### Definitions

**Households Assisted:** This is the number of households for which IERA has attempted to issue payment or will be attempting in the next payment processing.

**Total of Rental Assistance Issued:** The total of the past due and forward-facing rental assistance issued by IERA and the amount that is in the next payment processing.

**Total of Utility Assistance Issued:** The total of the past due utility, home energy, and internet assistance issued by IERA and the amount that is in the next payment processing.

**Total Assistance Paid and Obligated:** The total of the past due rental, utility, home energy, and internet and forward-facing rental assistance issued and in the next payment processing and the amount of forward-facing rental assistance the assisted households may be eligible for to complete twelve months of assistance payments.

**Applications in Progress:** The number of households that are in the process of being deemed eligible and/or having benefits determined. This number excludes applications that have been withdrawn, declined, or have payments that have been issued or will be included in the next payment processing.

**Eligible Applications in Progress:** The number of households that have been deemed eligible and are having their benefits determined.

**Sub-granted Obligated Communities:** IHCDCA sub-granted funds to Marion County, a direct recipient of Treasury. This municipality operates its own rental assistance program. The sub-grantee numbers solely reflect households assisted and funds paid and obligated from the funds sub-granted by IHCDCA and not from the municipality's direct Treasury awards. Marion County's sub-grant allowed the program to move from three months of total assistance for served households to twelve months of assistance per household.

**Other Sub-granted Communities:** IHCDCA sub-granted funds to three municipalities: City of Fort Wayne, Lake County, and St. Joseph County. The sub-grantees are direct recipients of Treasury. IHCDCA will update numbers of assisted households in the coming weeks. These funds are not being counting as obligated, only being noted for informational purposes.
