## **Part 1: Application Process**

---

### **1.1 Overview and Funding Priorities:**

The purpose of this HOME application is to provide subsidies in the form of grants and loans to selected applicants for the acquisition, rehabilitation, and/or new construction of rental housing for low and moderate-income people. Through this program, the Indiana Housing and Community Development Authority (IHEDA) seeks to improve the quality of existing housing stock in Indiana.

This program is designed to allocate HOME funds to be used for the rehabilitation and/or new construction of rental housing among selected applicants that meet program requirements as well as IHEDA's goals for the program, as described below.

1. Demonstrate they are meeting the needs of their specific community;
2. Reach low and very low-income levels of area median income;
3. Proceed with the activity upon receipt of the award and begin construction within 12 months of receipt of the award;
4. Link the project to the revitalization of existing neighborhoods, preferably through a comprehensive approach (i.e. as part of a published and approved community revitalization plan);
5. Advance projects that promote (1) aging-in-place strategies for seniors, persons with disabilities, and families with seniors or persons with disabilities and (2) safe, affordable housing options for families;
6. Propose projects that are energy-efficient and are of the highest quality attainable within a reasonable cost structure; and,
7. Propose the use of state certified Minority Business Enterprise (MBE), Women Business Enterprise (WBE), Federal Disadvantaged Business Enterprise (DBE) Participation, Veteran-Owned Small Business (VOSB), and/or Service Disabled Veteran Owned Small Business (SDVOSB) contractors, employees, and products when applicants are planning and undertaking their housing activities.

Application Webinar	March 2022
CHDO Certifications Due <sup>1</sup>	March 28, 2022
Application Due Date	May 9, 2022

### 1.4 Application Webinar

An application webinar will be conducted prior to the application deadline. During the webinar, the IHCDA Real Estate Production Department staff will describe the requirements of the HOME program, threshold and scoring criteria, how to complete the required forms, and how to submit the application documents. Local Units of Government (LUGs) and not-for-profit entities intending to apply are *strongly encouraged* to attend.

### 1.5 Technical Assistance

The applicant may schedule a technical assistance meeting with its regional IHCDA Real Estate Production Analyst to discuss both the proposed project and IHCDA's application process. Technical assistance may be required at IHCDA's discretion if the recipient does not have experience with IHCDA awards or if past performance was poor. Applicants are urged to contact their Real Estate Production Analyst early in the planning process to obtain guidance and technical assistance.

### 1.6 Application Submission

The applicant must submit the following items to IHCDA's Real Estate Production Coordinator:

- Via IHCDA's OneDrive site (Please ensure notary seals are visible on any scanned documents):
  - CHDO Application Workbook and supporting documentation (if applying for CHDO Certification)
  - One completed copy of the HOME application form.
  - All supporting documents required in the tabs. Please submit this information as separate, labeled PDF documents under the required labeled tabs. **Do not send one PDF containing all supporting documentation.**
  - Signed Environmental Review Record (May be scanned and submitted as a PDF)
- Via IHCDA's Online Payment Portal
  - Application fee of \$250. Payments can be made [here](#). All fees must be paid through the IHCDA Online Payment Portal. Checks will no longer be accepted for application fees.
- Via hard copy:
  - One USB Flash Drive with all documents

Applicants that are submitting multiple applications in a single round must submit ALL required documentation with EACH application. Multiple applications from the same applicant will be reviewed separately. Supporting documentation submitted with one application may not be used to satisfy a threshold or scoring requirement of another application.

<sup>1</sup> Please note that certified CHDOs are now eligible to request up to \$1,500,000 of HOME funding. To be eligible for these funds, applicants must follow a different CHDO certification process. This process can be found in section 5.1 of the HOME Rental Policy.

Application fees should be made payable to IHCDA. If a check is returned for insufficient funds, the application will be denied. The application fee is non-refundable except, if the applicant applies and is certified as a Community Housing Development Organization (CHDO), the full application fee will be refunded. Applicants that are pre-certified as CHDOs as described in section 5.1 of this policy are not required to submit application fees.

All required application items are due no later than 5:00 p.m. Eastern time on the due date. Applications received after the deadline will not be accepted.

Applicants encountering technical issues with application forms, supporting documentation, or the submittal process should contact their IHCDA Real Estate Production Analyst as soon as possible. If informed of the problem in a timely manner, IHCDA staff may be able to correct the issue and/or provide additional guidance for specific non-Federal requirements on a case-by-case basis. However, assistance cannot be provided for applicants that do not notify IHCDA of an issue prior to the application deadline.

If IHCDA staff are unable to open or view submitted electronic documentation as a result of technical errors (e.g. file corruption, incompatible file types, etc.), staff will enlist IT support personnel to correct or bypass the issue. If the issue cannot be resolved, the applicant will not be allowed to submit a new or updated document and the application will be reviewed as if the document in question was not submitted. This may result in the applicant failing threshold and/or not receiving points in a scoring category. Therefore, it is in an applicant's best interest to review all electronic documentation to ensure it is complete and compatible with several different devices and/or programs before submittal.

Instructions on how to utilize OneDrive will be explained during the application webinar. Please note:

- **Applicants may NOT set up folders in OneDrive themselves.**
- **Applicants must contact the Real Estate Department Coordinator to request the creation of a folder.**
- **The Real Estate Department Coordinator will then share that folder with the applicant and the applicant may then upload the application form and all other required documents to the created folder.**

The application fee of \$250 must be submitted via the IHCDA Online Payment Portal located [here](#).

The USB flash drive should be sent to:

Indiana Housing and Community Development Authority  
ATTN: Real Estate Department Coordinator  
RE: HOME Application  
30 South Meridian Street, Suite 900  
Indianapolis, IN 46204

All applicants must retain a copy of this application package. Applicants that receive funding will be bound by the information contained herein.

Applicants must notify the Real Estate Department Coordinator and their Regional Analyst when they have uploaded documents to OneDrive, including documents for preliminary CHDO certification. Failure to notify IHCDA when documentation is uploaded may result in the delay or disqualification of the application.

Please notify the Real Estate Department Coordinator if the applicant would like to add an additional contact person for communications regarding its application.

### **1.7 Application Review**

Each application must address only one development. Applications are reviewed in a three-step process:

- |                                |  |
|--------------------------------|--|
| <u>Step One</u> - Completeness | On or before the application deadline, the applicant must provide all required documents, signatures and attachments.  |
| <u>Step Two</u> - Threshold    | <p>The application must meet each of the applicable threshold criteria, including underwriting guidelines found in Section 6.5 below. After initial threshold review, IHDCa staff may contact an applicant to notify them of required technical corrections as well as to request clarification of additional questions raised during threshold review. The applicant will have the opportunity to respond on or before the due date provided by IHCDA. If the applicant does not respond to the technical correction and threshold clarification letter, or the applicant's response does not address all concerns, the application may be disqualified. Points will be awarded to applicants requiring two or less technical corrections, based upon the scoring table located in the Bonus scoring section of this policy.</p> <p>For definitions of technical corrections and clarifications, please consult the glossary at the end of this policy.</p> |
| <u>Step Three</u> - Scoring    | Applications that pass completeness and threshold reviews are then scored according to IHCDA's published scoring criteria. After initial score review, IHCDA staff may contact the applicant for further clarification of a scoring item. Failure to respond to the requested scoring clarification items by the due date and in the manner requested may result in application denial. Supporting documentation for scoring categories will not be accepted after the initial application submission.   |

Applications proposing rental activities will be scored separately from, and will not compete with, applications proposing homebuyer activities. An amount of funding, determined at the discretion of IHCDA, will be set aside for rental projects each year as prescribed in IHCDA's Consolidated Plan.

Funded applications will be announced at the published IHCDA board meeting date. Award letters and score sheets will be uploaded to OneDrive by the close of business on the day of the board meeting. Applications that are not funded will be notified by IHCDA via denial letters and final score sheets being uploaded to OneDrive by the close of business on the day of the board meeting. Applications not funded will not be rolled over into the next funding round.

### **1.8 HOME Past Awards**

Before an applicant can apply for a new HOME award, any other HOME awards that the applicant has received from IHCDA must be drawn down by a minimum of 25% of the award's total funding amount. Applicants funded during the most recent HOME round or awarded within six months of the starting date of the current round (based on the date of the last signature on the applicant's award agreement) are exempt from this requirement.

### **1.9 Minimum Score Requirement**

An application must score at least 68 points to be considered for funding.

### **1.10 IHCDA CDBG, HOME & HTF Program Manual**

The IHCDA CDBG, HOME & HTF Program Manual outlines the requirements for administering IHCDA's CDBG & HOME awards. A complete copy of the CDBG, HOME & HTF Program Manual and all exhibits are available on IHCDA's website [here](#).

### **1.11 Environmental Review Record and Section 106 Historic Review User's Guide**

The Environmental Review Record (ERR) and Section 106 Historic Review User's Guide and the ERR Workbook provides additional background information about the federally required processes including why the review is necessary, how to perform the review, and other resource information to help you complete the ERR Workbook. These documents can be found on IHCDA's website [here](#).

### **1.12 IHCDA Waiver Policy**

IHCDA, in its sole discretion, will consider a waiver request from any Applicant, Owner and/or Developer in regards to Section 5.1 (Subsidy Limitations **only**) and Section 6.5 (Underwriting guidelines). IHCDA does not accept waiver requests for any Federal Regulation or scoring requirements. Requests for additional funding will not be accepted.

IHCDA must receive the waiver request no later than 30 days prior to the application deadline. The waiver request must include the following:

- The details of the specific threshold requirement for which the Applicant is requesting a waiver,
- A detailed description as to why the Applicant cannot meet the threshold requirement,
- Any additional information the Applicant would like IHCDA to consider with the request.

