

**INDIANA GAMING COMMISSION
CHARITY GAMING DIVISION
FISCAL YEAR 2013**

Every qualified organization that holds a charity gaming license is required to file a financial report for each license. The statistics provided are based on financial reports which were submitted by licensed qualified organizations during the state's fiscal year 2013 (July 1, 2012 through June 30, 2013). An organization cannot receive successive gaming licenses until it has filed a financial report for its previous event.

The following information is derived from Form CG-8 (Annual License Financial Report) and Form CG-9 (Single Event Financial Report) received during this fiscal year.

Some organizations may appear more than once on the following listings for any of the following reasons:

- An organization may hold more than one type of license at a time.
- An unlimited number of single event door prize, guessing game, raffle, special bingo and water race licenses may be issued to an organization during the same year, as long as all required applications, financial reports, and fees have been received and approved by the Indiana Gaming Commission.
- An organization may also apply for and receive up to six (6) charity game night licenses and up to three (3) festival licenses during a calendar year.

Please visit our website and review documents such as Charity Gaming Statutes, Indiana Code 4-32.2, Charity Gaming Regulations, 68 Indiana Administrative Code 21 and "License Types and Related Activities".
