Commercial and Office Space: IHCDA Rental Housing financing resources cannot be used to finance commercial space within a Development. Income generated and expenses incurred from this space, though, must be factored into IHCDA's underwriting for the Development as a whole when reviewing the application. If the Development involves the development of commercial space, the applicant will need to provide separate annual operating expense information and a separate 15-year proforma for the commercial space. Be sure to label which forms are for the housing and which ones are for the commercial space. Also separate out all development costs associated with the commercial space on line M of the Development Costs chart.

If the loan and any outstanding interest is not expected to be paid until the end of the Initial Compliance Period, there must be reasonable expectation that the fair market value of the Development will be sufficient at that time to pay the accrued interest and debt and that the net income of the Development will be sufficient to sustain debt service.

<sup>\*</sup> Commercial costs are defined as those costs that are not eligible basis and are attributed to non-residential areas of the Development (e.g. retail area of mixed-use development).

Note: The actual amount of credit for the Development is determined by IHCDA. If the Development is eligible for Historic Tax Credit, include a complete breakdown of the determination of eligible basis for the Historic Credit with the Application. If the Development's basis has been adjusted because it is in a high cost area or qualified census tract, the actual deduction for the Historic Cost items must be adjusted by multiplying the amount by 130%. This does not apply to Historic Tax Credits.

### 2. Determination of Reservation Amount Needed

The following calculation of the amount of credits needed is substantially the same as the calculation which will be made by IHCDA to determine, as required by the IRS, the maximum amount of credits which may be reserved for the Development. However, IHCDA at all times retains the right to substitute such information and assumptions as are determined by IHCDA to be reasonable for the information and assumptions provided herein as to costs (including development fees, profits, etc.) sources of funding, expected equity, ect. Accordingly, if the development is selected by IHCDA for a reservation of credits, the amount of such reservation may differ significantly from the amount that is computed below.

The undersigned hereby acknowledges that:

3.

- 1. This Application form, provided by IHCDA to applicants for funding, tax credits and tax-exempt bonds, including the sections herein relative to basis, credit calculations and determinations of the amount of the credit necessary to make the development financially feasible, is provided only for the convenience of IHCDA in reviewing the reservation requests. Completion hereof in no way guarantees eligibility for the credits or bonds or ensures that the amount of credits applied for has been computed in accordance with IRC requirements; any notations herein describing IRC requirements are offered only as general guides and not as legal advice;
- 2. The undersigned is responsible for ensuring that the proposed Development will be comprised of qualified low-income buildings; that it will in all respects satisfy all applicable requirements of federal tax laws and any other requirements imposed upon it by the IHCDA in respect of the proposed Development and bond issue; and that the IHCDA has no responsibility for ensuring that all or any funding allocated to the Development may be usable or may not later be recaptured;
- For purposes of reviewing this Application, IHCDA is entitled to rely upon the representations of the undersigned as to the inclusion of costs in eligible basis and as to all of the figures and calculations relating to the determinations of qualified basis for the development as a whole and for each building therein individually as well as the amounts and types of credit applicable thereto, and that the issuance of a reservation based on such representations in no way imposes any responsibility on the IHCDA for the accuracy of these representations or their compliance with IRC requirements;
- 4. IHCDA may request or require changes in the information submitted herewith, may substitute its own figures which it deems reasonable for any or all figures provided herein by the undersigned and may reserve credits, if any, in an amount significantly different from the amount requested;
- 5.

