**Re: 2019 Indiana Housing Conference – Community Housing Development
Organization Track - Call for Proposals and Scholarships**

The 2019 Indiana Housing Conference will include a track focused on tools to support Community Housing Development Organizations (CHDOs), including training and discussion on the utilization of the HOME Investment Partnerships Program.

IHCDA is issuing a “Call for Proposals” to support several track sessions and accepting proposals from IHCDA CHDOs.

IHCDA is also extending scholarships to all IHCDA CHDOs and Indiana Local Units of Government interested in the HOME Program to attend this track. The scholarship will cover the full registration for attending the Indiana Housing Conference. Scholarships are limited to two per persons per entity. IHCDA will accept applications for scholarships through September 12, 2019.

The training and conference will take place at the Indianapolis Marriott Downtown (350 West Maryland Street, Indianapolis) on September 26 and 27, 2019. General information on the Conference may be found at: <http://indianahousingconference.org/>.

If interested in submitting a Track Proposal or in the Track Scholarship, please contact Samantha Spergel, Director of Real Estate Production at sspergel@ihcda.in.gov.
