

Indiana Gaming Commission
Charity Gaming Division

Every qualified organization that holds a charity gaming license is required to file a financial report for each license. The statistics provided are based on financial reports which were submitted by licensed qualified organizations during the state's Fiscal Year 2010 (July 1, 2009 through June 30, 2010). An organization cannot receive successive gaming licenses until it has filed a financial report for its previous event.

The following information was obtained from Form CG-8 (Annual License Financial Report) and Form CG-9 (Single Event License Financial Report) received during FY10.

Some organizations may appear more than once in the following listings for any of the following reasons:

- An organization may hold more than one type of charity gaming license at a time.
- An unlimited number of single event door-prize, guessing game, raffle, special bingo and water race licenses may be issued to organizations during the same year, as long as all required applications and fees have been received and approved by the Indiana Gaming Commission. An organization may also receive up to six charity game night licenses and up to three festival licenses during the same year; and
- The organization was late in filing their financial report or amended financial reports for the previous year.