  The IHCDA offers no advice, opinion or guarantee that the Applicant, the Issuer or the proposed development will ultimately qualify for or receive low-income housing tax credits, Multi-family tax-exempt Bonds, HOME funds or section 501(c)3 Bonds;
- 6. Allocations/reservations of funding are not transferable without prior written notice and consent of the IHCDA;
- 7. If the IHCDA believes, in its sole discretion, that the Development will not be completed or that any condition set forth in the Application will not be satisfied within the required time period, or will become unsatisfied or will otherwise cause the Development to fail to qualify for a Bond allocation, the Issuer agrees that the IHCDA may rescind and retrieve any funds allocated to the Issuer. The Issuer acknowledges that all terms, conditions, obligations and deadlines set forth in this Application constitute conditions precedent to any allocation of funds, and the Development's failure to comply with any of such terms and conditions shall entitle the IHCDA, in its sole discretion, to deem the allocation canceled by mutual consent. After any such cancellation, the Issuer acknowledges that neither it nor the Development will have any right to claim funds. The IHCDA reserves the right, in its sole discretion, to modify and/or waive any such failed condition precedent, so long as such waiver does not violate any Code requirements relating to the Development;
- 8. The requirements for applying for funding and the terms of any reservation or allocation thereof are subject to change at any time by federal or state law, federal, state or IHCDA regulations, or other binding authority;
- Reservations may be subject to certain conditions to be satisfied prior to allocation and shall in all cases be contingent upon the receipt of the required Application and reservation fees;
- 10. Applicant is submitting this Application on behalf of Owner, whether Owner has already been formed or is a to-be-formed entity;
- 11. Applicant represents and warrants to IHCDA that it has all necessary authority to act for, obligate and execute this Application on behalf of itself and Owner, and to engage in all acts necessary to consummate this Application. Applicant further represents and warrants to IHCDA that the signatories hereto have been duly authorized and that this Application shall be the valid and binding act of the Applicant, enforceable according to its terms;
- 12. In the event the Applicant is not the Owner, Applicant represents and warrants to IHCDA that it will take, and not fail to take, any and all necessary actions to cause the Owner to ratify and confirm all representations in and comply with the terms and conditions of this Application;
- 13. Applicant represents and warrants to IHCDA that it will take any and all action necessary and not fail to cause the Developer to ratify and confirm all representations in and comply with the terms and conditions of this Application.

Further, the undersigned hereby certifies that:

- a) All factual information provided herein or in connection herewith is true, correct and complete, and all estimates are reasonable;
- b) It shall promptly notify the IHCDA of any corrections or changes to the information submitted to the IHCDA in connection with this Application upon becoming aware of same;
- c) It is responsible for all calculations and figures used for the determination of the eligible basis and qualified basis for any and all buildings and other improvements, and it understands and agrees that the amount of funding to be reserved and allocated has been calculated pursuant to and in reliance upon the representations made herein;

- d) It will at all times indemnify, defend and hold harmless IHCDA against claims, losses, costs, damages, expenses and liabilities of any nature (including, without limitation, attorney fees to enforce the indemnity rights hereunder) directly or indirectly resulting from, arising out of, or relating to IHCDA's acceptance, consideration, approval or disapproval of this Application and the issuance or non-issuance of an allocation of funding in connection herewith; and
- e) It shall furnish the IHCDA with copies of any and all cost certifications made to any other governmental agency, including, but not limited to, cost certifications made to FmHA or FHA, at the time that such certifications are furnished to such other agency.
- 14. Applicant hereby authorizes IHCDA and its successors, affiliates, agents and assigns to utilize in any manner and at anytime, any photograph, picture, or misrepresents in any other medium (collectively "photographs") of the property covered by this Application, without limitation, in any and all matters, publications, or endeavors, commercial or noncommercial, undertaken directly or indirectly by IHCDA at any time on or after the date of this Application without any limitation whatsoever. Applicant understands that: (1) it is relinquishing any and all ownership rights in any such photographs; and (ii) it is relinquishing any and all legal rights that it may now or hereafter have to, directly or indirectly, challenge, question or otherwise terminate the use of the photographs by IHCDA.
- 15. DISSEMINATION OF INFORMATION and AGREEMENT TO RELEASE AND INDEMNIFY. The undersigned for and on behalf of itself, the Development, Owner and all participants in the Development, together with their respective officers, directors, shareholders, members, partners, agents, representatives, and affiliates (collectively, "Applicant") understands, acknowledges and agrees that this and any application for Rental Housing Tax Credits ("Credits") (including, but not limited to, all preliminary or final Applications, related amendments and information in support thereof and excepting personal financial information) are, and shall remain, available for dissemination and publication to the general public.

As additional consideration for IHCDA's review of its request for Credits, the Applicant does hereby release IHCDA and its directors, employees, attorneys, agents and representatives of and from any and all liability, expenses, costs and damage that applicant may, directly or indirectly, incur because of such dissemination or publication, and the Applicant hereby agrees to hold IHCDA harmless of and from any and all such liability, expense or damage.
