

Commitments of Participants in the Voluntary Exclusion Program

As a participant in the Voluntary Exclusion Program (VEP), you have voluntarily committed to the following during your time in the VEP:

- ❖ You will refrain from entering the gaming areas of all Indiana casinos. This includes the casinos in Hammond, East Chicago, Gary, Michigan City, Anderson, Shelbyville, French Lick, Evansville, Harrison County, Switzerland County, Rising Sun, and Lawrenceburg.
- ❖ If you are found in the gaming area of an Indiana casino, you will be asked to leave and you may be subject to arrest for trespassing.
- ❖ If you are found to have won any money or thing of value at an Indiana casino, you will forfeit your winnings to the IGC. The casino will confiscate the winnings at the time you are found and it will remit the winnings to the IGC on your behalf.
- ❖ The casinos may choose to evict you from their properties.
- ❖ The companies that run Indiana casinos may decide to evict or deny service to you at any of their other facilities anywhere in the world, which may include casinos and/or non-gaming facilities, including Las Vegas and/or Atlantic City.
- ❖ If a casino has elected to evict you, the casino will notify you in writing to outline the terms of your eviction. Each casino maintains its own eviction procedures and any dispute arising as a result of being placed on an eviction list should be addressed through communication with the casino.
- ❖ You may increase the time of your participation in the program, but you may never decrease it. For example, if you enroll in the VEP for five years, you may not request to remove yourself from the VEP before the five years is completed. However, if you choose to enroll for five years, you may, at any time, submit a request to enroll in the VEP for life.
- ❖ Once the selected time period of your enrollment has concluded, you will remain on the VEP list until you complete a request for removal.
- ❖ You will provide the IGC with the updated information anytime your personal information changes.
- ❖ You will notify the IGC if an Indiana casino sends you direct mailing items addressed to you after you have been enrolled in the VEP for 45 days.
- ❖ You will forfeit all points, comps and other promotional offers once you are enrolled in the VEP.
- ❖ You will comply with any other requirements set forth in the VEP rules and the Request for Enrollment in the VEP.
