**Re: Lead Hazard Reduction Grant RFQ and RFP Release**

The Indiana Housing and Community Development Authority (IHCDA) seeks to engage qualified contractors to conduct a variety of healthy homes intervention activities across the State of Indiana, pursuant to the U.S Department of Housing and Urban Development (HUD)'s Lead Hazard Reduction Grant Program.

IHCDA has released two Request for Qualifications (RFQ) and three Request for Proposals ("RFP"). A listing of those RFQs and RFPs is below. Qualification, fee and submission requirements are outlined in each RFQ and RFP.

- Lead Hazard Reduction Program Radon Mitigation RFQ
- Lead Hazard Reduction Lead Abatement Contractors and EPA Renovation, Repair and Painting (RRP) Certified Firms RFQ
- Lead Hazard Reduction Radon Testing RFP
- Lead Hazard Reduction Technical Writing Scope of Work RFP
- Lead Hazard Reduction Program Lead Inspection/Risk Assessment and Healthy Homes Inspection RFP

The RFQs and RFPs may be found on IHCDA's Healthy Homes Resource Program webpage [HERE](#).

Questions about the RFQs or RFPs should be directed to Dave Pugh, Lead Grant Manager at [dpugh@ihcda.in.gov](mailto:dpugh@ihcda.in.gov).
