

INDIANA GAMING COMMISSION
CHARITY GAMING DIVISION
FISCAL YEAR 2014

Every qualified organization that holds a charity gaming license is required to file a financial report for each license. The statistics provided are based on financial reports which were submitted by licensed qualified organizations during the state's fiscal year 2014 (July 1, 2013 through June 30, 2014). An organization cannot receive successive gaming licenses until it has filed a financial report for its previous event(s).

The following information is derived from Form CG-8 (Annual License Financial Report) and Form CG-9 (Single Event Financial Report) received during this fiscal year.

Some organizations may appear more than once on the following listings for any of the following reasons:

- An organization may hold more than one type of license at a time.
- An unlimited number of single event door prize, guessing game, raffle, special bingo and water race licenses may be issued to an organization during the same year, as long as all required applications, financial reports, and fees have been received and approved by the Indiana Gaming Commission.
- An organization may also apply for and receive up to six (6) charity game night licenses and up to three (3) festival licenses during a calendar year.

Included in this fiscal year annual report are three (3) National Organizations and one (1) National Foundation who held the Annual Comprehensive Charity Gaming License (ACL License). Information regarding the ACL License can be viewed under IC 4-32.2-4-19, IC 4-32.2-4-20, IC 4-32.2-5-29, IC 4-32.2-5-30, and IC 4-32.2-5-31 and throughout the statute.

An ACL License allows a National Organization (National) or a National Foundation (National) to become a Qualified Entity for charity gaming purposes. An ACL License allows approved affiliates of National to file an Affiliate Notification form for their allowable raffle and/or door prize events in lieu of each affiliate applying for qualification status and individual licenses. At the conclusion of their events, the affiliate will complete a CG-32 Event Summary Report and submit these reports to our division while supplying National with a copy. National, at the conclusion of their accounting period, will combine all CG-32 reports onto a CG-30, Annual Comprehensive Financial Report.

Please visit our website and review documents such as Charity Gaming Statutes, Indiana Code 4-32.2, Charity Gaming Regulations, 68 Indiana Administrative Code 21 and "License Types and Related Activities".
