Administrative Highlights 2006

The Charity Gaming section of the Indiana Department of Revenue was created to administer charity gaming laws. This section, along with field investigators from the Criminal Investigation Division, strives to see that licensed organizations are operating in accordance with charity-gaming laws and regulations. Under IC 4-32-10-6, the Department of Revenue is required to remit charity gaming surplus revenue into the Build Indiana Fund. This revenue is generated by license fees, as well as excise taxes and penalties. The Department deposited \$3.5 million into this fund during FY06.

Legislation

The 2006 Indiana General Assembly enacted Senate Bill 100 which transferred the oversight of charity gaming operations from the Indiana Department of Revenue to the Indiana Gaming Commission effective July 1, 2006.

Statistics

Every organization that holds a charity gaming license is required to file a financial report for each license. The statistics are based on financial reports which were received during the state's FY06 (July 1, 2005 through June 30, 2006). An organization cannot receive successive gaming licenses until it has filed a financial report for its previous event.

The following information was obtained from Form CG-8 (Annual Bingo Financial Reports) and Form CG-9 (Single Event Financial Report) received during FY06. The number of licenses issued during the fiscal year may differ from the number of financial reports actually *received* during the fiscal year due to licenses being issued prior to the event.

Information pertaining to nonprofit organizations is available for public inspection according to state code IC 6-2.1-8-4. This includes all applications for exemption and all annual reports filed by the nonprofit organizations under IC 6-2.1-3-19; IC 6-2.1-3-20; IC 6-2.1-3-21; and IC 6-2.1-3-22, which also includes information on the above mentioned forms.

Some organization names may appear more than once in the following listings for any of the following reasons:

- More than one type of charity gaming license may be held at a time;
- An unlimited number of door-prize, raffle and special-bingo licenses may be issued to organizations during the same year, as long as all required applications and fees have been received and approved by the Indiana Department of Revenue; and
- The organizations were late in filing or filed amended financial reports for the previous year.

History of Indiana Charity Gaming

In June 1992, the Department was given the responsibility of enforcing charity gaming laws in Indiana. Only qualified nonprofit organizations can legally conduct charity gaming events in Indiana. These gaming events are limited to Bingo, charity game nights, door-prizes, festival events, raffles and the sale of pull tabs, punchboards and tip boards. Organizations must be licensed and registered for each type of charity gaming event they want to conduct.

Which Organizations Qualify?

An organization may conduct legal charity gaming events if it is a bona fide educational, religious, senior citizen, veteran or civic/fraternal/charitable organization operating in Indiana, and is exempt from taxation under Section 501 of the Internal Revenue Code (IRC).

The nonprofit organizations eligible to engage in Indiana charity gaming events are defined in Title 4, Article 32, of the Indiana Code. A brief description of these organizations is as follows:

Business Organization

A bona fide business organization is a local organization that is not for financial profit and is exempt from federal income taxation under Section 501(c)(6) of the Internal Revenue Code.

Civic Organization

A bona fide civic organization branch, chapter, or lodge of a local, national or state organization that is nonprofit and primarily operated for charitable, civic or fraternal purposes.

Educational Organization

A bona fide educational organization that is nonprofit, whose primary purpose is educational in nature, and is designed to develop the capabilities of individuals by instruction in public or private elementary and secondary schools, as well as colleges and universities.

Political Organization

A bona fide political organization, committee, fund, party or other organization that is established and operated for either directly or indirectly accepting contributions and making expenditures for an exempt purpose (as defined in Section 527 of the Internal Revenue Code). These organizations are the Democratic Party, Republican Party, Independent Party, etc.

Note: A political candidate's committee is not a political organization by this definition.

Religious Organization

A bona fide religious organization, church or body of communicants operating on a nonprofit basis and primarily for religious purposes. The organization must operate under Section 501 of the Internal Revenue Code and provide written documentation as such.

Senior Citizens Organization

A bona fide senior citizen organization that is nonprofit and has at least 15 members who are at least 60 years old. The purpose of the organization is to advance and support the causes of the elderly and retired persons.

Veterans Organization

A bona fide veterans local organization, or a branch, chapter or lodge of a national or state organization that is nonprofit, chartered by the United States Congress, and whose members are or were in the United States Armed Forces. The purpose of the organization is for the mutual advancement and support of the organization's membership and patriotic causes.

All organizations meeting one of the preceding requirements also must have been in active and continuous existence for at least five years, or be affiliated with a parent organization that has been in existence and operating for at least five years. Except where a qualified organization or its affiliate is having a convention or other annual meeting of its membership. Charity gaming events may only be conducted in the county where the Indiana principal office is located.

Any hospital licensed under IC 16-21, a health facility licensed under IC 16-28 or a psychiatric facility licensed under IC 12-25, may conduct charity gaming events under certain circumstances.

Being exempt from taxation under Section 501 of the Internal Revenue Code does not ensure that an organization is eligible to conduct legal charity gaming events. The types of organizations that do not qualify include federal credit unions, pension trusts and generally those established primarily for literary, scientific and social purposes.
