Re: **Project Based Voucher Program Manual Published**

IHCDA has released the Project Based Voucher (PBV) Program Manual. The PBV Program provides rental assistance to properties selected through an RFP process or developed through the Indiana Permanent Supportive Housing Institute. All properties receiving rental assistance through the IHCDA PBV Program must operate as permanent supportive housing and serve households experiencing homelessness. The PBV Program Manual can be viewed [here](#).

IHCDA will host an informational webinar to provide an overview of the PBV Program Manual from **3:00 – 4:00 p.m. Eastern Time on Monday, March 9th, 2020**. You may register using the following link: <https://attendee.gotowebinar.com/register/87431370752253699>
