

## **Not Renewing Your Annual Charity Gaming License?**

In the event that you do not want to renew your Annual License you must still submit the financial forms CG-8, CG-21, CG-DIST, CG-INV and CG-CO. Check the box on page 3 of the CG-8 indicating that you are not renewing the license. A CG-8 is required for each annual license held by the organization.

Failure to submit these documents may prevent you from obtaining future licenses.
