Re: Online Application for Tax Credits is Now Live

Notice: RED-25-23

The Online Tax Credit Application is now live, which is required for all competitive tax credit applications due on July 28, 2025. Those who have sent over your Access Indiana email should have received an email this afternoon indicating it is now open, and you can begin accessing the application. If you still have not sent over the email you used, please do so. If you have not yet set up an Access Indiana account, the following link can be used to set up an Access Indiana account: <https://access.in.gov/signin/>

It is recommended to use a business email when creating your account, although it is not required. Once you have created your account, please notify IHCD of account creation and which email was used to set up the account. Please send which email was used and confirmation of account creation to Hayden Wiesinger at hwiesinger@ihcda.in.gov.

IHCDA will host a walk through session of the online application on Wednesday, July 2nd at 1:30 PM ET to help with navigation and answer any initial questions. The session can be accessed through the link below. Advanced registration is not required. IHCD plans to host additional walk through sessions as needed before applications are due at the end of July.