### **1.13 Development Fund**

Applicants may apply for the Development Fund with their HOME application. Applicants must provide documentation and explanation on an alternative source of funding if the Development Fund application is denied, or if Development Fund is not available.

More information on the Development Fund may be found in Part 10.

### **2.3 Ineligible Applicants**

Per 24 CFR 92.214 (a)(4) HOME funds may not be invested in public housing projects.

IHCD reserves the right to disqualify from funding any application that has an applicant, sub-recipient, administrator, preparer, or related party of any of the aforementioned, with a history of disregarding the policies, procedures, or staff directives associated with administering any IHCD program or program administered by any other State, Federal, or affordable housing entity. This includes, but is not limited to, the Indiana Office of Community and Rural Affairs, the U.S. Department of Housing and Urban Development (HUD), the U.S. Department of Agriculture - Rural Development, and the Federal Home Loan Bank.

Additionally, any entity currently on IHCD's suspension or debarment list is ineligible to submit an application. IHCD's Suspension and Debarment Policy can be found in Chapter 17 of the IHCD HOME, HTF, and CDBG Program Manual.

### **2.4 Religious and Faith-Based Organizations**

- *Equal treatment of program participants and program beneficiaries.* (1) *Program participants.* Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOME program. Neither the Federal Government nor a State or local government receiving funds under the HOME program shall discriminate against an organization on the basis of the organization's religious character or affiliation. Recipients and subrecipients of program funds shall not, in providing program assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.
- *Beneficiaries.* In providing services supported in whole or in part with federal financial assistance, and in their outreach activities related to such services, program participants shall not discriminate against current or prospective program beneficiaries on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
- *Separation of explicitly religious activities.* Recipients and subrecipients of HOME program funds that engage in explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization, must perform such activities and offer such services outside of programs that are supported with federal financial assistance separately, in time or location, from the programs or services funded under this part, and participation in any such explicitly religious activities must be voluntary for the program beneficiaries of the HUD-funded programs or services.
- *Religious identity.* A faith-based organization that is a recipient or subrecipient of HOME program funds is eligible to use such funds as provided under the regulations of this part without impairing its independence, autonomy, expression of religious beliefs, or religious character. Such organization will retain its independence from Federal, State, and local government, and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct program funds to support or engage in

any explicitly religious activities, including activities that involve overt religious content, such as worship, religious instruction, or proselytization, or any manner prohibited by law. Among other things, faith-based organizations may use space in their facilities to provide program-funded services, without removing or altering religious art, icons, scriptures, or other religious symbols. In addition, a HOME program-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

- *Alternative provider.* If a program participant or prospective program participant of the HOME program supported by HUD objects to the religious character of an organization that provides services under the program, that organization shall, within a reasonable prompt time after the objection, undertake reasonable efforts to identify and refer the program participant to an alternative provider to which the prospective program participant has no objection. Except for services provided by telephone, the Internet, or similar means, the referral must be to an alternate provider in reasonable geographic proximity to the organization making the referral. In making the referral, the organization shall comply with applicable privacy laws and regulations. Recipients and subrecipients shall document any objections from program participants and prospective program participants and any efforts to refer such participants to alternative providers in accordance with the requirements of §92.508(a)(2)(xiii). Recipients shall ensure that all subrecipient agreements make organizations receiving program funds aware of these requirements.
- *Structures.* Program funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for explicitly religious activities. Program funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. When a structure is used for both eligible and explicitly religious activities, program funds may not exceed the cost of those portions of the acquisition, new construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to the HOME program. Sanctuaries, chapels, or other rooms that a HOME program-funded religious congregation uses as its principal place of worship, however, are ineligible for HOME program-funded improvements. Disposition of real property after the term of the grant, or any change in the use of the property during the term of the grant, is subject to government wide regulations governing real property disposition (see 24 CFR parts 84 and 85).
- *Supplemental funds.* If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

---

### 3.1 Eligible Activities

This program is intended to have a long-term impact on the availability and quality of the affordable housing stock in Indiana. The program is intended for the rehabilitation and/or new construction of rental housing. Acquisition only is not an eligible activity; however, acquisition in conjunction with another activity is permitted.

The following are ineligible activities:

- Per 24 CFR 92.214 (a)(4) HOME funds may not be invested in public housing projects.
- Owner-occupied rehabilitation;

- Recipients must comply with all regulatory requirements listed in 24 CFR Part 92.

Applicants should familiarize themselves with IHEDA's CDBG, HOME & HTF Program Manual. Requirements include, but are not limited to the following:

- **Lead Based Paint:**

- Each recipient of a HOME award is subject to the HUD requirements of addressing lead-based paint hazards pursuant to 24 CFR Part 35. If a risk assessment is required, then all lead-based paint issues must be addressed.
- Anyone who conducts lead-based paint activities in the State of Indiana must be licensed. Licenses are issued only after an applicant has successfully completed course certification by an accredited training facility and has passed the licensing examination administered by the ISDH. A separate license is required for each of the authorized lead disciplines. All licenses must be renewed every three years by successfully completing refresher training approved by the ISDH. Activities requiring licensing include:
  - Inspection for lead-based paint
  - Risk assessment for lead hazards
  - Clearance examination following lead abatement
  - Abatement of lead-based paint
  - Project design, supervision, and work in abatement projects
- Anyone who is paid to perform work that disturbs paint in housing and child-occupied facilities built before 1978 must be EPA certified. This includes all firms, even sole proprietorships. Firms can't advertise or perform renovation activities covered by the regulation in homes or child occupied facilities built before 1978 without firm certification. Examples of the types of firms covered:
  - Residential rental property owners/managers
  - General contractors
  - Special trade contractors, including
    - Painters
    - Plumbers
    - Carpenters
    - Electricians
- Federal law requires that a "certified renovator" be assigned to each job and that all involved individuals be trained in the use of lead-safe work practices.
  - To become a certified renovator, a person must complete a renovator training course accredited by EPA or an EPA authorized program which will teach them how to work lead safe.
  - All remaining individuals must also be trained. They can either be certified renovators (meaning they successfully completed the accredited training) or they can have been trained on the job by a certified renovator (such training must be documented and the documents must be retained).
- **Section 504:**
  - Housing must meet the accessibility requirements of 24 CFR Part 8 which implements Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and covers multifamily dwellings, as defined in 24 CFR Part 100.201. It must also meet the design and construction requirements of 24 CFR 100.205 and implement the Federal Fair Housing Act Amendments of 1988 (42 U.S.C. 3601-3619).
- **Uniform Relocation Act:**
  - Each recipient of a HOME award is subject to the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA). See IHEDA's [Program Manual](#) Chapter 4 for guidance on the regulatory requirements of the URA, as amended,

the Federal regulations at 49 CFR Part 24, and the requirements of Section 104(d) of Title I of the Housing and Community Development Act of 1974, as amended.

- **Affirmative Marketing Procedures:**
  - Rental housing with five or more HOME-assisted units must adopt IHCD's Affirmative Marketing Procedures. See the IHCD [Program Manual](#) for guidance on Affirmative Marketing Procedures.
- **Section 3:**
  - Any recipient receiving an aggregate amount of \$200,000 or more from one or more of the HUD CPD programs (i.e. CDBG, HOME, NSP, HOPWA, ESG, etc.) in a program year must comply with the Section 3 requirements. Section 3 provides preference to low- and very-low-income residents of the local community (regardless of race or gender) and the businesses that substantially employ these persons, for new employment, training, and contracting opportunities resulting from HUD-funded projects.
- **Income Verification:**
  - An income verification is valid for a period of six months. If more than six months pass between income verification and contract execution/lease execution/purchase agreement, then a new income verification must be completed.
- **Procurement Procedures:**
  - Each recipient of a HOME award will be required to provide proof of adequate builder's risk insurance, property insurance, and/or contractor liability insurance during construction and property insurance following construction for the assisted property throughout the affordability period of the award.
  - If the recipient of the HOME award is a Local Unit of Government, or a non-profit not acting as a developer, the recipient must follow competitive procurement procedures when procuring all materials, supplies, equipment, and construction or professional services related to the HOME award. Please note that public non-for-profits (i.e. Housing or Redevelopment Authorities and public agencies may not act as Developers and must competitively procure.
  - If the non-for-profit recipient is acting as a developer, competitive procurement standards are not required. To be considered a non-for-profit developer, the non-profit must meet the following criteria:
    - Must have site control (either through ownership or a lease) of the property;
    - Must be in sole charge of the development processes - and not just acting as a contractor, which includes:
      - Obtaining zoning and other approvals;
      - Obtaining other non-HOME financing for the project;
      - Selecting the architect, engineers, general contractors, and other members of the development team; and,
      - Overseeing the progress of the work and cost reasonableness.
- **Environmental Review:**
  - To help facilitate timely expenditure of HOME funds, all applicants are required to complete and submit the Environmental Review Record (ERR) and Section 106 Historic Review at the time of application.

