Re: LSA Document #17-224 / Economic Impact Statement

Mr. Mullen,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small business associated with the rule changes contained in LSA Document #17-224 proposed by the Indiana Gaming Commission.

Based on my assessment as the Small Business Ombudsman, I have concluded that this proposed rule will create no additional requirements for small businesses in Indiana.

The economic impact statement prepared by Indiana Gaming Commission states, "The Commission estimates that there are no costs because the proposed rule affects no small businesses.

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Indiana Gaming Commission conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at KColclazier@iedc.IN.gov.

Sincerely,

Katelyn Colclazier
