.IN.gov.

Sincerely,

Katelyn Colclazier