- To complete the forms and the Release of Funds process, refer to the ERR Guidebook found [here](#).
- As part of the Section 106 Historic Review process, IHCD is required to submit all new construction projects to the Indiana Department of Natural Resources' State Historic Preservation Office (SHPO) for archaeology review. SHPO is statutorily required to complete this review within 30 days. Please plan your project timeline accordingly.
- The applicant will receive their fully executed HOME award documents and will be allowed to draw funds only after the applicant has been allowed to publish a public notice and when the Release of Funds process is complete.
- Applicants may not purchase any property to be assisted with HOME funds, sign contracts, or begin rehab/construction until the ERR/Release of Funds process has been completed and approved.
- IHCD will not fund projects located in a floodway or that have any portion of the project site in a 100-year flood plain. If the project site has any area that is designated as any variation of Zone A or as a floodway, then the project is ineligible for IHCD funding. Re-platting and/or re-parceling a site out of any variation of Zone A will not be allowed. Instead, the applicant must consult with and follow FEMA procedures to change the flood designation; this process should be completed prior to submitting a funding application to IHCD.
- For sites within the shaded Zone X or sites outside of Zone A but without a Base Flood Elevation (BFE; this information will be indicated on the FEMA map), then the potential adverse impacts of being directly adjacent to a flood prone area must be minimized. Therefore, the applicant must demonstrate to IHCD that design modifications are included in the project scope. The information must be submitted with the ERR Workbook upon funding application to IHCD. These requirements can also be found in the ERR Workbook. These design modifications include:
  - Flood minimization techniques like permeable surfaces, storm water capture and reuse, and/or green roofs.
  - New construction and substantial improvement projects must be elevated at or above the 100-year floodplain.
  - The inclusion of early warning systems and emergency evacuation plans.
- If your project involves new construction and has either mapped wetlands or potential wetlands, the project is not eligible for IHCD funding. If your project involves site excavation, installation of wells or septic systems, grading, placement of fill, draining, dredging, channelizing, filling, diking, impounding, and any related activities, and has either mapped wetlands or potential wetlands, you must consider project alternatives, including a new site
- **Construction Standards and Physical Inspections:**
  - All IHCD-assisted units must be inspected twice during the award period. The first inspection will occur when 50% of funds are drawn for single site projects, or when half the units are complete for scattered site projects. The second inspection will be conducted upon completion of construction for the award. Site visits during construction may be conducted to monitor progress of all projects. The IHCD Inspector or IHCD's third-party Inspector will conduct the physical inspections. Failure to comply with these inspection requirements may result in the loss of points in future applications and/or findings during IHCD post-award compliance monitoring.

- **Match:**
  - The match requirement for the HOME program is 25% of the total amount of HOME funds requested except HOME funds used for environmental review costs (pursuant to §92.206(d)(8)), planning costs (pursuant to §92.207); CHDO operating expenses (pursuant to §92.208); capacity building (pursuant to §92.300(b)) of CHDOs; and predevelopment or seed money loans to CHDOs (pursuant to §92.301) when IHCD waives repayment under the provisions of §92.301(a)(3) or §92.301(b)(3).
  - Labor, property, funds, or other sources of match contribution donated by the applicant to itself, or by a principal or investor in the development, are not eligible for match as defined in §92.220(b)(4).
  - If utilizing banked match, the applicant must have sufficient unencumbered banked match available at time of application.
  - All required match must be committed by the time closeout documentation is submitted.
  - If utilizing a tax exemption as a source of match, the applicant must have a signed letter from the local unit of government that lists the property or properties receiving the exemption, the length of the exemption, and the total value of the exemption.
- **Davis Bacon:**
  - Each recipient of a HOME award must follow the Davis Bacon requirements found in 29 CFR Parts 1, 3, and 5 to ensure workers receive no less than the prevailing wages being paid for similar work for the following type of projects:
    - Rehabilitation or new construction of a residential property containing 12 or more HOME-assisted units; and
    - Affordable housing containing 12 or more units assisted with HOME funding regardless of whether HOME funding is used for construction or non-construction activities.
    - Such properties may be one building or multiple buildings owned and operated as a single development.
    - Public Housing Authorities (PHAs) using PHA funds in conjunction with IHCD funds are subject to Davis Bacon requirements.
- **Meaningful Access for Limited English Proficient Persons**
  - Persons who, as a result of national origin, do not speak English as their primary language and who have limited ability to speak, read, write, or understand English (“limited English proficient” or “LEP”) may be entitled to language assistance under Title VI in order to receive a particular service, benefit, or encounter. In accordance with Title VI of the Civil Rights Act of 1964 and its implementing regulations, the recipient must agree to take reasonable steps to ensure meaningful access to activities funded by federal funds for LEP persons. Any of the following actions could constitute “reasonable steps”, depending on the circumstances: acquiring translators to translate vital documents, advertisements, or notices; acquiring interpreters for face to face interviews with LEP persons; placing advertisements and notices in newspapers that serve LEP persons; partnering with other organizations that serve LEP populations to provide interpretation, translation, or dissemination of information regarding the project; hiring bilingual employees or volunteers for outreach and intake activities; contracting with a telephone line interpreter service; etc.
- **Registering Vacancies:**

- Applicants that are proposing to develop rental housing must register vacancies for assisted housing in the IndianaHousingNow.org affordable housing database.
- **Other HOME Construction Standards:**
  - Units must, at a minimum, meet the stricter of the local rehabilitation standards or the Indiana State Building Code.
    - If a property is applying for project based vouchers, the units must be built to comply with the stricter of PBV Housing Quality Standards or local building code.
  - Any units utilizing gas appliances must provide carbon monoxide detectors in addition to standard smoke detectors.
  - Recipients of HOME funds must meet additional energy efficiency standards for new construction as described in 24 CFR 92.251.
- **Capital Needs Assessment:**
  - Projects performing the rehabilitation activity with a total of 26 or more units (the total of HOME-assisted and non-HOME assisted units) must complete and provide a Capital Needs Assessment (CNA).
- **Federal Programs Ongoing Rental Compliance:**
  - Recipient must ensure that each owner of a HOME-assisted rental project enters tenant events into IHCDA's Indiana Housing Online Management System at <https://ihcdaonline.com/> within 30 days of the tenant's event date. Tenant events include move-ins, move-outs, recertification, unit transfers, and rent and income changes. In addition, Annual Owner Certification Rental Reports must be submitted electronically using the Indiana Housing Online Management System throughout the affordability period in the Annual Rental Report. See IHCDA's [Program Manual](#) for further guidance.
  - Recipient must ensure that there is a written lease between any tenant and the owner of rental housing assisted with HOME funds. The term of the lease may not be less than one year, unless a shorter period is specified upon mutual agreement between the tenant and the owner. The lease may not contain any of the prohibited provisions set forth in 24 CFR 92.253 (b).
  - In accordance with 92.504(d)(2), the recipient must provide IHCDA with the financial documentation and/or reports needed by IHCDA to conduct its examination of the financial condition of the project, if project has 10 or more HOME-assisted units.
  - Rental housing developments must assist households at or below 60% of the Area Median Income for the county, as published by HUD and distributed by IHCDA. Additionally, those developments with five or more HOME-assisted units must set-aside at least 20% of the units for households at or below 50% of the Area Median Income. Households must also meet the definition of "low-income families" at 24 CFR 92.2 which limits occupancy based on certain student status rules (see Part 4.1G of the Federal Programs Ongoing Rental Compliance Manual).
  - Recipient must follow the non-discrimination requirements of the Fair Housing Act, the Violence Against Women Reauthorization Act of 2013, and the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity rule.
- **Broadband Infrastructure:**
  - As described in the HUD Final Rule 81 FR 92626, any new construction or substantial rehabilitation of more than four rental units must provide for installation of broadband infrastructure, as defined in 24 CFR 5.100, except when IHCDA determines and documents that one or more of the exceptions listed in HUD Final Rule 81 FR 92626 apply.

Each unit should have cables, fiber optics, wiring, or other permanent (integral to the structure) infrastructure, including wireless infrastructure, which is capable of providing access to Internet connections in individuals housing units.

• **Tenant Selection Plan**

- All HOME-funded properties must create a written tenant selection plan that meets all requirements outlined in Part 4.2E of IHCDA’s Federal Programs Ongoing Rental Compliance Manual, as amended from time to time. This includes compliance with the nondiscrimination requirements of the Fair Housing Act, Violence Against Women Reauthorization Act, Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Rule, and the 2016 HUD Office of General Counsel Guidance on Criminal Records.

**3.4 Affordability Requirements**

HOME subsidized activities must be secured throughout the affordability period by a recorded lien and restrictive covenant agreement created by IHCDA. The recipient shall comply with the following requirements of the HOME Program throughout the affordability period:

1. Ensuring that the property meets the Property Standards set forth in 24 CFR 92.251;
2. Ensuring that the tenants meet the affordability requirements set forth in 24 CFR 92.252 by documenting and verifying the income of tenants as set forth in IHCDA’s Federal Programs Ongoing Rental Compliance Manual, as amended from time to time by IHCDA;
3. Submitting annual tenant events and annual owner certifications to IHCDA through its online reporting system as set forth in IHCDA’s Federal Programs Ongoing Rental Compliance Manual;
4. Participating in periodic monitoring and inspections of the Property by IHCDA and/or the U. S. Department of Housing and Urban Development (“HUD”);
5. Complying with the Federal income and rent limits issued by HUD and published annually on IHCDA’s website;
6. Providing IHCDA with information regarding unit substitution and filling vacancies, if the project has floating units; and
7. Ensuring that each tenant enters into a lease that does not contain HUD prohibited lease language as set forth in IHCDA’s Federal Programs Ongoing Rental Compliance Manual. The affordability period begins after the project has been completed and the completion forms have been submitted to and approved by IHCDA. During the affordability period all HOME program rental requirements apply to the property. See IHCDA’s [Federal Programs Ongoing Rental Compliance Manual](#) for a full discussion of affordability period compliance.

