## IGC Seeks Business Input for Disparity Study

The Indiana Gaming Commission (IGC) is seeking input from all businesses that want to compete and provide goods and services to the thirteen privately owned, publicly licensed casinos in Indiana.

A disparity study of Indiana casinos' purchases will determine the estimated capacity, utilization, and disparity (or lack thereof) among spending with minority-owned businesses (MBE) and women-owned businesses (WBE).

**If you are interested in being a part of the study, please attend one of our outreach meetings and/or complete the survey available [here](#).**
