DIRECTIVE

Date: March 16, 2022

To: Sports Wagering Operators

From: Greg Small, Executive Director

Subject: Russian and Belarussian governing bodies, leagues, teams, players, and events

The purpose of this directive is to inform Indiana sports wagering operators that Russian and Belarussian governing bodies, leagues, teams, players, and events are suspended from the Indiana Gaming Commission's (IGC) approved leagues and events until further notice.

The IGC has removed identified leagues and events on the [Approved Events for Sports Wagering](#) list posted to the IGC's website that are suspended. However, sports wagering operators are highly encouraged to review their offerings and betting catalogs to identify additional governing bodies, leagues, teams, players, and events representing Russia and Belarus and suspend them from their wager offerings.*

This directive is effective as of 5:00 pm (EST), March 17, 2022. All reasonable efforts shall be made to comply with this directive. While the Commission understands that identifying games, teams, or players included in this directive may present challenges, sports wagering operators shall use best efforts to comply with the intent of this directive.

* Player proposition wagers shall not be offered on players from other countries who play under the affiliation of Russian and/or Belarussian governing bodies, leagues, teams, or events. Conversely, player proposition wagers on Russian and/or Belarussian players who participate in sports for, governing bodies, leagues, teams (professional or collegiate) or in events in other countries outside of Russia or Belarus are permissible wagering offerings.
