

ORDER 2016-237
AN ORDER OF THE INDIANA GAMING COMMISSION
APPROVING THE SETTLEMENT AGREEMENT WITH RICHARD GREENE

Richard Greene ("Licensee") has held a Level 2 permanent occupational license at the Belterra Casino since July 28, 2010. On July 26, 2016, Licensee submitted a three year reinvestigation/renewal application to the Indiana Gaming Commission ("Commission"). During the reinvestigation process, investigators determined that Licensee failed to meet the requirements of 68 IAC 2-3-9.

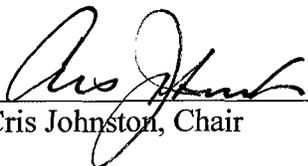

All occupational licensees have a continuing duty to maintain suitability for licensure and must inform the Commission of any changes to the information submitted in the licensee's application or any information that could render the licensee ineligible to hold an occupational license. 68 IAC 2-3-9.

In lieu of disciplinary proceedings, Commission staff and Licensee have agreed to settle this matter pursuant to 68 IAC 2-3-5(f)(2). The terms of the settlement have been reduced to writing and, in pertinent part, provide that Licensee agrees to an unpaid and voluntary relinquishment of Licensee's occupational license and identification badge for a period of three regularly scheduled working days, without using vacation time or any other paid leave time.

Having considered the foregoing, the Commission hereby **APPROVES** the proposed terms of the settlement agreement.

IT IS SO ORDERED THIS 17th DAY OF NOVEMBER, 2016.

Cris Johnston, Chair