The following affordability periods apply to all HOME rental housing and homebuyer projects:

Amount of HOME subsidy per unit:	Affordability Period
Under \$15,000	5 years
\$15,000 - \$40,000	10 years
Over \$40,000 - or any rehabilitation/refinance combination activity	15 years

Amount of HOME subsidy per unit:	Affordability Period
New construction or acquisition of newly constructed transitional, permanent supportive, or rental housing	20 years

**3.5 Lien and Restrictive Covenant Agreement**

Each recipient of a HOME award must ensure that a lien and restrictive covenant is executed and recorded against every property constructed, rehabilitated, or acquired, in whole or in part, with HOME funds. Upon the occurrence of any of the following events during the Affordability Period, the entire sum secured by the lien shall be due and payable by developer and/or owner upon demand. Repayment may be demanded upon: (1) Transfer or conveyance of the real estate by deed, land contract, lease, or otherwise, during the Affordability Period; (2) Commencement of foreclosure proceedings by any mortgagee (or deed in lieu of foreclosure), within the Affordability Period; (3) The real estate no longer meets the property standards set forth in 24 CFR 92.251; (4) HOME-assisted units are not being used by qualifying tenants as their principal residence; (5) annual tenant events and annual owner certifications are no longer being submitted to IHCDA through its online reporting system as set forth in IHCDA’s [Federal Programs Ongoing Rental Compliance Manual](#); (6) non-compliance with the federal income and rent limits issued by HUD; and (7) units are not leased in accordance with the requirements set forth in IHCDA’s [Federal Programs Ongoing Rental Compliance Manual](#).

The recipient of the HOME award will be responsible for repaying IHCDA any HOME funds utilized for any housing constructed, rehabilitated, or acquired that does not remain affordable and in compliance in accordance with 24 CFR 92.252 for the entire Affordability Period. The Affordability Period is based upon the total amount of HOME funds invested into the HOME-assisted units as depicted in the chart above. (IHCDA [Program Manual](#), Lien and Restrictive Covenants & Affordability Requirements Chapter 12)

## Part 4 : CHDO

---

### 4.1 IHCD CHDO Set-Aside

IHCD must allocate at least 15% of its HOME funds for CHDO projects.

### 4.2 CHDO Eligible Activities

Permanent rental and homebuyer housing are considered CHDO-eligible activities for purposes of the CHDO set-aside as long as the activity takes place within the CHDO's state-certified service area and the CHDO owns, develops, or sponsors the activity.

CHDOs must certify at time of application and identify which of the three roles the CHDO will undertake with the project:

- The CHDO **“owns”** the activity when the CHDO holds valid legal title in fee simple or has a long-term (99-year minimum) leasehold interest in a rental property. The CHDO may hire and oversee a project manager or contract with a developer to perform the rehabilitation or new construction.
- The CHDO **“develops”** the activity when the CHDO is the owner in fee simple or through a long-term ground lease during both the development and the affordability period. As developer, the CHDO must be in sole charge of all aspects of the development process, including obtaining zoning, securing non-HOME funds, selecting contractors, overseeing the progress of work, and determining reasonableness of costs.
- The CHDO **“sponsors”** rental projects through one of two processes:
  - Rental housing is developed by a CHDO affiliate, defined as a CHDO's wholly owned subsidiary (non-profit or for-profit); a limited partnership of which the CHDO or its wholly owned subsidiary is the sole general partner; or a limited liability company of which the CHDO or its wholly-owned subsidiary must be the sole managing member. If the limited partnership or limited liability company agreement permits the CHDO to be removed as general partner or sole managing member, the agreement must provide that the removal must be for cause and that the CHDO must be replaced with another CHDO.
  - The CHDO develops housing on behalf of another non-profit. The rental housing is transferred by the CHDO to the other nonprofit upon completion. The nonprofit receiving the property upon completion must be identified by the CHDO, not be created by a governmental entity, and assume ownership and all HOME obligations, including any loan repayment. The CHDO must own the property during the development period and be in sole charge of the development process.

### 4.3 CHDO Program Requirements

CHDOs must adhere to all HOME requirements listed in this Application Package and the additional CHDO specific program requirements:

- Applicants that would like to apply as a CHDO must apply for CHDO certification at the time of submitting a HOME application.<sup>2</sup> The CHDO application can be found as a separate document on

---

<sup>2</sup> Please note that certified CHDOs are now eligible to request up to \$1,500,000 of HOME funding. In order to be eligible for these funds, applicants must follow a different CHDO certification process. This process can be found in section 5.1 of the HOME Rental Policy.

the IHCDA website [here](#). The CHDO application must be submitted at the same time as the HOME application except when applying for precertification.

- Treatment of Program Income by a CHDO:
  - Proceeds generated from a CHDO development activity may be retained by the CHDO but must be used for housing activities that benefit low-income families as provided in 24 CFR 92.300(a)(2). Such proceeds are not considered program income and are not subject to HOME Program requirements. However, funds recaptured because housing no longer meets affordability requirements are not considered CHDO proceeds and are subject to the requirements of 24 CFR 92.503(b) and must be returned to IHCDA.
- An application for a CHDO-eligible undertaking must demonstrate the following:
  - Low- and moderate-income persons have had the opportunity to advise the CHDO in its decision regarding the design, site, development, and management of the affordable housing undertaking.
  - Certify that the organization continues to meet the definition of a CHDO by being a certified CHDO by IHCDA.
  - Complete the CHDO related sections in the HOME Application Forms.

**4.4 CHDO Operating Supplement**

CHDOs may apply for supplemental funds in a HOME funding round. A CHDO may receive CHDO operating supplement funds in an amount not to exceed \$50,000 per project and \$50,000 total within one program year, except when receiving a second award of CHDO Operating Supplement, as described below. The HOME program year is July 1<sup>st</sup> through June 30<sup>th</sup>.

CHDOs are eligible to apply for a second award of CHDO Operating Supplement for a project that received a CHDO Operating Supplement award at the time of its initial funding. CHDOs funded within the past 12-24 months for a HOME project can apply for additional supplemental operating support of up to \$25,000, if they have met the following criteria:

- Have begun construction within the first 12 months of the executed agreement with IHCDA;
- Have drawn a minimum of 25% of the IHCDA housing development award; and
- Have drawn 100% of the original CHDO Operating Support award.

CHDOs receiving a second year of CHDO Operating Supplement may receive funds in an amount not to exceed \$50,000 per project and \$75,000 total within one program year.

Eligible costs include:

- |                              |                                   |
|------------------------------|-----------------------------------|
| • Accounting Services/Audit  | • Postage                         |
| • Communication Costs        | • Professional Dues/Subscriptions |

| • Equipment/Software         | • Staff Salary/Fringe             |
| • Insurance                  | • Taxes                           |
| • Lead-Based Paint Equipment | • Travel                          |
| • Legal Fees                 | • Utilities                       |

CHDO Operating Support cannot exceed the greater of \$50,000 or 50% of the CHDO's total annual operating expense within one program year.

#### **4.5 CHDO Predevelopment and Seed Money Loans**

CHDOs are eligible for development specific predevelopment or seed money loans. Applicants may request up to \$30,000 in loans for special project-specific pre-development expenses. All loans may not exceed customary and reasonable project preparation costs and must be repaid from construction loan proceeds or other program income. The CHDO must apply for the predevelopment or seed money through a separate application process.

The following limitations apply to CHDOs requesting Predevelopment Loans:

- The CHDO may not have more than five currently open or pending CHDO Predevelopment Loans, including the loan(s) being submitted.

Please contact your Real Estate Production Analyst for more details.

## Part 5: Subsidy Limitations & Eligible Activity Costs

### 5.1 Maximum Award Request, Subsidy Limitations & Budget Limitations

Applicant Type	Maximum Award Request
Non-CHDO	\$1,000,000
CHDO	\$1,500,000

Applicants that are not certified as a CHDO, or that are certified as a CHDO **after** the application due date, may request up to \$1,000,000.

Applicants that are certified as a CHDO **before** the application due date may request up to \$1,500,000.

- In order to qualify, applicants must submit a CHDO application and all required CHDO documentation by **5:00 p.m. Eastern Time on March 28<sup>th</sup>, 2022**. The CHDO application can be found as a separate document on the IHCDA website [here](#).
- IHCDA staff will review the applicant’s CHDO application. If further clarification is needed, IHCDA will reach out to the applicant for additional information.
- Upon making a final determination, IHCDA will inform each CHDO applicant as to the status of its certification. If the applicant is certified as a CHDO it may request up to \$1,500,000. If the applicant is not certified as a CHDO, it will be limited to the non-CHDO maximum award request limit of \$1,000,000.
- An applicant that submits its CHDO certification after the deadline listed above will NOT be eligible to request more than \$1,000,000. However, its certification status will still be reviewed, it will still be eligible for any scoring category contingent on CHDO status, and it will still be eligible to request CHDO Operating Supplement funds in conjunction with its HOME application.

#### Subsidy Limitations

IHCDA HOME income set-asides are defined as follows:

Income Set-Aside	AMI Range
30% AMI	30% AMI and below
40% AMI	40% AMI and below
50% AMI	50% AMI and below
60% AMI	60% AMI and below

HOME funds used for acquisition, rehabilitation, new construction, soft costs, relocation, rent-up reserve, and developer’s fee combined cannot exceed:

For units designated 50% AMI or higher:

Bedroom Size	Per Unit Subsidy Limit
0	\$72,000
1	\$84,000

IHCDA HOME 2021 Rental Program

2	\$96,000
3	\$117,000
4+	\$128,000

For units designated 40% AMI or lower:

Bedroom Size	Per Unit Subsidy Limit
0	\$90,000
1	\$105,000
2	\$120,000
3	\$145,000
4+	\$160,000

The minimum amount of HOME funds to be used for rehabilitation or new construction is \$1,001 per unit.

