SECTION 3 **State Plan Development and Statewide Goals**

For the purposes of the CARES Act, the Office of Community Services accepts the data submitted by the state in Section 3 of the most recently submitted CSBG State Plan (as dated in Section 1 of this Supplemental State Plan).

The following additional information is requested for CSBG CARES supplemental funding.

3.1. State Plan Goals: Describe the state's specific goals for state administration of CSBG as it directly relates to the CSBG CARES funding.

Note: For examples of "goals," see State Accountability Measure 1Sa(i).

IHCDA's main goal for administering CSBG CARES funding is to provide CAAs the guidance and training needed in order for them to implement their planned activities. This will be accomplished via written guidance updates as well as webinars and in-person trainings hosted by IHCDA and/or coordinated by the State Association. Particular attention will be paid to allowable uses of CSBG funds, best practices for safely reopening during a pandemic, and updates to technology and written policies to facilitate remote work. IHCDA's other main goal for administering CSBG CARES funding is to tell the story of how the funds are used across the state to assist low-income communities. This will be accomplished by helping agencies complete all CARES-specific reporting requirements, and by working with the State Association and IHCDA's Marketing and Communications department to create and disseminate reports on what CAAs accomplish with their funds.

3.2. Eligible Entity Involvement: Describe the specific steps the state took in developing the CSBG CARES Supplemental State Plan to involve the eligible entities

In June 2020, IHCDA collected and reviewed CARES Act Community Action Plans from all 22 CAAs. Included in those Plans were descriptions of how agencies intended to use their allocated CARES Act funds, as well as a list of training topics agencies needed to help them utilize their funds. IHCDA's goals were developed in direct response to how agencies intend to use their funds and their requests for T&TA. IHCDA also sent the State Plan draft directly to CAA executive directors and CSBG Managers on July 31 and hosted a conference call with the network on August 31, to ask for and discuss their feedback on the draft goals and other State Plan responses. Finally, time during the public hearing hosted on August 20 was set aside specifically for the CSBG CARES Act Supplemental Plan.

SECTION 4 CSBG Hearing Requirements

For the purposes of the CARES Act, the Office of Community Services accepts the data submitted by the state in Section 4 of the most recently submitted CSBG State Plan (as dated in Section 1 of this Supplemental State Plan).

The CSBG CARES Supplemental State Plan is considered to be a plan revision, consistent with Section 676(e) of the CSBG Act (Revisions and Inspection).

4.1. Public Inspection: Describe how the CSBG CARES Supplemental State Plan has been made available for public inspection within the state to facilitate public review and comment.

A draft of the CSBG CARES Supplemental State Plan was posted to IHCDA's website on July 31, and a previously posted public notice was updated so the public knew to email or mail comments by August 24. The notice also included information about the public hearing hosted on July 20, during which the Supplemental Plan was discussed.

Note:

For the purposes of this CSBG CARES Supplemental State Plan, a public hearing is not required. However, the state should notify eligible entities and other known stakeholders that this plan is available for a public review and comment, and post publicly, e.g., on the state's public website, for a reasonable timeframe.

Although, a reasonable timeframe is not specified in the statute, for purposes of the CSBG CARES Supplemental State Plan, OCS recommends a minimum of 10 business days.

15.2. CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees'

attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);.

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - -
