Is there a way to connect Weatherization directly to utility customers who have faced shut-off notices over the past year or couple of years?

[6/16 3:35 PM] Krauser, Emily
hm... interesting idea! maybe?!?!:)

[6/16 3:45 PM] Garvey, Kristin (IHCDA)
I have to step off now. Let me know how we can help.

Emily, can you put in the chat the key 3-4 issues you raised earlier that you could use this group's help working through. I know you mentioned where to find people, how to train a workforce, and maybe a couple more.

[6/16 3:52 PM] Michelle L Bennett
I have to drop off. Thank you for the invite. As I am putting together my marketing, I will reach out to Emily for feedback on what to include.

[6/16 3:52 PM] Krauser, Emily

1. How do we get and skill up new workers?
2. Who should we partner with to get qualified referrals for households <200%FPL
3. What types of multi-unit buildings tend to house qualified households, where we could do work at the building level rather than single home?

[6/16 3:55 PM] Krievins, Paul
Do sub-grantees have funds that can pay staff for the time they're in training? And is there a way to offer some sort of pay premium in this hyper competitive job market?

[6/16 3:55 PM] Krauser, Emily
yes!

[6/16 3:57 PM] Krauser, Emily
tta funds can pay training time; other pay premiums just have to be written into CAA policy. The problem is that ACPU is holding steady

[6/16 3:59 PM] Meguschar, Elizabeth A
my apologies but I have to hop off to join a 4pm meeting. thank you,

[6/16 3:59 PM] Pope, Joely
Thank you for joining

[6/16 4:00 PM] Klein, Heather (Guest) no longer has access to the chat.
