Electronic Pull Tab Sale/Lease Safe Harbor for Manufacturers

Pursuant to Ind. Code 4-32.3-8-1, the Indiana Gaming Commission may suspend or revoke the license of, or levy a civil penalty against, a charity gaming manufacturer for the sale or lease of an electronic pull tab device or electronic pull tab system that has not been approved by the Commission for use.

In order to allow charity gaming manufacturers to timely and efficiently prepare for the commencement of electronic pull tab gaming in Indiana, licensed charity gaming manufacturers may contract for the sale or lease of electronic pull tab devices and systems to licensed charity gaming distributors prior to such devices and systems being approved in Indiana.

Such devices and systems shall not be sold, leased, or distributed to charity gaming qualified organizations prior to their approval by the Commission.

A charity gaming manufacturer contracting for the sale or lease of electronic pull tab devices and systems to a charity gaming distributor pursuant to this safe harbor shall notify the Commission prior to the execution of the contract.