*Budget Limitations*

- HOME funds cannot be used for reserve accounts for replacement or operating costs but may be used as a Rent-Up Reserve.
- All subsidies must be secured throughout the affordability period by a written, legally binding, recorded restrictive covenant.
- HOME funds budgeted for developer’s fee cannot exceed 15% of the HOME award.
- HOME funds budgeted for soft costs, environmental review, and developer’s fee together cannot exceed 20% of the HOME award.

**5.2 Form of Assistance**

HOME funds will be awarded to the recipient in the form of a grant or loan. Award documents must be executed in order to access funds and will include, but are not limited to: award agreement, resolution, and a lien and restrictive covenant agreement.

The applicant may then provide the HOME award as a forgivable, amortized, or deferred loan to as many other entities as it chooses, known as subgrantees. However, subgrantees must be identified in the application and approved by IHCDA.

A title company is required to be used for all loans that occur between the IHCDA recipient and the subgrantee of the program. An example is when an IHCDA recipient is assisting a property that it does not own. When the loan is made from the IHCDA recipient to the subgrantee, a title company must be used.

The IHCDA recipient must execute a promissory note, mortgage, lien and restrictive covenant agreement, security agreement, UCC Financing Statement(s), and other documents as directed by IHCDA in order to secure IHCDA’s investment in the assisted property. The recipient is required to deliver these

documents to the county recorder's office for recording. These documents will be reviewed during monitoring visits.

## Part 6: Rental Housing Requirements

---

### 6.1 Eligible Projects

HOME projects can propose rental activities with this policy and corresponding application forms. Homebuyer activities are eligible using the Homebuyer policy and corresponding application forms.

### 6.2 Eligible Rental Activities

Eligible activities include new construction, rehabilitation, acquisition/rehabilitation or acquisition/new construction. Acquisition is allowed only in conjunction with either the rehabilitation or new construction activity and is ineligible as a stand-alone activity. Permanent rental housing units may not be used for temporary or emergency housing at any time.

All households occupying HOME-assisted rental units must be income and student status qualified based on HOME regulations. See the [Federal Programs Ongoing Rental Compliance Manual](#) for more information on household qualification.

### 6.3 Rent Restrictions

HOME-assisted rental units will be rent-restricted throughout the affordability period to ensure that the units are affordable to low- and moderate-income households. Please refer to the most recent HOME rent limits, which can be found on IHCD's website under [RED Notices](#). The following restrictions apply:

- Published rent limits include the cost of any tenant-paid utilities. For all utilities that the tenant will be responsible for you must subtract approved utility allowance from the published rent limit.
  - For example, if the rent limit in a given county is \$300 with a utility allowance for gas heat of \$28, \$20 for other electric, and \$13 for water, the maximum allowable rent would be \$239 for a unit where the tenant pays all the above utilities (\$300 - \$28 - \$20 - \$13 = \$239).
- All units must be leased for initial occupancy within 18 months.
- If a SRO-unit has both food preparation and sanitary facilities, then use the HOME zero bedroom (efficiency) unit rent or 30% of the household's adjusted income, whichever is most restrictive.
- If a SRO-unit has neither food preparation nor sanitary facilities, or only one of either, then the rent may not exceed 75% of the fair market rent (FMR) for a zero bedroom unit. For example, if the FMR for a zero-bedroom unit in a given county is \$300, then the 40% rent limit in that county for a SRO unit that only has a bathroom and not a kitchen would be \$225 (\$300 x .75 = \$225).
- Gross rent must be at or below the published rent limit. Gross rent = tenant-paid rent + tenant-based rental assistance + utility allowance + non-optional charges.
- If the applicant proposes to receive all or a portion of the rent payment via a tenant-based voucher (rental subsidy), the gross rent (including the rental assistance amount) cannot exceed the published rent limits for the applicable income level.
  - For example, a tenant residing in a unit set-aside for households at or below 40% of the area median income has a voucher that pays \$100 of his/her rent, and the published utility allowance for tenant paid utilities for the unit is \$50. If the published 40% rent limit is \$300, the tenant paid portion of rent cannot exceed \$150 (\$300 rent limit - \$100 Section 8 Voucher - \$50 utility allowance = \$150 maximum tenant paid portion).
- If the development receives a federal or state project-based rent subsidy and the unit is designated as 50% or below, the household is at or below 50% AMI, and the household pays no

more than 30% of his/her adjusted income for rent, then the maximum rent may be the rent allowable under the project-based rental subsidy program as set forth in 24 CFR 92.252(b)(2).

- If the development charges non-optional fees for food or the costs of supportive services, then these costs must be included in the gross rent calculation
- All tenants who occupy HOME-assisted rental housing units must be income recertified on an annual basis. The Section 8 definition of household income applies.

**6.4 Affordability Periods and Resale/Recapture Requirements**

All rental projects are subject to an affordability period as defined in Part 3.4 of this document.

The recipient is subject to recapture provisions through a recorded lien and restrictive covenant agreement as described in Parts 3.5 of this document.

**6.5 Underwriting Guidelines for Rental Projects**

The following underwriting guidelines must be followed for any rental development. The numbers submitted should accurately reflect the true nature and cost of the proposed activity. IHCDA will consider underwriting outside of these guidelines, if supporting documentation is provided.

**TOTAL OPERATING EXPENSES** – All developments must be able to underwrite with a minimum operating expense of \$4,500 per unit per year (net of taxes and reserves). Total operating expense calculation includes replacement reserve contributions but excludes debt service.

**MANAGEMENT FEE** – The maximum management fee allowed is described in the table below, based on the number units within the project. The percentage is based on the “effective gross income” (i.e. gross income for all units, less vacancy rate).

Number of Units	Maximum Management Fee Percentage
1 – 50	7%
51 - 100	6%
101 or more	5%

**VACANCY RATE** – All developments must be able to underwrite with a vacancy rate between 6% and 8%.

**RENTAL INCOME GROWTH** – All developments must be able to underwrite with a rental income growth between 0% and 2% per year.

**OPERATING RESERVES** – All developments must be able to underwrite with operating reserves the greater of (1) a minimum of four months of projected expenses, including operating expenses, debt service payments, and replacement reserve payments, OR (2) \$1,500 per unit. Operating Reserves are not an eligible HOME expense and must come from other eligible sources.

**REHABILITATION** – When HOME funds are being used for rehabilitation, at least 51% of the total HOME request must be budgeted for rehabilitation costs.

**RENT-UP RESERVE** – HOME funds may be used to fund a rent-up reserve for new construction and rehabilitation rental housing developments. This reserve can be used to meet shortfalls in development

income during the rent-up period and may only be drawn down after all construction is completed at the development. The following terms apply:

- The term of the rent-up reserve account may not exceed six months after all construction is completed, after which time any unused reserves left in the account will be de-obligated by IHCDA.
- These funds can be used only for development operating expenses, scheduled payments to replacement reserves, and/or debt service payments.
- The recipient must receive IHCDA’s approval prior to accessing its rent-up reserve funding.
- The amount of HOME funds that can be utilized for a rent-up reserve is limited to three months development operating expenses plus three months of development debt service.

**REPLACEMENT RESERVES** – All developments are required to have replacement reserves. Replacement reserves must be included in the operating budget but are not included as part of the operating reserves. Contributions must be made to the reserve account starting at or before the conversion date of the construction loan to permanent loan and must be funded through the entire Affordability Period. Replacement reserve funds must only be used for capital improvements (substantial improvements to the real estate such as re-roofing, structural repairs, or major projects to replace or upgrade existing furnishings, but not including replacement of individual appliances or minor repairs) and must **not** be used for general maintenance expenses. Less restrictive provisions required by lenders must be approved by IHCDA.

Replacement reserves must escalate at a rate of 3% per year.

IHCDA will, at its discretion, adjust the replacement reserve to reflect reasonable and customary capital and replacement expenditures. The following minimum contributions must be used.

Development Type	Minimum Contribution per unit per year
Rehabilitation*	\$350
New Construction	\$250

\* For rehabilitation developments, the Capital Needs Assessment will be reviewed to determine whether sufficient reserves have been established.

**OPERATING EXPENSE GROWTH** – All developments must be able to underwrite with operating expense growth between 1% and 3% per year.

IHCDA requires operating expense growth to be at least 1% higher than rental income growth.

**STABILIZED DEBT COVERAGE RATIO** – All developments must be able to underwrite with a stabilized debt coverage ratio (DCR) within the following standards:

Development Location	Minimum Acceptable Debt Coverage Ratio
Large or Small City	1.15 – 1.40
Rural	1.15 – 1.50

- Stabilization usually occurs in year two; however, the debt coverage ratio for a development must not go below 1.10 during the affordability period to be considered financially feasible.

- IHCD recognizes that some deals may have higher debt coverage at the beginning of the affordability period in order to remain feasible for the duration of the affordability period. Documentation to support these higher debt coverage ratios must be provided.
- Developments without hard debt are allowed but will be subject to additional scrutiny from IHCD. Developments with no debt will not have a debt coverage ratio, but will be required to have cash flow without an undue profit. This will be determined by a ratio of Effective Gross Income to Total Annual Expenses (including Replacement Reserves). A ratio of 1.10 shall be the minimum required to be considered feasible by IHCD, throughout the affordability period.
- Tax abatement may cause the DCR to be higher than these guidelines.

The following documentation is required for Stabilized Debt Coverage Ratio:

- Documentation of estimated property taxes and insurance for the proposed development (i.e. a statement of how the applicant determined the estimated taxes and insurance for the development); AND
- If the underwriting is outside these guidelines, the applicant must provide a written detailed explanation with third party documentation supporting the explanation (approval of underwriting from other financing institutions/funding sources will not constitute acceptable supporting documentation).

#### **6.6 Market Assessment Guidelines for Rental Projects**

The following market assessment guidelines must be followed for any rental development. The numbers submitted should accurately reflect the market feasibility of the proposed activity. Only responses to these narrative questions are necessary, a full market study is not required.

