**Commercial and Office Space:** IHCDAs Rental Housing financing resources cannot be used to finance commercial space within a Development. Income generated and expenses incurred from this space, though, must be factored into IHCDAs underwriting for the Development as a whole when reviewing the application. If the Development involves the development of commercial space, the applicant will need to provide separate annual operating expense information and a separate 15-year proforma for the commercial space. Be sure to label which forms are for the housing and which ones are for the commercial space. Also separate out all development costs associated with the commercial space on line M of the Development Cost chart.

This Application form, provided by IHCDA to applicants for funding, tax credits and tax-exempt bonds, including the sections herein relative to basis, credit calculations and determinations of the amount of the credit necessary to make the development financially feasible, is provided only for the convenience of IHCDA in reviewing the reservation requests. Completion hereof in no way guarantees eligibility for the credits or bonds or ensures that the amount of credits applied for has been computed in accordance with IRC requirements; any notations herein describing IRC requirements are offered only as general guides and not as legal advice;
2. The undersigned is responsible for ensuring that the proposed Development will be comprised of qualified low-income buildings; that it will in all respects satisfy all applicable requirements of federal tax laws and any other requirements imposed upon it by the IHCDA in respect of the proposed Development and bond issue; and that the IHCDA has no responsibility for ensuring that all or any funding allocated to the Development may be usable or may not later be recaptured;
3. For purposes of reviewing this Application, IHCDA is entitled to rely upon the representations of the undersigned as to the inclusion of costs in eligible basis and as to all of the figures and calculations relating to the determinations of qualified basis for the development as a whole and for each building therein individually as well as the amounts and types of credit applicable thereto, and that the issuance of a reservation based on such representations in no way imposes any responsibility on the IHCDA for the accuracy of these representations or their compliance with IRC requirements;

7. If the IHCDA believes, in its sole discretion, that the Development will not be completed or that any condition set forth in the Application will not be satisfied within the required time period, or will become unsatisfied or will otherwise cause the Development to fail to qualify for a Bond allocation, the Issuer agrees that the IHCDA may rescind and retrieve any funds allocated to the Issuer. The Issuer acknowledges that all terms, conditions, obligations and deadlines set forth in this Application constitute conditions precedent to any allocation of funds, and the Development's failure to comply with any of such terms and conditions shall entitle the IHCDA, in its sole discretion, to deem the allocation canceled by mutual consent. After any such cancellation, the Issuer acknowledges that neither it nor the Development will have any right to claim funds. The IHCDA reserves the right, in its sole discretion, to modify and/or waive any such failed condition precedent, so long as such waiver does not violate any Code requirements relating to the Development;
8. The requirements for applying for funding and the terms of any reservation or allocation thereof are subject to change at any time by federal or state law, federal, state or IHCDA regulations, or other binding authority;
9. Reservations may be subject to certain conditions to be satisfied prior to allocation and shall in all cases be contingent upon the receipt of the required Application and reservation fees;

## L. Displacement Assessment - HOME ONLY

Although permanent displacement may not be anticipated, a development may still incur temporary or economic displacement liabilities. The Uniform Relocation Act contains specific requirements for HOME awards involving displacement and/or acquisition.

## W. Alternative Sources of Funding

In recent years, requests for HOME and Development Fund funds has greatly exceeded the allocation of said funds. As a result of this high demand, the Authority anticipates some developments will score high enough to be recommended for Rental Housing Tax Credits but due to funding constraints will not be eligible for HOME or Development Fund funds. To ensure the Authority consistently reviews all of the applicants' options, IHCDA requests you select one of the following:

Option 1: Identify alternative source(s) of funding that will replace IHCDA HOME/Development Fund funds.  
(Identify alternative source(s) in chart below)

Option 2: The development team has exhausted all options to identify an alternative source of funds without success. To that regard, we understand that without IHCDA HOME/Development Fund funding your development will not be financially feasible. Thus, it will not meet Additional Threshold item E.2(e)(4).

### Option 1 - Required Documentation:

All sources of financing identified below must be supported with appropriate documentation satisfactory to the Authority as identified in the latest version of the QAP. Attach required documentation to this form.

#### Construction Financing:

Source of Funds	Date of Application	Date of Commitment	Amount of Funds	Contact Person (Name and Telephone Number or Email)
1 Deferred Developer Fee	7/28/2025	7/28/2025	\$500,000	Andrea Kent 317-447-2904
2				
<b>Total Amount of Funds</b>			<b>\$500,000</b>	

#### Permanent Financing:

1 Deferred Developer Fee	7/28/2025	7/28/2025	\$500,000	Andrea Kent 317-447-2904

#### Grants:

Source of Funds	Date of Application	Date of Commitment	Amount of Funds	Contact Person (Name and Telephone Number or Email)

<b>Total Amount of Funds</b>			<b>\$0</b>	

#### Comments:

The Developer/Owner will increase deferred developer fee as needed to fill the financing gap. This is not preferred as it will put an undue burden on the owner/developer.
