Re: **2019 Ramp Up Indiana Application Documents**

The Ramp Up Indiana program provides grants to selected Not-for-Profit applicants for the installation of ramps for low to moderate-income homeowner households with accessibility needs. Ramp Up grants are funded with the Indiana Affordable Housing and Community Development Fund.

IHCDA's 2019 Ramp Up Indiana Application Policy, Application Workbook, and additional application documents have been updated and are now available on [IHCDA's Ramp Up website](#).

If your organization plans to pursue a Ramp Up grant, please use the updated 2019 documents as older versions will not be accepted.

Ramp Up applications are accepted on a non-competitive, rolling basis and may be submitted at any time via the Syncplicity website. To request Syncplicity access, please contact the RED Coordinator, Katie Hall, at KaHall@ihcda.in.gov.

Questions about the Ramp Up program should be directed to Real Estate Production Analyst, Dani Miller, at DMiller@ihcda.in.gov.