**MARKET AREA** – Describe the market area from which the majority of the development’s tenants are likely to come and provide a map with a scale. Describe how the market area was determined to be appropriate for the development.

**SOCIOECONOMIC PROFILE AND TRENDS** – Describe the trends in population and households by age and income and estimate the number of eligible tenants for the development.

**HOUSING STOCK** – Describe the existing housing stock within the market area including the number of housing units, type (single family or multifamily), percent vacant, percent owner-occupied and renter-occupied, etc. In addition, provide a list of all other rent restricted properties in the market area and indicate whether they are age restricted.

**CAPTURE RATE AND ABSORPTION PERIOD** – Provide an estimate of the capture rate for the development (project’s units divided by the number of eligible tenants from the market area) and estimate the absorption period to ensure lease-up within 18 months of project completion.

**NEEDS ASSESSMENT** – Describe how the development addresses the community’s housing needs, given the market area’s socioeconomic profile, trends, and housing stock.

**DEVELOPMENT SITE DESCRIPTION** – Explain how the site is adequate in size, exposure, and contour to accommodate the number and type of units proposed. In addition, describe whether there are adequate utilities (water, sewer, gas, and electricity) to accommodate the development.

**Part 7: Completeness & Threshold Requirements**

Each proposed project must satisfy the Federal requirements of the HOME program listed in 24 CFR Part 92 and any additional requirements established by IHCDA. To be considered for funding, an applicant must meet all of the completeness and threshold requirements listed below.

**7.1 Completeness Requirements**

- Timeliness – All documentation must be turned in by the application due date.
  - On or before the application deadline, the applicant must provide all documentation as instructed in this application policy as well as required documentation listed in the HOME Application Forms.
  - If IHCDA requests additional information from the applicant, all requests are due on or before the date provided by IHCDA staff.
  - Any forms that are late will be denied review and will be sent back to the applicant.
- Responsiveness – All questions must be answered and all supporting documentation must be provided.
  - The applicant must provide all documentation as instructed in this application policy as well as all required documentation listed in the HOME Application Forms.
  - The applicant must provide all documentation as requested (i.e. uploaded or hard copies, labeled correctly, etc.)
  - All required signatures must be originally signed (no electronic signatures) but may be scanned and submitted in PDF form as allowed.

**Part 8 : Scoring**

If an application meets all applicable requirements, it will be evaluated and scored based on:

Scoring Category	Points Possible
Project Characteristics	33
Development Features	33
Readiness	8
Capacity	21
Leveraging of Other Sources	6
Unique Features & Bonus	9
<b>Total Possible Points</b>	<b>110</b>

When there is a scoring criterion based on the county being served and there are multiple counties, the applicant should add up the scores from each county and average them, rounding to the nearest whole number. An application must score at least 68 points to be considered for funding.

If two or more developments receive an equal total score, the following tie breakers will be used to resolve the tie:

1. First Tie Breaker: Priority will be given to the development located in a community that has not received a HOME award within the past three years. If a tie still remains;
2. Second Tie Breaker: Priority will be given to the development with the lowest average rent restrictions across all units. If a tie still remains;
3. Third Tie Breaker: Priority will be given to the development that requests the lowest amount of HOME funds per unit. If a tie still remains;
4. Fourth Tie Breaker: Priority will be given to the development that scores highest in the Opportunity Index.

8.1 Project Characteristics

Category Maximum Points Possible: 33

1) *Constituency Served*

Maximum Number of Points: 5

If the development commits to serving beneficiaries in IHCDA-assisted units with maximum incomes lower than required by the HOME program and maintains housing costs at affordable rates, points will be awarded in accordance with the following chart. Percentages are of the area median income (AMI) for the county in which the development is to be located. Awarded recipients will be held to the unit commitment in their award agreement. The AMI level selected applies to both the income and rent restriction on the unit. Changes to the AMI levels will require prior IHCDA approval.

Constituency Served	Points
20% of Population served at or below 40% AMI; OR	3
20% of Population served at or below 30% AMI	5

2) *Mixed-Income Housing*

Maximum Number of Points: 1

Community Integration	Points
10% of development units are Market Rate	1

3) *Targeted Population*

Maximum Number of Points: 4

Points will be awarded to applicants that target populations with special housing needs under IHCDA’s priority in accordance with the following guidelines and charts.

An individual or household that meets the criteria for two or more categories below (e.g. a veteran with a child six and under or a single parent household with a victim of domestic violence) may only be counted for **one** of the categories he or she qualifies for when calculating percentages for this scoring category. Percentages are calculated using the number of total units, including units that are not HOME-assisted.

Target Population	Points
<p>OPTION 1: Age-restricted housing in which at least 80% of the units in the development are restricted for occupancy by households in which at least one member is age 55 or older OR 100% of the units are restricted for households in which all members are age 62 or older; OR</p>	<p>2</p>
<p>OPTION 2: At least 25% of units are set-aside for households that meet one the “special needs population” definitions in Indiana Code 5-20-1-4.5 listed below*</p> <ul style="list-style-type: none"> <li>• Persons with physical or developmental disabilities</li> <li>• Persons with mental impairments</li> <li>• Persons with chemical addictions</li> </ul> <p>*Elderly are included in the Code definition but are excluded in this option as this target population is addressed in Option 1 above.</p> <p>A household with a disability will be defined as a household in which at least one member is a person with a disability using the Fair Housing definition of disabled (see glossary).</p> <p>Applicants electing this targeting option must enter into a referral agreement with a qualified organization that provides services for the target population. See part 4.1(F) of the <a href="#">Federal Programs Ongoing Rental Compliance Manual</a> for more information on referral agreements.</p> <p>Submit Form E: Special Needs Population Referral Agreement Form in “<b>Tab M_Project Characteristics</b>”. Form E can be found by following the “HOME Additional Forms” link on the <a href="#">IHCDA HOME Program website</a>; OR</p>	<p>4</p>
<p>OPTION 3: At least 30% of units are set-aside for households meeting at least one of the following designations:</p> <ul style="list-style-type: none"> <li>• Single parent, grandparent, or guardian head of households</li> <li>• Victims of domestic violence</li> <li>• Abused children</li> <li>• Families with children six and under</li> <li>• Veterans (As defined in the IHCDA HOME Rental Policy Glossary)</li> </ul>	<p>4</p>

In order to receive points under Option 1 above, developments must satisfy the following criteria:

New Construction:

- All common areas must be accessible and 100% of the units must be Accessible units, Type A units, or Type B units in accordance with Chapter 10 of the ICC A117.1, and elevators must be installed for access to all units above the ground floor.
  - The originally signed HOME application will serve as certification that the development will comply with these requirements.

Rehabilitation:

- All common areas on the main floor must be accessible and 100% of the ground floor units must be Accessible units, Type A units, or Type B units in accordance with Chapter 10 of the ICC A117.1. If the building(s) contained elevator(s)/lift(s) prior to rehabilitation, the elevators/lifts will need to be maintained and all common areas must be accessible and 100% of the units above the ground floor will need to be Accessible units, Type A units, or Type B units in accordance with Chapter 10 of the ICC A117.1.
  - The originally signed HOME application will serve as certification that the development will comply with these requirements.

4) Opportunity Index

Maximum Number of Points: 10

Applicants may earn up to ten points (with two points for each feature) for developments located within areas of opportunity. Points for scoring categories calculated using continuously updated statistics (e.g. unemployment rate, job growth, etc.) will be determined based upon the most recent data available **at the time of application submittal**. Changes in data occurring **after** preliminary scores are determined will not be considered when determining final scores.

- **Public Transportation** (2 points): Points will be awarded to developments located within a mile of a public transit station or bus stop. For communities with a population of 14,999 or less, point-to-point transportation is eligible as long as it is provided by a public or not-for-profit organization and is available to all residents of the development. Taxis, Uber, or other ride-sharing programs are not eligible for points. For scattered site developments, at least 75% of the proposed units must meet this requirement to be eligible for points.

In order to receive points for this scoring subcategory, the applicant must submit in **Tab M\_Project Characteristics**:

- For single sites: A mile radius drawn from the project location with transit stations or bus stop locations labeled.
- For scattered sites: A mile radius drawn from each bus stop or transit station with all qualifying scattered site labeled.
- For point-to-point transportation: Documentation that the point-to-point transportation is provided by a public or not-for-profit organization and is available to all residents.
- **Unemployment Rate** (2 points): Points will be awarded to developments located within a county that has an unemployment rate below the state average. Unemployment rate information can be found [here](#). For scattered site developments, at least 75% of the proposed units must meet this requirement to be eligible for points.
- **Job Growth** (2 points): Points will be awarded to developments located within a county that has a 12 month change in employment percentage in the top half of the state using

the Department of Labor's Quarterly Census of Employment and Wages as listed on <https://beta.bls.gov/maps/cew/us>. Scores will be determined using the most recent time period for which data is available for all 92 Indiana counties. For scattered site developments, at least 75% of the proposed units must meet this requirement to be eligible for points.

- **Employer Proximity** (2 points): Points will be awarded to developments located within five miles of at least one of a county's top 25 employers. County employer data can be found at <http://www.hoosierdata.in.gov/buslookup/BusLookup.aspx>. For scattered site developments, at least 75% of the proposed units must meet this requirement to be eligible for points.

To be eligible for points in this category, the employer must be listed when searching for the county's top 25 employers. In order to receive points for this scoring subcategory, the applicant must submit in **Tab M\_Project Characteristics**:

Find the census tract income level by entering the project address at the FFIEC website (<https://geomap.ffiec.gov/FFIECGeocMap/GeocodeMap1.aspx>) and clicking "Census Demographic Data" below the matched address. For scattered site developments, points will be averaged according to the number of units within each income level.

