SETTLEMENT AGREEMENT

The Indiana Gaming Commission (“Commission”) by and through its Executive Director Sara Gonso Tait and Belterra Resort Indiana, LLC (“Beltterra”) (collectively, the “Parties”) desire to enter into this settlement agreement (“Agreement”) prior to the initiation of a disciplinary proceeding pursuant to 68 IAC 13-1-18(a). The Parties stipulate and agree that the following facts are true:

FINDINGS OF FACT

COUNT I

1. 68 IAC 15-12-3(a) states Live gaming device fills shall proceed in the following manner:
 - (1) The appropriate occupational licensee shall initiate a live gaming device fill by completing an input form. The input form is either carried to the casino cage or the information is electronically transmitted to the casino cage.
 - (2) The appropriate occupational licensee uses the input form to prepare and print a live gaming device fill slip.
 - (3) Surveillance shall be notified that a live gaming device fill is being processed.
 - (4) Based on the information contained on the fill slip, the casino cashier shall prepare the proper denomination and amount of chips and sign the fill slip. The casino cashier shall sign the fill slip, summon a security officer, and present the chips and the fill slip to the security officer.
 - (5) The security officer shall verify that the denomination and amount of chips match the amount on the fill slip. The security officer shall sign the fill slip after verifying the chips match the fill slips. The security officer who begins the live gaming device fill must complete the process of witnessing, escorting, and signing the appropriate documentation to verify that the live gaming device fill was completed. If there is a discrepancy with the live gaming device fill, the same security officer who began the live gaming device fill must accompany the fill back to the cage to resolve the discrepancy.
 - (6) The casino cashier shall retain one (1) copy of the fill slip in the casino cage.
 - (7) The security officer shall transport the chips to the appropriate pit area.
 - (8) The appropriate level of occupational licensee shall count the chips that are received as a live gaming device fill to ensure the denomination and amounts received match the amount and denomination reflected on the fill slip.
 - (9) If the amounts in subdivision (4) agree, the occupational licensee who counted the fill shall sign the fill slip. The pit supervisor or the equivalent shall also sign the fill slip. A copy of the fill slip or the original shall be inserted into the drop box of the live gaming

device that received the fill. A copy of the fill slip or the original fill slip shall be returned to the casino cage.

(10) If the amounts in subdivision (4) do not agree, the fill slip shall not be signed and the discrepancy shall be resolved in accordance with the policy and procedure submitted in accordance with section 2(b)(8) of this rule. Surveillance shall be notified and the security officer shall return the chips and the fill slip to the casino cage.

(b) The casino cashier or appropriate department shall use copies of the completed live gaming device fill slip to balance the cage. All completed live gaming device fill slips shall be used to complete the soft count.

(c) If a live gaming device fill slip was erroneous, it shall be voided and a new live gaming device fill slip generated. The person voiding the fill slip shall indicate the reason the slip was voided and sign the slip. A voided live gaming device fill shall be retained and deposited into a locked accounting box.

2. On September 29, 2018, a Surveillance Supervisor notified Gaming Agents that a variance had been discovered during an audit of table fills.
3. On September 28, 2018, two (2) table fills were placed into the same bird cage, one for \$1,450 and one for \$3,700. The table fill for \$1,450 was delivered to the incorrect table. The fill slip was signed by the Floor Supervisor and Dealer and placed into the drop box. The table fill error was discovered and properly voided. However, Belterra staff failed to notify Surveillance of the table fill error or that the fill was being voided.

COUNT II

4. 68 IAC 11-9-2(a) states the casino licensee or trustee shall submit to the executive director internal control procedures concerning the withholding of cash winnings from delinquent obligors in accordance with 68 IAC 11-1.
5. 68 IAC 11-1-3(c)(4) states that no casino licensee or casino license applicant may use an internal control procedure unless the internal control procedure has been approved, in writing, by the executive director.
6. 68 IAC 13-1-1(b)(2) and (3) states the Commission may initiate an investigation or a disciplinary action, or both, against a licensee if the Commission has reason to believe the licensee is not complying with licensure conditions or is not complying with this Act or this title.
7. Belterra's approved internal control procedures, T-1, describe the procedures for the Child Support Arrears Delinquency Registry.
8. Gaming Agents conducted an audit of the Child Support Delinquency Registry (CSADR) from January 1, 2018 – October 15, 2018. During this time, there were sixty-five (65) errors. Specifically, thirty-four (34) individuals were checked with incorrect identifying information and thirty-one (31) individuals were not searched in the CSADR at all.

TERMS AND CONDITIONS

Commission staff alleges that the acts or omissions of Belterra by and through its Agents as described herein constitute a breach of IC 4-33, 68 IAC and/or Belterra's approved internal control procedures. The Commission and Belterra hereby agree to a monetary settlement of the alleged violations described herein in lieu of the Commission pursuing formal disciplinary action against Belterra. This agreement is being entered into to avoid the potential expense and inconvenience of disciplinary action.

Belterra shall pay to the Commission a total of \$42,000 (\$2,000 for Count I and \$40,000 for Count II) in consideration for the Commission foregoing disciplinary action based on the facts specifically described in each count of this agreement. This Agreement extends only to those violations and findings of fact specifically alleged in the findings above. If the Commission subsequently discovers facts that give rise to additional or separate violations, the Commission may pursue disciplinary action for such violations even if the subsequent violations are similar or related to an incident described in the findings above.

Upon execution and approval of this Agreement, Commission staff shall submit this Agreement to the Commission for review and final action. Upon approval of the Agreement by the Commission, Belterra agrees to promptly remit payment in the amount of \$42,000 and shall waive all rights to further administrative or judicial review.

This Agreement constitutes the entire agreement between the Parties. No prior or subsequent understandings, agreements, or representations, oral or written, not specified or referenced within this document will be valid provisions of this Agreement. This Settlement Agreement may not be modified, supplemented, or amended, in any manner, except by written agreement signed by all Parties.

This Agreement shall be binding upon the Commission and Belterra.

IN WITNESS WHEREOF, the Parties have signed this Agreement on the date and year as set forth below.