Changes in data occurring after preliminary scores are determined will not be considered when determining final scores.

- **Health Factors** (2 points): Points will be awarded to developments located within a county that has a ratio of population to primary care physicians of 2,000:1 or lower. <https://www.countyhealthrankings.org/app/indiana/2020/measure/factors/4/data> (For scattered site developments, at least 75% of the proposed units must meet this requirement to be eligible for points.

6) Digital Divide Index<sup>3</sup>

Maximum Number of Points: 2

Up to 2 points will be awarded to Developments based on the Digital Divide Index (DDI) score of the census tract in which the Development is located. The DDI measures a number of different variables related to broadband infrastructure, broadband adoption, and demographic variables known to impact technology adoption. The DDI ranges in value from 0 to 100, where 100 indicates the highest digital divide and, therefore, areas where broadband infrastructure will be most impactful. Applicants may consult the DDI Score Index found on the [Rural Indiana Stats website](#). To determine a census tract’s DDI, select the “DDI Map” option from the drop-down box, select “Tracts” on the map feature, use the search bar to look up the project address, and then click the census tract in which the project is located. A pop up box will confirm the tract number and provide the Digital Divide score.

All applicants are eligible for points in this category as broadband infrastructure is required for all new construction or rehabilitation projects of more than four rental units as described in Section 3.3 of this policy. Points will be awarded based upon the following distribution:

<sup>3</sup> Digital Divide Index produced by Dr. Roberto Gallardo, Purdue University Center for Regional Development and Extension Community Development Program; December 2018.

DDI Score Range	Points
0 – 29.45	0.5
29.46 – 39.15	1
39.16 – 49.33	1.5
49.34 – 100	2

For scattered site projects, applicants will receive points corresponding to the DDI Score Range in which the majority of Development units can be found. If there is a tie for the DDI Score Range with the most units, an average will be taken and rounded to the nearest whole number.

In order to receive points, the applicant must submit in **Tab M\_Project Characteristics:**

The plan must address how the property will implement management practices that utilize eviction only as a last resort and must describe strategies that will be taken with tenants on an individualized basis to attempt to prevent evictions when issues arise. The plan will be reviewed as part of IHCD ongoing compliance monitoring to ensure it remains in place.
- One point will be awarded if the Applicant commits to implementing low-barrier tenant screening in order to minimize the impact of previous evictions on a household’s ability to secure future housing. The applicant must agree to create a Tenant Selection Plan that meets the following requirement:
  - The plan will not screen out applicants for evictions that occurred more than 12 months prior to the date the household applies for a unit.

Category Maximum Points Possible: 6

Points will be awarded to applicants whose proposed project has received a firm commitment to leverage other funding sources. A "firm commitment" means that the funding does not require any further approvals.

"Other Funding Sources" include (but are not limited to) private funding, funds from a local community foundation, volunteer labor, Federal Home Loan Bank funding, federal, state or local government funds, tax exemptions or abatements, in-kind donations for labor or professional services, sweat equity, donated material and equipment. Funds structured as loans must have below market interest rates. Only permanent loans, not short-term loans such as construction or bridge loans, will qualify in this category. Labor, property, funds, or other sources of leveraging donated by the applicant to itself, or by a principal or investor in the development, are not eligible. Banked or shared match is not eligible. Other IHCDA resources (e.g. Development Fund) are not eligible for this scoring category.

Points will be awarded based on the Amount of Funding divided by the Total Development Costs:

Percentage of Total Development Costs	Points
.50% to 1.99%	1
2.00% to 3.99%	2
4.00% to 5.99%	3
6.00% to 7.99%	4
8.00% to 9.99%	5
Greater than 10%	6

To receive points in this category, the applicant must submit the following in **Tab L\_Financial Commitments**:

- Provide a letter from the appropriate authorized official approving the funds. The letter must include a description of the type of approved funding for the proposed development and the amount of funding.
- Below-market Permanent Loans – Lender letter must acknowledge that the rate offered is below its current market interest rate.
- In-Kind Donations – Labor or Professional Services: Submit commitment letter from donor(s) specifying number of hours they intend to donate and their professional service pay rate.
- In-Kind Donations – Sweat Equity: Submit a copy of sweat equity policy.
- In-Kind Donations – Donated Material and Equipment: Submit commitment letter from donor(s) specifying either the total value of the donated materials or the rental equipment rate and number of hours the equipment will be donated.

8.6 Unique Features & Bonus

Category Maximum Points Possible: 9

1) Unique Features

Maximum Number of Points: 4

Points will be awarded to applicants that offer unique features that contribute to each of the beneficiary units of the proposed project. Unique features should be a creative addition to the proposed program. They should enhance the overall character of the proposed development, improve the beneficiary units and the community’s quality of life, health, and/or safety. Points are awarded relative to other projects being scored during each application cycle and are awarded in IHCDA’s sole and absolute discretion. Each applicant may identify up to **three** unique features. The first three unique features identified will be the **ONLY** items considered when scoring this category. If more than three unique features are listed, only the first three listed will be considered when scoring. If an applicant submits no unique features they will receive zero points.

The following chart sets forth the anticipated percentage of applications that will receive points using a maximum of four points.

10%	4

In order to receive points in this category, the applicant must submit the following in **Tab N\_Development Features:**

- Provide a narrative summary of the proposed unique features. Features receiving points in other sections of this application will not be considered for Unique Feature points. Each applicant may list the **three** most unique features of their project. Only the first three unique features listed will be considered when scoring this category.

## Part 9: Glossary of Terms

---

Below are definitions for commonly used terminology found throughout the IHCD HOME application policy and forms and applicable to the IHCD HOME program.

*Administrator:* A procured entity that will assist carrying out the HOME award.

*Aging in Place:* - Aging in Place (AIP) refers to adapting our collective living environment so it is safer, more comfortable, and increases the likelihood a person can live independently and remain at home as circumstances change. Primary target populations for aging in place strategies are seniors, families with seniors, and persons with disabilities.

*Beneficiary:* The household or unit that received homeowner repair work as a result of the HOME award.

*CHDO:* A Community Housing Development Organization. A non-profit, community-based organization with the capacity to develop affordable housing for the community it serves, as defined in the HOME rule and as certified by IHCD. Participating Jurisdictions (IHCD) must set aside a minimum of 15% of their HOME allocations for activities in which CHDOs are the owners, developers, and/or sponsors of the housing.

*Clarification:* A clarification is any question or concern IHCD may have regarding an applicant, proposed development, or other issue that does not meet the definition of a technical correction, as defined below. The number of clarifications an applicant receives will not impact its score.

*Comprehensive Community Development:* Every community strives to be a place where people choose to live, work, and play. Comprehensive development means that a community's potential lies in the identification and creation of a shared vision, planned by local leadership, and carried out by an array of partners. When successful, it yields results beyond what can be achieved by individual organizations or disparate programs because of the unique synergy they generate. A thriving community is a community with job opportunities, strong schools, safe neighborhoods, a full range of housing choices, and a vibrant culture. Comprehensive development marshals resources and deploys coordinated strategies in a concentrated area to create opportunities for others in the community to take prudent risks and reap the rewards. The demolition of blighted structures, the rehabilitation of long-vacant housing and the creation of new community amenities and retail opportunities serve as a tipping point for future development through market forces.

*Development:* The HOME activity proposed in the application.

*Disabled:* The Fair Housing Act defines disability as a person who has/is:

- A physical or mental impairment which substantially limits one or more of such person's major life activities; or
- A record of having such an impairment; or
- Is regarded as having such an impairment, but such term does not include current, illegal use of or addiction to a controlled substance (as defined in section 102 of the Controlled Substances Act).

*Elderly:* Elderly can have one of two definitions as elected by the applicant:

- A person 55 years of age or older. This target population category also includes families with a person living in their home that is 55 years of age or older. For housing using this definition of elderly, at least 80% of the units must be age restricted; OR
- A person 62 years of age or older. This target population only includes households in which all household members are 62 years of age or older. For housing using this definition of elderly, 100% of the units must be age restricted.

*HOME:* The Home Investment Partnerships Program as created by the National Affordable Housing Act of 1990.

*IHCDA:* Indiana Housing and Community Development Authority

*Income Limits:* Maximum incomes as published by HUD for projects giving the maximum income limits per unit for beneficiary (30%, 40%, 50%, 60% and 80% of median) units.

*Large City:* For purposes of this policy, a large city is defined as a city with a population of 75,000 or more. To qualify as being located within a large city, the project must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer).

*Median Income:* A determination made through statistical methods establishing a middle point for determining income limits. Median is the amount that divides the distribution into two equal groups, one group having income above the median and one group having income below the median.

*MOU:* A Memorandum of Understanding (MOU) is a document describing a bilateral or multilateral agreement between two or more parties.

*Narrative:* A written description by the applicant that describes the application question and generally supports the need of the project.

*Referral Agreement:* An agreement in which the recipient and a qualified organization enter into an agreement in which the recipient agrees to (a) set aside a number of units at the project for a special needs population and (b) notify the qualified organization when vacancies occur, and in which the qualified organization agrees to (a) refer qualified households to the project and (b) notify clients of vacancies at the project.

*Rent Limits:* The HUD published maximum rent amount, including a utility allowance and any non-optional fees. Rent limits are published by bedroom size and by AMI level.

*Rural:* A project is considered to be rural if it meets one of the following criteria:

- a. The project is located within the corporate limits of a city or town with a population of 14,999 or less; or
- b. The development is located in an unincorporated area of a county that does not contain a city or town that meets the definition of large city or small city as set forth in this glossary; or

- c. The project is located in an unincorporated area of a county whereas;
- i. The project is outside the 2-mile jurisdiction of either a large city or small city as defined in this glossary; and
  - ii. The project does not have access to public water or public sewer from either the large city or small city as defined in this glossary.

*Small City:* For purposes of this policy, a small city is defined as a city with a population of between 15,000 and 74,999. To qualify as being located within a small city, the development must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer).

*Technical Correction:* A technical correction occurs when an applicant does not provide sufficient information or documentation to meet the IHCD HOME program threshold requirements as defined in section 7.2 of this policy. Technical Corrections may occur when the required information or documentation is not submitted, is out-of-date, or is vague or incomplete. IHCD reserves the right to classify other application errors or omissions as technical corrections at its own discretion. Applicants that receive two or less technical corrections may receive bonus points as defined in the Bonus scoring section of this policy.

*Veteran:* A person who served in the active military, naval, or air service.

*Visitability:* Visitability is defined as design concepts that allow persons with mobility impairments to enter and stay, but not necessarily live, in a residence. Visitability features include, but are not limited to, zero-step entrances, proper door width, an accessible bathroom on the main level, etc. VISIBLE units must comply with the Type C unit criteria in ICC A117.1 Section 1005.

**Part 10: Development Fund**

---

**10.1 Overview**

The Indiana Affordable Housing and Community Development Fund (“Development Fund”) was established in 1989 to provide financing options for the creation of safe, decent, and affordable housing and for economic development projects in Indiana communities. Development Fund regulations may be found in Indiana Code 5-20-4. Developments also involving federal funding (e.g. HOME Investment Partnership Program or Community Development Block Grant), tax-exempt bonds, or Low-Income Housing Tax Credits (“LIHTC”) must comply with the requirements of those programs.

The maximum Development Fund loan request is \$500,000 per application. Based on availability of funding, IHCDA may, at its discretion, issue a RED Notice prior to a funding round to reduce the amount allowed per application. The \$500,000 maximum request will also apply at a project level. An applicant who divides an existing project or contiguous sites into multiple applications will only be allowed to request \$500,000 total for the project, not \$500,000 per application.

For more detailed information on the Development Fund program please consult the [Development Fund Manual](#).

**10.2 How to Apply**

Development Fund awards are approved through the supplemental application with the HOME Investment Partnership Program application. IHCDA may request more information for the Development Fund application.

Applicants must provide documentation on how they will fill the financial gap, should the Development Fund not be approved, or if the Development Fund is not available. Applicants who cannot provide adequate documentation or explanation on how all sources are to be committed will not be considered for funding for this round.

In addition, a non-profit applicant must submit a borrowing resolution passed by its Board of Directors authorizing submission of the loan request. The applicant must use IHCDA’s template borrowing resolution form as found on the Development Fund webpage.

**10.3 Eligible Applicants**

Applicants eligible to apply in conjunction with a HOME application include nonprofit corporations and local units of government. IHCDA must allocate at least 50% of the fund to recognized nonprofit corporations under Section 501(c)(3) of the U.S. Internal Revenue Code.

Awardees with current Development Fund awards are eligible to apply for additional funding. All outstanding awards must be current (if loans), in compliance with all program requirements, and otherwise in good standing in order to be considered for additional awards. However, no individual project sponsor or its affiliates may hold more than 20% of the Development Fund’s total portfolio at any one time.

Individuals or organizations currently on IHCDA’s suspension or debarment list are not eligible to apply for Development Fund awards.

**10.4 Eligible Beneficiaries**

At least 50% of the Development Fund assisted units must be occupied by households whose incomes are at or below 50% of the area median income adjusted for household size (“AMI”), and the additional Development Fund-assisted units must be for incomes at or below 80% of AMI. The required number of Development Fund assisted units restricted at 50% AMI income and rent limits is determined by the following calculation:

- 50% of the Development Fund assisted units (as defined below); or
- If there are 50 or more units in the development, the number of units set aside at 50% AMI is the greater of 50% of the assisted units (as defined below) or 10 units.

**10.5 Eligible Residential Activities**

Eligible HOME activities include, but are not limited to, acquisition, new construction, and/or rehabilitation of homes for sale, permanent rental units, and permanent supportive housing projects that have successfully completed the Indiana Supportive Housing Institute.

**10.6 Eligible Activity Costs**

For more information on eligible and ineligible activity costs please see §1.8 and §1.9 of the [Development Fund Manual](#). Questions about eligible vs. ineligible soft costs under the Development Fund program can be directed to the IHCDA Underwriting and Closing Manager.

**10.7 Match Requirements**

Applicants for Development Fund must be able to document a local match in an amount of at least 10%. Acceptable match sources include in-kind donations, donated land, owner equity, building materials, loans, cash grants, or any combination of both in-kind and cash. Other sources of match may also qualify, **except for funds administered by IHCDA.**

**10.8 Development Fund Activity Provisions**

The Development Fund may provide loans or grants up to \$500,000 per development. Development Fund grants will only be made in conjunction with special IHCDA initiatives as announced by IHCDA. Except for these special initiatives, IHCDA will only accept Development Fund applications for loans.

The Development Fund may be used for the following types of loans:

- Pre-development: to pay project pre-development expenses;
- Acquisition: to pay for purchase and closing costs for property acquisition;
- Construction: to pay for hard and soft costs of new construction and rehab projects;
- Permanent: to provide permanent financing to the project; and/or
- Bridge: financing to bridge the timing gap between project or program costs and cash from committed sources not yet available (equity).

Homebuyer projects are not eligible for permanent or bridge financing.

### 10.9 Loan Terms

The applicant may propose a loan term of up to two years of construction financing and up to fifteen years of permanent financing. For Developments with HUD financing (not HOME), the permanent loan term may exceed 15 years to match the term of the HUD loan. Amortization schedule will be a maximum thirty year amortization schedule or coterminus with first-mortgage financing (whichever is less).

Applicants receiving Development Fund loans must demonstrate the ability to repay the loan. If the loan will not take first or second position behind permanent financing, the developer must receive IHCD approval. The base interest rate for loans is a fixed rate starting at prime rate minus 200 basis points, not to exceed 3% but not less than 1%. The interest rate offered will be determined during underwriting based on financial capacity.

### 10.10 Underwriting Guidelines

For more information on underwriting guidelines please see §2.4 of the [Development Fund Manual](#). Questions about these guidelines can be directed to the IHCD Director of Real Estate Lending.

### 10.11 Affordability Period/Lien and Restrictive Covenants

Rental developments will be subject to a Lien and Restrictive Covenant Agreement that must be executed against every residential property constructed, rehabilitated, or acquired, in whole or in part, with Development Fund funds. If the award is made in conjunction with HOME or CDBG funding, the development will be subject to the applicable program affordability period.

Upon occurrence of any of the following events during the affordability period, the entire sum secured by the lien, without interest, shall be due and payable by developer and/or owner upon demand. Repayment may be demanded upon: (1) transfer or conveyance of the real estate by deed, land contract, lease, or otherwise, during the affordability period; (2) commencement of foreclosure proceedings by any mortgagee (or deed in lieu of foreclosure), within the affordability period; or (3) determination that units are not being used as a residence by a qualifying tenant or not leased according to the program affordability requirements. The award recipient will be responsible for repaying IHCD. At the end of the affordability period, if the borrower/recipient has met all conditions, the lien will be released.

### 10.12 Income and Rent Restrictions/Ongoing Compliance

All Development Fund-assisted units in residential developments must be income and rent restricted. If the award is made in conjunction with HOME funding or is Development Fund only, then the HOME program income and rent limits will apply. Developments with Development Fund combined with another program must follow the recertification requirements of that program.

Please note the Development Fund requires 50% of the development funds units to be at 50% or below AMI.

When Development Fund is combined with other funding sources, the audit/inspection cycle will occur based on the cycle and frequency prescribed by that program.

### **10.13 Determining Development Fund Assisted Units**

The percentage of total development costs attributable to the Development Fund represents the percentage of units that will be considered Development Fund assisted. For example, if development costs are \$2,000,000 and the applicant is requesting \$500,000 in Development Fund financing, then 25% of the construction financing is via the Development Fund. As such, 25% of the units will be assisted with the Development Fund and must meet the requirements of the Development Fund program. For projects over 50 units, 10 units or 50% of the assisted units whichever is greater must be designated at or below 50% of the area median income for both income and rent limits.

### **10.14 State Historic Review**

The applicant must submit to IHCD the State Historic Review documentation as required by IC 14-21-1-18. Instructions regarding the documentation required for the Development Fund's state historic review process can be found in the Environmental Review Record and Section 106 User's Guide at <https://www.in.gov/myihcda/2650.htm>. Applicants must determine if the development building(s) or structure(s) are listed individually in the State or National Register of Historic Places.

### **10.15 Modifications**

IHCD may consider requests for changes to the characteristics of a development. **A modification fee of \$500 will be imposed if loan documentation has been finalized. Additionally, a \$1,500 fee will be required if any legal documents, such as the recorded Lien and Restrictive Covenant, need to be amended as a result of the request.**

Approval of modification requests is at the sole discretion of IHCD. IHCD must evaluate each request to see how the change would have affected original funding and underwriting of the development as well as to ensure that the proposed change will not cause noncompliance.

When submitting a modification request, please provide the following:

- a. Formal written request from the Owner/Developer detailing the specific request and the reason the request is needed
- b. The impact to the project in the event the modification request is not approved
- c. Modification fee of \$500.00 if loan documentation has been finalized
- d. Updated HOME application pages that reflect changes to the original application based on the current closing projections and/or proposed modification

At its discretion, IHCD may request additional supporting documentation.
